36 deposited into the account. During the 2024 state fiscal year,
37 \$1,350,000 must be transferred from the general fund into this
38 account. Expenditures from the account may be used only for the

4 for these purposes, the Washington horse racing commission must give
5 first consideration to uses that regulate and assist the nonprofit
6 race meets and equine health research. These expenditures may occur
7 only when sufficient funds remain for the continued operations of the
8 horse racing commission after the payment of the horseracing
9 integrity and safety authority gross assessment costs.

10 (4) By December 1, 2024, and annually thereafter, the commission
11 must report to the appropriate committees of the legislature on the
12 use of grant funds and criteria used to determine grant awards
13 established in subsection (3) of this section and uses of funds
14 distributed to the commission for operating expenses.
