**2023 Regular Session**

**By** Senators Keiser, Conway, Kuderer, Randall, and Robinson

Prefiled 12/29/22. Read first time 01/09/23. Referred to Committee on Labor & Commerce.

1 AN ACT Relating to requiring payment for accrued and unused sick  
2 leave for certain construction workers; and amending RCW 49.46.210.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 49.46.210 and 2022 c 281 s 6 are each amended to  
5 read as follows:

6 (1) Beginning January 1, 2018, except as provided in RCW  
7 49.46.180, every employer shall provide each of its employees paid  
8 sick leave as follows:

9 (a) An employee shall accrue at least one hour of paid sick leave  
10 for every forty hours worked as an employee. An employer may provide  
11 paid sick leave in advance of accrual provided that such front-  
12 loading meets or exceeds the requirements of this section for  
13 accrual, use, and carryover of paid sick leave.

14 (b) An employee is authorized to use paid sick leave for the  
15 following reasons:

16 (i) An absence resulting from an employee's mental or physical  
17 illness, injury, or health condition; to accommodate the employee's  
18 need for medical diagnosis, care, or treatment of a mental or  
19 physical illness, injury, or health condition; or an employee's need  
20 for preventive medical care;

1 (ii) To allow the employee to provide care for a family member  
2 with a mental or physical illness, injury, or health condition; care  
3 of a family member who needs medical diagnosis, care, or treatment of  
4 a mental or physical illness, injury, or health condition; or care  
5 for a family member who needs preventive medical care; and

6 (iii) When the employee's place of business has been closed by  
7 order of a public official for any health-related reason, or when an  
8 employee's child's school or place of care has been closed for such a  
9 reason.

10 (c) An employee is authorized to use paid sick leave for absences  
11 that qualify for leave under the domestic violence leave act, chapter  
12 49.76 RCW.

13 (d) An employee is entitled to use accrued paid sick leave  
14 beginning on the ninetieth calendar day after the commencement of his  
15 or her employment.

16 (e) Employers are not prevented from providing more generous paid  
17 sick leave policies or permitting use of paid sick leave for  
18 additional purposes.

19 (f) An employer may require employees to give reasonable notice  
20 of an absence from work, so long as such notice does not interfere  
21 with an employee's lawful use of paid sick leave.

22 (g) For absences exceeding three days, an employer may require  
23 verification that an employee's use of paid sick leave is for an  
24 authorized purpose. If an employer requires verification,  
25 verification must be provided to the employer within a reasonable  
26 time period during or after the leave. An employer's requirements for  
27 verification may not result in an unreasonable burden or expense on  
28 the employee and may not exceed privacy or verification requirements  
29 otherwise established by law.

30 (h) An employer may not require, as a condition of an employee  
31 taking paid sick leave, that the employee search for or find a  
32 replacement worker to cover the hours during which the employee is on  
33 paid sick leave.

34 (i) For each hour of paid sick leave used, an employee shall be  
35 paid the greater of the minimum hourly wage rate established in this  
36 chapter or his or her normal hourly compensation. The employer is  
37 responsible for providing regular notification to employees about the  
38 amount of paid sick leave available to the employee.

39 (j) (~~Unused~~) Except as provided in (l) of this subsection,  
40 accrued and unused paid sick leave carries over to the following

1 year, (~~except that~~) but an employer is not required to allow an  
2 employee to carry over paid sick leave in excess of (~~forty~~) 40  
3 hours.

4 (~~This section does not require an employer~~) Except as  
5 provided in (l) of this subsection, an employer is not required to  
6 provide financial or other reimbursement for accrued and unused paid  
7 sick leave to any employee upon the employee's termination,  
8 resignation, retirement, or other separation from employment. When  
9 there is a separation from employment and the employee is rehired  
10 within (~~twelve~~) 12 months of separation by the same employer,  
11 whether at the same or a different business location of the employer,  
12 previously accrued unused paid sick leave shall be reinstated and the  
13 previous period of employment shall be counted for purposes of  
14 determining the employee's eligibility to use paid sick leave under  
15 subsection (1)(d) of this section. For purposes of this subsection  
16 (1)(k), "previously accrued and unused paid sick leave" does not  
17 include sick leave paid out to a construction worker under (l) of  
18 this subsection.

19 (l) For construction workers covered under an approved referral  
20 union program authorized under RCW 50.20.010 and in compliance with  
21 WAC 192-210-110, the following provisions apply:

22 (i) If the worker has not met the ninetieth day eligibility under  
23 (d) of this subsection at the time of separation, the employer must  
24 pay the former worker the balance of their accrued and unused paid  
25 sick leave upon separation.

26 (ii) If the worker has met the ninetieth day eligibility under  
27 (d) of this subsection prior to separating from an employer, and the  
28 worker does not return to work for the employer prior to the end of  
29 the calendar year, the employer must pay the former worker the  
30 balance of their accrued and unused paid sick leave at the end of the  
31 calendar year.

32 (2) For purposes of this section, "family member" means any of  
33 the following:

34 (a) A child, including a biological, adopted, or foster child,  
35 stepchild, or a child to whom the employee stands in loco parentis,  
36 is a legal guardian, or is a de facto parent, regardless of age or  
37 dependency status;

38 (b) A biological, adoptive, de facto, or foster parent,  
39 stepparent, or legal guardian of an employee or the employee's spouse

1 or registered domestic partner, or a person who stood in loco  
2 parentis when the employee was a minor child;

3 (c) A spouse;

4 (d) A registered domestic partner;

5 (e) A grandparent;

6 (f) A grandchild; or

7 (g) A sibling.

8 (3) An employer may not adopt or enforce any policy that counts  
9 the use of paid sick leave time as an absence that may lead to or  
10 result in discipline against the employee.

11 (4) An employer may not discriminate or retaliate against an  
12 employee for his or her exercise of any rights under this chapter  
13 including the use of paid sick leave.

14 (5)(a) The definitions in this subsection apply to this  
15 subsection:

16 (i) "Average hourly compensation" means a driver's compensation  
17 during passenger platform time from, or facilitated by, the  
18 transportation network company, during the 365 days immediately prior  
19 to the day that paid sick time is used, divided by the total hours of  
20 passenger platform time worked by the driver on that transportation  
21 network company's driver platform during that period. "Average hourly  
22 compensation" does not include tips.

23 (ii) "Driver," "driver platform," "passenger platform time," and  
24 "transportation network company" have the meanings provided in RCW  
25 49.46.300.

26 (iii) "Earned paid sick time" is the time provided by a  
27 transportation network company to a driver as calculated under this  
28 subsection. For each hour of earned paid sick time used by a driver,  
29 the transportation network company shall compensate the driver at a  
30 rate equal to the driver's average hourly compensation.

31 (iv) For purposes of drivers, "family member" means any of the  
32 following:

33 (A) A child, including a biological, adopted, or foster child,  
34 stepchild, or a child to whom the driver stands in loco parentis, is  
35 a legal guardian, or is a de facto parent, regardless of age or  
36 dependency status;

37 (B) A biological, adoptive, de facto, or foster parent,  
38 stepparent, or legal guardian of a driver or the driver's spouse or  
39 registered domestic partner, or a person who stood in loco parentis  
40 when the driver was a minor child;

- 1 (C) A spouse;
- 2 (D) A registered domestic partner;
- 3 (E) A grandparent;
- 4 (F) A grandchild; or
- 5 (G) A sibling.

6 (b) Beginning January 1, 2023, a transportation network company  
7 must provide to each driver operating on its driver platform  
8 compensation for earned paid sick time as required by this subsection  
9 and subject to the provisions of this subsection. A driver shall  
10 accrue one hour of earned paid sick time for every 40 hours of  
11 passenger platform time worked.

12 (c) A driver is entitled to use accrued earned paid sick time  
13 upon recording 90 hours of passenger platform time on the  
14 transportation network company's driver platform.

15 (d) For each hour of earned paid sick time used, a driver shall  
16 be paid the driver's average hourly compensation.

17 (e) A transportation network company shall establish an  
18 accessible system for drivers to request and use earned paid sick  
19 time. The system must be available to drivers via smartphone  
20 application and online web portal.

21 (f) A driver may carry over up to 40 hours of unused earned paid  
22 sick time to the next calendar year. If a driver carries over unused  
23 earned paid sick time to the following year, accrual of earned paid  
24 sick time in the subsequent year must be in addition to the hours  
25 accrued in the previous year and carried over.

26 (g) A driver is entitled to use accrued earned paid sick time if  
27 the driver has used the transportation network company's platform as  
28 a driver within 90 calendar days preceding the driver's request to  
29 use earned paid sick time.

30 (h) A driver is entitled to use earned paid sick time for the  
31 following reasons:

32 (i) An absence resulting from the driver's mental or physical  
33 illness, injury, or health condition; to accommodate the driver's  
34 need for medical diagnosis, care, or treatment of a mental or  
35 physical illness, injury, or health condition; or an employee's need  
36 for preventive medical care;

37 (ii) To allow the driver to provide care for a family member with  
38 a mental or physical illness, injury, or health condition; care of a  
39 family member who needs medical diagnosis, care, or treatment of a

1 mental or physical illness, injury, or health condition; or care for  
2 a family member who needs preventive medical care;

3 (iii) When the driver's child's school or place of care has been  
4 closed by order of a public official for any health-related reason;

5 (iv) For absences for which an employee would be entitled for  
6 leave under RCW 49.76.030; and

7 (v) During a deactivation or other status that prevents the  
8 driver from performing network services on the transportation network  
9 company's platform, unless the deactivation or status is due to a  
10 verified allegation of sexual assault or physical assault perpetrated  
11 by the driver.

12 (i) If a driver does not record any passenger platform time in a  
13 transportation network company's driver platform for 365 or more  
14 consecutive days, any unused earned paid sick time accrued up to that  
15 point with that transportation network company is no longer valid or  
16 recognized.

17 (j) Drivers may use accrued days of earned paid sick time in  
18 increments of a minimum of four or more hours. Drivers are entitled  
19 to request four or more hours of earned paid sick time for immediate  
20 use, including consecutive days of use. Drivers are not entitled to  
21 use more than eight hours of earned paid sick time within a single  
22 calendar day.

23 (k) A transportation network company shall compensate a driver  
24 for requested hours or days of earned paid sick time no later than 14  
25 calendar days or the next regularly scheduled date of compensation  
26 following the requested hours or days of earned paid sick time.

27 (l) A transportation network company shall not request or require  
28 reasonable verification of a driver's qualifying illness except as  
29 would be permitted to be requested of an employee under subsection  
30 (1)(g) of this section. If a transportation network company requires  
31 verification pursuant to this subsection, the transportation network  
32 company must compensate the driver for the requested hours or days of  
33 earned paid sick time no later than the driver's next regularly  
34 scheduled date of compensation after satisfactory verification is  
35 provided.

36 (m) If a driver accepts an offer of prearranged services for  
37 compensation from a transportation network company during the four-  
38 hour period or periods for which the driver requested earned paid  
39 sick time, a transportation network company may determine that the  
40 driver did not use earned paid sick time for an authorized purpose.

1 (n) A transportation network company shall provide each driver  
2 with:

3 (i) Written notification of the current rate of average hourly  
4 compensation while a passenger is in the vehicle during the most  
5 recent calendar month for use of earned paid sick time;

6 (ii) An updated amount of accrued earned paid sick time since the  
7 last notification;

8 (iii) Reduced earned paid sick time since the last notification;

9 (iv) Any unused earned paid sick time available for use; and

10 (v) Any amount that the transportation network company may  
11 subtract from the driver's compensation for earned paid sick time.  
12 The transportation network company shall provide this information to  
13 the driver no less than monthly. The transportation network company  
14 may choose a reasonable system for providing this notification,  
15 including but not limited to: A pay stub; a weekly summary of  
16 compensation information; or an online system where drivers can  
17 access their own earned paid sick time information. A transportation  
18 network company is not required to provide this information to a  
19 driver if the driver has not worked any days since the last  
20 notification.

21 (o) A transportation network company may not adopt or enforce any  
22 policy that counts the use of earned paid sick time as an absence  
23 that may lead to or result in any action that adversely affects the  
24 driver's use of the transportation network.

25 (p) A transportation network company may not take any action  
26 against a driver that adversely affects the driver's use of the  
27 transportation network due to his or her exercise of any rights under  
28 this subsection including the use of earned paid sick time.

29 (q) The department may adopt rules to implement this subsection.
