25 authority may allow school districts and educational service
26 districts enrolled on a tiered rate structure prior to September 1,
27 2002, and until January 1, 2020, to continue participation based on
28 the same rate structure and under the same conditions and eligibility
29 criteria.))~~

30 (5) The authority shall transmit a recommendation for the amount
31 of the employer contributions to the governor and the director of
32 financial management for inclusion in the proposed budgets submitted
33 to the legislature.

34 **Sec. 5.** RCW 41.05.740 and 2018 c 260 s 1 are each amended to
35 read as follows:

36 (1) The school employees' benefits board is created within the
37 authority. The function of the school employees' benefits board is to
38 design and approve insurance benefit plans for school employees and

1 to establish eligibility criteria for participation in insurance
2 benefit plans.

3 (2) By September 30, 2017, the governor shall appoint the
4 following voting members to the school employees' benefits board as
5 follows:

6 (a) Two members from associations representing certificated
7 employees;

8 (b) Two members from associations representing classified
9 employees;

10 (c) Four members with expertise in employee health benefits
11 policy and administration, one of which is nominated by an
12 association representing school business officials; and

13 (d) The director of the authority or his or her designee.

14 (3) Initial members of the school employees' benefits board shall
15 serve staggered terms not to exceed four years. Members appointed
16 thereafter shall serve two-year terms.

17 (4) Compensation and reimbursement related to school employees'
18 benefits board member service are as follows:

19 (a) Members of the school employees' benefits board must be
20 compensated in accordance with RCW 43.03.250 and must be reimbursed
21 for their travel expenses while on official business in accordance
22 with RCW 43.03.050 and 43.03.060.

23 (b) While school employees' benefits board members are carrying
24 out their powers and duties under this chapter (~~(41.05-RCW)~~), if the
25 service of any certificated or classified employee results in a need
26 for a school employees' benefits board organization to employ a
27 substitute for such certificated or classified employee during such
28 service, payment for such a substitute may be made by the authority
29 from funds appropriated by the legislature for the school employees'
30 benefits board program. If such substitute is paid by the authority,
31 no deduction shall be made from the salary of the certificated or
32 classified employee. In no event shall a school employees' benefits
33 board organization deduct from the salary of a certificated or
34 classified employee serving on the school employees' benefits board
35 more than the amount paid the substitute employed by the school
36 employees' benefits board organization.

37 (5) The director of the authority or his or her designee shall be
38 the chair and another member shall be selected by the school
39 employees' benefits board as vice chair. The chair shall conduct
40 meetings of the school employees' benefits board. The vice chair

1 shall preside over meetings in the absence of the chair. The school
2 employees' benefits board shall develop bylaws for the conduct of its
3 business.

4 (6) The school employees' benefits board shall:

5 (a) Study all matters connected with the provision of health care
6 coverage, life insurance, liability insurance, accidental death and
7 dismemberment, and disability insurance, or any of, or combination
8 of, the enumerated types of insurance for eligible school employees
9 and their dependents on the best basis possible with relation both to
10 the welfare of the school employees and the state. However, liability
11 insurance should not be made available to dependents;

12 (b) Develop school employee benefit plans that include
13 comprehensive, evidence-based health care benefits for school
14 employees. In developing these plans, the school employees' benefits
15 board shall consider the following elements:

16 (i) Methods of maximizing cost containment while ensuring access
17 to quality health care;

18 (ii) Development of provider arrangements that encourage cost
19 containment and ensure access to quality care including, but not
20 limited to, prepaid delivery systems and prospective payment methods;

21 (iii) Wellness, preventive care, chronic disease management, and
22 other incentives that focus on proven strategies;

23 (iv) Utilization review procedures to support cost-effective
24 benefits delivery;

25 (v) Ways to leverage efficient purchasing by coordinating with
26 the public employees' benefits board;

27 (vi) Effective coordination of benefits; and

28 (vii) Minimum standards for insuring entities;

29 (c) Authorize premium contributions for a school employee and the
30 employee's dependents in a manner that encourages the use of cost-
31 efficient health care systems. For participating school employees,
32 the required school employee share of the cost for family coverage
33 premiums may not exceed three times the premiums for a school
34 employee purchasing single coverage for the same coverage plan;

35 (d) Determine the terms and conditions of school employee and
36 dependent eligibility criteria, enrollment policies, and scope of
37 coverage. Employer groups obtaining benefits through contractual
38 agreement with the authority for employees defined in RCW
39 41.05.011(6) (a) (i) through (vi) may contractually agree with the
40 authority to benefits eligibility criteria which differs from that

1 determined by the public employees' benefits board. At a minimum, the
2 eligibility criteria established by the school employees' benefits
3 board shall address the following:

4 (i) The effective date of coverage following hire;

5 (ii) The benefits eligibility criteria, but the school employees'
6 benefits board's criteria shall be no more restrictive than requiring
7 that a school employee be anticipated to work at least six hundred
8 thirty hours per school year to be benefits eligible; and

9 (iii) Coverage for dependents, including criteria for legal
10 spouses; children up to age twenty-six; children of any age with
11 disabilities, mental illness, or intellectual or other developmental
12 disabilities; and state registered domestic partners, as defined in
13 RCW 26.60.020, and others authorized by the legislature;

14 (e) Establish terms and conditions for a school employees'
15 benefits board organization to have the ability to locally negotiate
16 eligibility criteria for a school employee who is anticipated to work
17 less than six hundred thirty hours in a school year. A school
18 employees' benefits board organization that elects to use a lower
19 threshold of hours for benefits eligibility must use benefits
20 authorized by the school employees' benefits board and shall do so as
21 an enrichment to the state's definition of basic education;

22 (f) Establish penalties to be imposed when a school employees'
23 benefits board organization fails to comply with established
24 participation criteria; and

25 (g) Participate with the authority in the preparation of

28 accordance with the criteria set forth in rules. To the extent
29 possible, the school employees' benefits board shall leverage
30 efficient purchasing by coordinating with the public employees'
31 benefits board.

32 (7) School employees shall choose participation in one of the
33 health care benefit plans developed by the school employees' benefits
34 board. Individual school employees eligible for benefits under
35 subsection (6)(d) of this section may be permitted to waive coverage
36 under terms and conditions established by the school employees'
37 benefits board.

38 (8) By November 30, 2021, the authority shall review the benefit
39 plans provided through the school employees' benefits board, complete
40 an analysis of the benefits provided and the administration of the

1 benefits plans, and determine whether provisions in chapter 13, Laws
2 of 2017 3rd sp. sess. have resulted in cost savings to the state. The
3 authority shall submit a report to the relevant legislative policy
4 and fiscal committees summarizing the results of the review and
5 analysis.
