**PART I**

**WASHINGTON SAVES**

12            NEW SECTION.    **Sec. 1.**    ESTABLISHMENT. (1) Washington saves is  
13 established to serve as a vehicle through which covered employees  
14 may, on a voluntary basis, provide for additional retirement security  
15 through a state-facilitated retirement savings program in a  
16 convenient, cost-effective, and portable manner.

17            (2) Washington saves is intended as a public-private partnership  
18 that will encourage, not replace or compete with, employer-sponsored  
19 retirement plans.

1 (3) Washington saves must be designed in consultation with  
2 covered employers and covered employees to ensure that the businesses  
3 and workers intended to benefit from the program are provided ample  
4 opportunity to learn about and give input on the program design and  
5 timeline for implementation before the program is made publicly  
6 available.

35 NEW SECTION. **Sec. 3.** GENERAL PROVISIONS. (1) The program:

36 (a) Allows covered employees to contribute to an IRA through  
37 automatic payroll deductions or additional retirement savings  
38 vehicles;

1 (b) Requires covered employers to fulfill the requirements  
2 provided in subsection (3) of this section;

3 (c) Facilitates automatic enrollment for covered employees and  
4 allows for covered employees to opt out of the plan at any time;

5 (d) Has a default contribution rate, set by the governing board  
6 by rule. The default contribution rate may not be less than three  
7 percent or more than seven percent of wages; and

8 (e) Has a default escalation rate, set by the governing board by  
9 rule. The default escalation rate may not exceed one percent per  
10 year. The maximum contribution rate based on the default escalation  
11 rate may not exceed 10 percent of wages.

12 (2)(a) Covered employees, who do not opt out of the program, are  
13 automatically enrolled in the program at the default rate or at an  
14 amount expressly specified by the employee in connection with the  
15 payroll deduction IRA agreement. Individual participants may modify  
16 their contribution rates or amounts or terminate their participation  
17 in the program at any time, subject to procedure defined by rule by  
18 the governing board. All contribution amounts are subject to the  
19 dollar limits on contributions provided by federal law.

20 (b) Contributions must be invested in the default investment  
21 option unless the individual participant affirmatively elects to  
22 invest some or all balances in one or more approved investment  
23 options offered by the program. An individual participant must have  
24 the opportunity to change investments for either future contributions  
25 or existing balances, or both, subject to requirements defined by  
26 rule by the governing board.

27 (c) Individual accounts are portable. A former individual  
28 participant who is either unemployed, or is employed by a noncovered  
29 employer, must be permitted to contribute to their individual  
30 account.

31 (d) An individual participant's and former individual  
32 participant's ability to withdraw, roll over, or transfer account  
33 balances is subject to, and liable for, all fees, penalties, and  
34 taxes under applicable law.

35 (e) An individual participant's or former individual  
36 participant's ability to receive distributions of contributions and  
37 earnings is subject to applicable law.

38 (3)(a) Each covered employer must facilitate the opportunity for  
39 covered employees to participate in the program by fulfilling the

1 following administrative duties, as defined by rule by the governing  
2 board:

3 (i) Register with the program and provide the program  
4 administrator relevant information about covered employees;

5 (ii) (A) Assist the program by offering all covered employees the  
6 choice to either participate by voluntarily contributing to an IRA or  
7 opt out; or

8 (B) Automatically enroll covered employees in a qualified  
9 retirement plan offered by a trade association or chamber of commerce  
10 and permit covered employees to opt out;

11 (iii) Timely remit participant contributions; and

12 (iv) Distribute program information and disclosures to covered  
13 employees, as provided in section 4(14) of this act.

14 (b) The employers' role in the program is solely ministerial. In  
15 accordance with federal law, employers are prohibited from  
16 contributing funds to the IRAs through the program.

17 (c) Employers are not fiduciaries with respect to, or are liable  
18 for, the program, related information, educational materials, or  
19 forms or disclosures approved by the governing board, or the  
20 selection or performance of vendors selected by the governing board.  
21 An employer is not responsible for or obligated to monitor a covered  
22 employee's or individual participant's decision to participate in or  
23 opt out of the program, for contribution decisions, investment  
24 decisions, or failure to comply with the statutory eligibility  
25 conditions or limits on IRA contributions. An employer does not  
26 guarantee any investment, rate of return, or interest on assets in  
27 any individual participant account or the administrative account or  
28 is liable for any market losses, failure to realize gains, or any  
29 other adverse consequences, including the loss of favorable tax  
30 treatment or public assistance benefits, incurred by any person as a  
31 result of participating in the program. Nothing in this section  
32 relieves an employer from liability for criminal, fraudulent,  
33 tortious, or otherwise actionable conduct including liability related  
34 to the failure to remit employee contributions.

35 (4) (a) The governing board must determine the type or types of  
36 IRA accounts available under the program.

37 (b) An individual participant's contributions and earnings may be  
38 combined for investment and custodial purposes only. Separate records  
39 and accounting are required for individual accounts. Reports on the  
40 status of individual accounts must be provided to each individual

1 participant at least annually. Individual participants must have  
2 online access to their accounts.

3 (c) Any moneys placed in these accounts may not be counted as  
4 assets for the purposes of state or local means-tested program  
5 eligibility or levels of state means-tested program eligibility.

6 NEW SECTION. **Sec. 4.** GOVERNING BOARD—RESPONSIBILITIES. (1) The  
7 governing board shall design and administer the program for the  
8 exclusive benefit of individual participants and beneficiaries with  
9 the care and skill of a knowledgeable, prudent individual.

10 (2) The governing board is comprised of 15 members as follows:

11 (a) The president of the senate shall appoint one member from  
12 each of the two largest caucuses of the senate;

14 member from each of the two largest caucuses of the house of  
15 representatives;

16 (c) The state treasurer;

31 coalition;

33 (viii) One member representing covered employees; and

34 (ix) One member representing covered employers.

35 (3) (a) The legislative member from the majority caucus of the  
36 house of representatives shall convene the initial meeting of the  
37 governing board. The governing board shall choose cochairs selected  
38 from the legislative membership for the design stage of the program  
39 until July 1, 2027. The governing board shall provide recommendations

1 in the legislative report about who should be the chair of the  
2 governing board once the program is operational after July 1, 2027.

3 (b) After July 1, 2027, the legislative members of the governing  
4 board serve in an ex officio, advisory role to the governing board.

5 (4) Members who are appointed by the governor serve three-year  
6 terms and may be appointed for a second three-year term at the  
7 discretion of the governor. Members who are appointed by the governor  
8 may serve up to two terms over the course of their lifetime. The  
9 governor may stagger the terms of the appointed members.

10 (5) The governing board may appoint work groups to support the  
11 design and administration of the program. Work groups do not serve a  
12 voting function on the governing board and may include individuals  
13 who are not members of the governing board. Any work group  
14 established by the governing board is a class one group under RCW  
15 43.03.220. Work group members receive compensation accordingly.

16 (6) Other state agencies must provide appropriate and reasonable  
17 assistance to the program as needed, including gathering data and  
18 information, in order for the governing board to carry out the  
19 purposes of this chapter. The governing board may reimburse the other  
20 state agencies from the administrative account for reasonable  
21 expenses incurred in providing appropriate and reasonable assistance.

22 (7) (a) The governing board must begin meeting in 2025.

23 (b) The governing board may conduct meetings remotely by  
24 teleconference or videoconference, including to obtain a quorum and  
25 to take votes on any measure.

26 (c) Each voting governing board member has one vote. The powers  
27 of the governing board must be exercised by a majority of all voting  
28 members present at the meeting of the governing board, whether in  
29 person or remotely. A quorum is required to convene a meeting of the  
30 governing board and to act on any measure before the governing board.

31 (8) The governing board shall establish, design, develop,  
32 implement, maintain, and oversee the program in accordance with this  
33 chapter and best practices for retirement saving vehicles.

34 (9) Staff support for the governing board shall be provided by:

35 (a) The department of financial institutions, until no later than  
36 June 30, 2027. The department of financial institutions may contract  
37 with a third-party entity to provide assistance or expertise during  
38 the program outreach and education, design, and implementation stage  
39 if approved by the governing board; and

1 (b) The administrative agency, beginning no later than July 1,  
2 2027.

3 (10) The governing board shall conduct an outreach and education  
4 initiative regarding the design and implementation of the program.  
5 The governing board shall consult, educate, and receive feedback from  
6 covered employers and covered employees regarding the program design  
7 and implementation. The outreach and education initiative must ensure  
8 that diverse employer and employee communities are consulted, that  
9 interpreters are provided, and that written documents and materials  
10 are translated. In order to facilitate accessibility for diverse  
11 affected businesses and employees, the governing board shall work  
12 with the various state commissions to develop culturally and  
13 linguistically responsive outreach and education plans.

14 (11) Regarding investments, the governing board:

15 (a) Has the sole responsibility for contracting with outside  
16 firms to provide investment management for the program funds and  
17 manage the performance of investment managers under those contracts;

18 (b) Must adopt an investment policy statement and ensure that the  
19 investment options offered, including default investment options, are  
20 consistent with the objectives of the program. The menu of investment  
21 options may encompass a range of risk and return opportunities and  
22 must take the following into account:

23 (i) The nature and objectives of the program;

24 (ii) The diverse needs of individual participants;

25 (iii) The desirability of limiting investment choices under the  
26 program to a reasonable number; and

27 (iv) The extensive investment choices available to participants  
28 outside of the program.

29 (12) Regarding the design of the program, the governing board  
30 must:

31 (a) Ensure the program is designed and operated in a manner that  
32 will not cause it to be subject to or preempted by the federal  
33 employment retirement income security act of 1974, as amended, and  
34 that any employer that is not a covered employer shall have no  
35 reporting or registration obligation or requirement to take any  
36 action under the program other than to claim an exemption from  
37 coverage by the program;

38 (b) Design and operate the program to:

39 (i) Minimize costs to individual participants, covered employers,  
40 and the state;

1 (ii) Minimize the risk that covered employees will exceed  
2 applicable annual contribution limits;

3 (iii) Facilitate and encourage employee participation in the  
4 program and participant saving;

5 (iv) Maximize simplicity, including ease of administration for  
6 covered employers and ease of use for individual participants;

7 (v) Provide a simple process for covered employees to opt out of  
8 the program at any time or modify their payroll deductions;

9 (vi) Maximize portability of individual accounts;

10 (vii) Maximize financial security in retirement; and

11 (viii) Maximize the availability of funds to individual  
12 participants with a goal of having funds available within three  
13 business days following the remittance of payroll deductions by  
14 covered employers, if feasible;

15 (c) Design the program to be compliant with all applicable  
16 requirements under the internal revenue code, including requirements  
17 for favorable tax treatment of IRAs, and any other applicable law or  
18 regulation;

19 (d) Consult with the department of financial institutions, the  
20 department, the office of minority and women's business enterprises,  
21 and the office of the secretary of state to create a strategy to  
22 educate and inform covered employers about employer administrative  
23 duties under this chapter, including the development of culturally  
24 relevant and responsive approaches centered in cultural humility with  
25 outreach to employers that are considered socially vulnerable,  
26 historically marginalized, or face cultural or language barriers to  
27 participate in workplace retirement savings programs;

28 (e) Launch the program by July 1, 2027. The board may stagger  
29 implementation in stages after that date, which may include phasing  
30 in implementation based on the size of employers, or other factors.

31 (13) The governing board may adopt rules to govern the program,  
32 including to govern the following:

33 (a) Employee registration and enrollment process;

34 (b) Employee alternative election procedure including, but not  
35 limited to, the method in which a participating individual may opt  
36 out of participation at any time, change their contribution rate, opt  
37 out of auto-escalation, make nonpayroll contributions, and make  
38 withdrawals;

39 (c) Contribution limits, the initial automatic default  
40 contribution rate, and the automatic default escalation rate;

1 (d) Outreach, marketing, and educational initiatives or  
2 publication of online resources, encouragement of participation,  
3 retirement savings, and sound investment practices. Outreach,  
4 marketing, and educational initiatives must promote cultural humility  
5 and engage culturally relevant and responsive approaches while  
6 including special consideration for socially vulnerable communities  
7 historically, or are known to often be, excluded from, marginalized  
8 by, or face barriers to participation in workplace retirement savings  
9 programs; and

10 (e) A process in which individuals who are not covered employees  
11 may participate in the program, including unemployed individuals,  
12 self-employed individuals, and other independent contractors.

13 (14) The governing board shall develop:

14 (a) Information regarding the program;

15 (b) The following disclosures:

16 (i) A description of the benefits and risks associated with  
17 making contributions under the program;

18 (ii) Instructions about how to obtain additional information  
19 about the program;

20 (iii) A description of the tax consequences of an IRA, which may  
21 consist of or include the disclosure statement required to be  
22 distributed by the trustee under the internal revenue code and  
23 treasury regulations thereunder;

24 (iv) A statement that covered employees seeking financial advice  
25 should contact their own financial advisers, that covered employers  
26 are not in a position to provide financial advice, and that covered  
27 employers are not liable for decisions covered employees make under  
28 this chapter;

29 (v) A statement that the program is not an employer-sponsored  
30 retirement plan;

31 (vi) A statement that the covered employee's IRA established  
32 under the program is not guaranteed by the state;

33 (vii) A statement that the program is voluntary for covered  
34 employees, and a covered employee may opt out of the program at any  
35 time; and

36 (viii) A statement that neither a covered employer nor the state  
37 will monitor or has an obligation to monitor the covered employee's  
38 eligibility under the internal revenue code to make contributions to  
39 an IRA or to monitor whether the covered employee's contributions to  
40 the IRA established for the covered employee exceed the maximum

1 permissible IRA contribution; that it is the covered employee's  
2 responsibility to monitor such matters; and that the state, the  
3 program, and the covered employer have no liability with respect to  
4 any failure of the covered employee to be eligible to make IRA  
5 contributions or any contribution in excess of the maximum IRA  
6 contribution;

7 (c) Information, forms, and instructions to be furnished to  
8 covered employees, at such times as the governing board determines,  
9 that provide the covered employee with the procedures for:

10 (i) Making contributions to the covered employee's IRA  
11 established under the program, including a description of the  
12 automatic enrollment rate, the automatic escalation rate and  
13 frequency, the right to elect to make no contribution or to change  
14 the contribution rate under the program, and how to opt out of the  
15 program at any time;

16 (ii) Making an investment election with respect to the covered  
17 employee's IRA established under the program, including a description  
18 of the default investment fund; and

19 (iii) Making transfers, rollovers, withdrawals including  
20 instructions on how to access funds, and other distributions from the  
21 covered employee's IRA.

22 (15) The governing board must evaluate options to assist covered  
23 employees and employers to identify private sector providers of  
24 financial advice, to the extent feasible and unless prohibited by  
25 state or federal laws. The governing board must consider options  
26 including, but not limited to, a website established and maintained  
27 by the governing board.

28 (16) The governing board may create or enter into, on behalf of  
29 the program, a consortium, alliance, joint venture, partnership,  
30 compact, or contract with another state or states or their programs  
31 or boards.

32 (17) The governing board must collect administrative fees to  
33 defray the costs of administering the program. If the governing board  
34 creates or enters into a joint program agreement, as provided in  
35 subsection (16) of this section, the rate of the administrative fee  
36 for covered employees may not exceed the rate charged to covered  
37 employees of another state participating in the same program.

38 (18) The governing board, its members, and the administrative  
39 agency are not individually or collectively insurers of the funds or  
40 assets of the investment fund or individual accounts. Neither the

1 governing board nor the administrative agency is liable for the  
2 action or inaction of the other.

3 (19) The governing board, its members, and the administrative  
4 agency are not individually or collectively liable to the state, to  
5 the fund, or to any other person as a result of their activities as  
6 members or staff, whether ministerial or discretionary, except for  
7 willful dishonesty or intentional violation of law. The governing  
8 board, its members, and the administrative agency may purchase  
9 liability insurance.

10 (20) The governing board shall submit progress reports to the  
11 appropriate committees of the legislature, in accordance with RCW  
12 43.01.036.

13 (a) The first preliminary report is due December 1, 2025, and  
14 must include feedback to the legislature on the proposed timeline set  
15 forth under this chapter and progress on outreach initiatives and  
16 program implementation.

18 recommendations is due December 1, 2026, and must include the  
19 following:

21 the governing board to receive feedback on design elements and  
22 implementation for the program, including:

23 (A) Types of outreach conducted;

24 (B) Specific calendar dates and time frames in which outreach  
25 occurred;

26 (C) Covered employers and covered employees who were contacted;

28 program structure;

37 including who should chair the governing board and what entity should  
38 serve as the administrative agency that provides staff support to the  
39 governing board once the program is established and operational. The  
40 governing board shall consider a potential new agency, an existing

1 state agency, or the office of a stand-alone statewide elected  
2 official for the administrative agency.

3 (c) Annual reports including program updates and program  
4 information must begin December 1, 2028, and include information on:

5 (i) Participation;

7 under section 3 of this act, the department shall investigate and  
8 otherwise enforce the complaint as an alleged violation of a wage  
9 payment requirement, as defined in RCW 49.48.082.

10        (2) During an investigation, if the department discovers  
11 information suggesting additional violations of impermissibly  
12 withheld amounts due to the employees related to the employer's  
13 obligations under section 3 of this act, the department may  
14 investigate and take appropriate enforcement action without any  
15 additional complaint. The department may also initiate an  
16 investigation on behalf of one or more employees for any such  
17 violation when the director otherwise has reason to believe that a  
18 violation has occurred or will occur.

19        (3) The department may conduct a consolidated investigation for  
20 any alleged withheld amounts due to the employees related to the  
21 employer's obligations under section 3 of this act when there are

3 otherwise provided in this section.

4 (a) If information provided to the administrative agency or the

16 administrative agency or the governing board under this section must

34 information and records deemed confidential under this chapter to a  
35 third party acting on behalf of an individual or employer that would  
36 otherwise be eligible to receive records under this section when the  
37 administrative agency or the governing board receives a signed  
38 release from the individual or employer. The release must include a  
39 statement:

1 (i) Specifically identifying the information that is to be  
2 disclosed;

3 (ii) The acknowledgment that state government files will be  
4 assessed to obtain that information;

32 organizations authorized to receive information from the  
33 administrative agency or the governing board under this chapter have

12 on December 1st of the current year exceeds the consumer price index  
13 for the prior 12-month period, and rounding the result to the nearest  
14 \$1,000. If an adjustment under this subsection (7)(c) would reduce  
15 the maximum civil penalty, the administrative agency must not adjust  
16 the maximum civil penalty for use in the following year. Other  
17 applicable sanctions under state and federal law also apply.

18 (d) Suit to enforce this section must be brought by the attorney  
19 general and the amount of any penalties collected must be paid into
