AN ACT Relating to supporting youth and young adults seeking protected health care services; amending RCW 13.32A.082 and 74.15.020; and creating a new section.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The legislature finds that unsheltered homelessness for youth poses a serious threat to their health and safety. The Trevor project has found that one in three transgender youth report attempting suicide. Homelessness amongst transgender youth can further endanger an already at-risk population. The legislature further finds that barriers to accessing shelter can place a chilling effect on exiting unsheltered homelessness and therefore create additional risk and dangers for youth. Youth seeking certain medical services are especially at risk and vulnerable. Therefore, the legislature intends to remove barriers to accessing temporary, licensed shelter accommodations for youth seeking certain protected health care services.

Sec. 2. RCW 13.32A.082 and 2013 c 4 s 2 are each amended to read as follows:

(1)(a) Except as provided in (b) of this subsection, any person, unlicensed youth shelter, or runaway and homeless youth program that,
without legal authorization, provides shelter to a minor and that knows at the time of providing the shelter that the minor is away from a lawfully prescribed residence or home without parental permission, shall promptly report the location of the child to the parent, the law enforcement agency of the jurisdiction in which the person lives, or the department.

(b)(i) If a licensed overnight youth shelter, or another licensed organization with a stated mission to provide services to homeless or runaway youth and their families, shelters a child and knows at the time of providing the shelter that the child is away from a lawfully prescribed residence or home without parental permission, it must contact the youth's parent within seventy-two hours, but preferably within twenty-four hours, following the time that the youth is admitted to the shelter or other licensed organization's program. The notification must include the whereabouts of the youth, a description of the youth's physical and emotional condition, and the circumstances surrounding the youth's contact with the shelter or organization. If there are compelling reasons not to notify the parent, the shelter or organization must instead notify the department.

(ii) At least once every eight hours after learning that a youth receiving services or shelter under this section is away from home without permission, the shelter or organization staff must consult the information that the Washington state patrol makes publicly available under RCW 43.43.510(2). If the youth is publicly listed as missing, the shelter or organization must immediately notify the department of its contact with the youth listed as missing. The notification must include a description of the minor's physical and emotional condition and the circumstances surrounding the youth's contact with the shelter or organization.

(c) Reports required under this section may be made by telephone or any other reasonable means.

(d) "Protected health care services" means gender affirming treatment as defined in RCW 74.09.675 and reproductive health care services as defined in RCW 74.09.875.

(4) Nothing in this section prohibits any person, unlicensed youth shelter, or runaway and homeless youth program from immediately reporting the identity and location of any minor who is away from a lawfully prescribed residence or home without parental permission more promptly than required under this section.

(5) Nothing in this section limits a person's duty to report child abuse or neglect as required by RCW 26.44.030 or removes the requirement that the law enforcement agency of the jurisdiction in which the person lives be notified.
