By Senate Ways & Means (originally sponsored by Senators C. Wilson, Frame, Billig, Dhingra, Hasegawa, Hunt, Kuderer, Liias, Lovelett, Lovick, Nguyen, Nobles, Stanford, Trudeau, and Valdez)

READ FIRST TIME 02/05/24.

- 1 AN ACT Relating to the provision of extended foster care services
- 2 to youth ages 18 to 21; amending RCW 13.34.267, 74.13.031, and
- 3 74.13.336; reenacting and amending RCW 13.34.030 and 74.13.020; and
- 4 creating a new section.
- 5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- 6 <u>NEW SECTION.</u> **Sec. 1.** The legislature recognizes that the 7 extended foster care program strives to help hundreds of young 8 Washingtonians in foster care prepare for adulthood and to prevent
- 9 them from experiencing homelessness.
- 10 The legislature finds that extended foster care can reduce
- 11 homelessness, receipt of public assistance, use of medical emergency
- 12 departments, diagnosis of substance abuse and treatment, criminal
- 13 convictions, and involvement of children in the child welfare system.
- 14 An analysis from the department of social and health services found
- 15 that, at age 18, 41 percent of youth exiting the foster care system
- 16 experienced homelessness or housing instability compared to 23
- 17 percent of youth in extended foster care.
- 18 The legislature finds that the Washington state institute for
- 19 public policy's benefit-cost analysis found that the extended foster
- 20 care program produces \$3.95 of lifetime benefits for each \$1
- 21 invested. Furthermore, of the total benefits, 40 percent represents

p. 1 E2SSB 5908

savings and revenue that would accrue to state, local, and federal governments.

However, the legislature recognizes that young people in foster care still experience barriers to accessing the program: In 2022, 27 percent of young people leaving foster care did not participate in extended foster care. The legislature intends to improve outcomes for youth in the foster care system by improving access to the foster care program.

Therefore, the legislature resolves to reduce barriers that young people currently experience when seeking to participate in extended foster care and to make the transition from foster care to extended foster care as seamless as possible, such that all dependent youth are aware of the program when they turn 18 and all youth who want to participate are able to participate.

**Sec. 2.** RCW 13.34.030 and 2021 c 304 s 1 and 2021 c 67 s 2 are each reenacted and amended to read as follows:

- (5) The department shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.
- (6) The department shall monitor placements of children in outof-home care and in-home dependencies to assure the safety, wellbeing, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department is encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(7) The department shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care

Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

- (8) The department may accept custody of children from parents through a voluntary placement agreement to provide child welfare services. The department may place children with a relative, a suitable person, or a licensed foster home under a voluntary placement agreement. In seeking a placement for a voluntary placement agreement, the department should consider the preferences of the parents and attempt to place with relatives or suitable persons over licensed foster care.
- (9) The department shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.
- 17 (10) The department shall have authority to purchase care for 18 children.
  - (11) The department shall establish a children's services advisory committee which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.
  - (12)(a) The department shall provide continued extended foster care services to ((nonminor dependents)) eligible youth who ((are)) request extended foster care. The department shall develop policies and procedures to ensure that dependent youth aged 15 and older are informed of the extended foster care program.
- 31 <u>(b) The department shall pursue federal reimbursement, where</u> 32 <u>appropriate, when a youth is:</u>
  - (i) Enrolled in a secondary education program or a secondary education equivalency program;
  - (ii) Enrolled and participating in a postsecondary academic or postsecondary vocational education program;
- 37 (iii) Participating in a program or activity designed to promote 38 employment or remove barriers to employment;

(((c))) (d) The department shall ((develop and implement rules regarding youth eligibility requirements)) not create additional eligibility requirements for extended foster care. The department shall develop and implement rules and policies designed to provide age-appropriate social work support for youth in extended foster care through a codesign process that includes those with lived experience in the foster care system.

((\(\frac{(d)}{)}\)) (e) The department shall make efforts to ensure that extended foster care services maximize medicaid reimbursements. This must include the department ensuring that health and mental health extended foster care providers participate in medicaid, unless the condition of the extended foster care youth requires specialty care that is not available among participating medicaid providers or there are no participating medicaid providers in the area. The department shall coordinate other services to maximize federal resources and the most cost-efficient delivery of services to extended foster care youth.

 $((\frac{(e)}{(e)}))$  (f) The department shall allow  $(\frac{(a)}{(a)})$  eligible youth  $(\frac{(who)}{(who)})$  has received extended foster care services, but lost his or her eligibility,)) to reenter the extended foster care program an unlimited number of times through a voluntary placement agreement  $(\frac{(whon ho or she meets the eligibility criteria again}))$ .

who is not in a licensed foster care placement is eligible for a monthly supervised independent living subsidy effective the date the youth signs the voluntary placement agreement, agrees to dependency, or informs their social worker that they are living independently, whichever occurs first.

- (h) The department shall pursue federal reimbursement, where appropriate, when a youth is residing in an approved supervised independent living setting. If the youth is not residing in an approved supervised independent living setting, the department is to work with the youth to help identify an appropriate living arrangement until the youth is living in a safe location approved by the department or the court. During this time, the department shall continue to pay the monthly supervised independent living subsidy.
- (13) The department shall have authority to provide adoption support benefits on behalf of youth ages 18 to 21 years who achieved permanency through adoption at age 16 or older and who ((meet the criteria described in subsection (12) of this section)) are:

- (b) Enrolled and participating in a postsecondary academic or postsecondary vocational education program;
- (c) Participating in a program or activity designed to promote employment or remove barriers to employment;
  - (d) Engaged in employment for 80 hours or more per month; or
- (e) Not able to engage in any of the activities described in (a) through (d) of this subsection due to a documented medical condition.
- (14) The department shall have the authority to provide guardianship subsidies on behalf of youth ages 18 to 21 who achieved permanency through guardianship and who meet the criteria described in subsection (12) of this section.
- (15) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age ((eighteen)) 18 through ((twenty)) 20 shall not be referred to the division of child support unless required by federal law.

The purchase of such care is exempt from the requirements of chapter 74.13B RCW and may be purchased from the federally recognized Indian tribe or tribally licensed child-placing agency, and shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200, 43.185C.295, 74.13.035, and 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (9) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

- (17) The department may, within funds appropriated for guardianship subsidies, provide subsidies for eligible guardians who are appointed as guardian of an Indian child by the tribal court of a federally recognized tribe located in Washington state, as defined in RCW 13.38.040. The provision of subsidies shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department provides subsidies. To be eligible, the guardian must either be certified by a department-licensed child-placing agency or licensed by a federally recognized tribe located in Washington state that is a Title IV-E agency, as defined in 45 C.F.R. 1355.20.
- (18) Within amounts appropriated for this specific purpose, the department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

Consultation shall occur at the regional and statewide levels.
- 8 (21)(a) The department shall, within current funding levels, 9 place on its public website a document listing the duties and 10 responsibilities the department has to a child subject to a 11 dependency petition including, but not limited to, the following:

- 17 (iv) Statutory preference for placement with a relative or other 18 suitable person, if appropriate; and
  - (v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.
- 22 (b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.
  - (22) (a) The department shall have the authority to purchase legal representation for parents or kinship caregivers, or both, of children who are at risk of being dependent, or who are dependent, to establish or modify a parenting plan under RCW 13.34.155 or chapter 26.09, 26.26A, or 26.26B RCW or secure orders establishing other relevant civil legal relationships authorized by law, when it is necessary for the child's safety, permanence, or well-being. The department's purchase of legal representation for kinship caregivers must be within the department's appropriations. This subsection does not create an entitlement to legal representation purchased by the department and does not create judicial authority to order the department to purchase legal representation for a parent or kinship caregiver. Such determinations are solely within the department's discretion. The term "kinship caregiver" as used in this section means a caregiver who meets the definition of "kin" in RCW 74.13.600(1), unless the child is an Indian child as defined in RCW 13.38.040 and 25 U.S.C. Sec. 1903. For an Indian child as defined in

p. 19 E2SSB 5908

1 RCW 13.38.040 and 25 U.S.C. Sec. 1903, the term "kinship caregiver" 2 as used in this section means a caregiver who is an "extended family member" as defined in RCW 13.38.040(8).

- (b) The department is encouraged to work with the office of public defense parent representation program and the office of civil legal aid to develop a cost-effective system for providing effective civil legal representation for parents and kinship caregivers if it exercises its authority under this subsection.
- **Sec. 6.** RCW 74.13.336 and 2018 c 34 s 4 are each amended to read 10 as follows:
  - (1) A youth who has reached age ((eighteen)) 18 years may request extended foster care services authorized under RCW 74.13.031 at any time before he or she reaches the age of ((twenty-one)) 21 years if:
  - (a) The dependency proceeding of the youth was dismissed pursuant to RCW  $13.34.267((\frac{4}{1}))$  (5) at the time that he or she reached age  $(\frac{18}{1})$  years; or
  - (b) The court, after holding the dependency case open pursuant to RCW 13.34.267(1), has dismissed the case because the youth became ineligible for extended foster care services.
  - (2)(a) Upon a request for extended foster care services by a youth pursuant to subsection (1) of this section, a determination that the youth is eligible for extended foster care services, and the completion of a voluntary placement agreement, the department shall provide extended foster care services to the youth.
  - (b) In order to continue receiving extended foster care services after entering into a voluntary placement agreement with the department, the youth must agree to the entry of an order of dependency within ((one hundred eighty)) 180 days of the date that the youth is placed in extended foster care pursuant to a voluntary placement agreement.
  - (3) A youth may enter into a voluntary placement agreement for extended foster care services. A youth ((may transition among the eligibility categories identified in RCW 74.13.031 while under the same voluntary placement agreement, provided that the youth remains eligible for extended foster care services during the transition)) becomes eligible for extended foster care services as of the date the youth either signs an extended foster care agreement or voluntary placement agreement or turns 18, whichever occurs later. A youth who is not in a licensed foster care placement upon signing an extended

foster care agreement or voluntary placement agreement, and who has turned 18 years old, shall receive their first supervised independent living subsidy within one month.

- (4) The department shall develop a program to make incentive payments to youth in extended foster care who participate in qualifying activities described in RCW 74.13.031(12)(b) (i) through (v). This program design must include stakeholder engagement from impacted communities. Subject to appropriations for this specific purpose, the department shall make incentive payments to qualifying youth in addition to the supervised independent living subsidy, beginning by July 1, 2025.
- (5) "Voluntary placement agreement," for the purposes of this section, means a written voluntary agreement between a ((nonminor dependent)) youth who agrees to submit to the care and authority of the department for the purposes of participating in the extended foster care program. A youth may sign a voluntary placement agreement or an agreement to participate in extended foster care anytime within six months of the youth's 18th birthday, in which case the agreement will take effect on the youth's 18th birthday. A youth may sign a voluntary placement agreement or agreement to participate in extended foster care at any time after turning 18. The youth may withdraw his or her consent to participate, at any time, including prior to their 18th birthday. A voluntary placement agreement may be signed by a dependent child or eligible youth over the age of 18 electronically.
