68th Legislature

2023 Regular Session

READ FIRST TIME 02/17/23.

1 AN ACT Relating to assigning the superintendent of public
2 instruction the responsibility for the delivery and oversight of
3 basic education services to justice-involved youth served through
4 institutional education programs in facilities that are not under the
5 jurisdiction of the department of social and health services;
6 amending RCW 28A.300.040; adding a new section to chapter 28A.300
7 RCW; adding a new section to chapter 28A.190 RCW; creating new
8 sections; and providing expiration dates.

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

10 NEW SECTION. **Sec. 1.** (1) The legislature finds that students
11 who are served through institutional education programs are
12 constitutionally entitled to full access to the state's statutory
13 program of basic education and its promise of an opportunity to
14 graduate with a meaningful diploma that prepares them for
15 postsecondary education, gainful employment, and citizenship.
16 Ensuring full access to a foundational education for these students
17 is unquestionably in the best interest of the youth, their families,
18 and society at large.

19 (2) Legislative actions dedicated to improving the educational
20 circumstances for students receiving services through institutional
21 education programs have been enacted in recent years. In 2021,

1 building upon the efforts of the task force on improving
2 instructional education programs and outcomes established in the
3 previous year, the legislature enacted numerous reforms intended to
4 improve the provision of public education to youth in or released
5 from secure juvenile justice facilities.

6 (3) Among other requirements, the 2021 legislation directed the
7 office of the superintendent of public instruction and the department
8 of children, youth, and families to jointly develop recommendations
9 for the establishment, implementation, and funding of a reformed
10 institutional education system that successfully meets the education
11 and support needs of persons in and released from secure settings.
12 The recommendations were to be directed toward meeting the
13 educational needs of persons who are in or have been released from
14 state long-term juvenile institutions and community facilities
15 operated by the department of children, youth, and families, county
16 juvenile detention centers, and facilities of the department of
17 corrections that incarcerate juveniles committed as adults.

18 (4) The legislature finds that the office of the superintendent
19 of public instruction and the department of children, youth, and
20 families did not sufficiently address legislative directives for
21 reform recommendations.

22 (5) The legislature, recognizing the ongoing need for systemic
23 reforms to the process by which basic education services are
24 delivered and overseen in secure juvenile justice facilities, intends
25 to initiate the process of assigning the superintendent of public
26 instruction responsibility for the delivery and oversight of basic
27 education services to justice-involved youth served through
28 institutional education programs in facilities that are not under the
29 jurisdiction of the department of social and health services or the
30 department of corrections. The legislature directs that this new
31 program must implement the state's educational duties and goals under
32 RCW 28A.150.210 in a way that better serves the needs of these
33 students.

34 (6) In centralizing both delivery and oversight of these
35 educational services with the superintendent, the legislature intends
36 to decisively address essential governance, oversight and
37 accountability, and continuity of education reforms. The legislature
38 intends these reforms to recognize, support, and fully fund the
39 unique educational needs of youth who receive education in these
40 settings. Most importantly, however, the legislature intends for

1 these reforms to provide these students with the opportunity to
2 access the education and supports needed to make life-changing, and
3 life-improving, academic progress.

4 NEW SECTION. **Sec. 2.** (1)(a) A joint select committee on
5 governance and funding for institutional education is established,
6 with members as provided in this subsection.

7 (i) The president of the senate shall appoint one member from
8 each of the two largest caucuses of the senate.

9 (ii) The speaker of the house of representatives shall appoint
10 one member from each of the two largest caucuses of the house of
11 representatives.

12 (b) The committee shall choose its cochairs from among its
13 membership. The member from the majority caucus of the house of
14 representatives shall convene the initial meeting of the committee.

15 (2) The committee shall examine and evaluate revisions to
16 statutes, funding formulae, funding sources, and operating and
17 capital budget appropriation structure as necessary to assign the
18 superintendent of public instruction with the responsibility for the
19 delivery and oversight of basic education services to youth receiving
20 education through institutional education programs in facilities that
21 are not under the jurisdiction of the department of social and health
22 services or the department of corrections.

23 (3) The office of the superintendent of public instruction, the
24 department of children, youth, and families, and the department of
25 social and health services shall cooperate with the committee and
26 provide information as the cochairs may reasonably request.

27 (4) Staff support for the committee must be provided by the
28 senate committee services and the house of representatives office of
29 program research.

30 (5) Members of the committee are entitled to be reimbursed for
31 travel expenses in accordance with RCW 44.04.120.

32 (6) The expenses of the committee must be paid jointly by the
33 senate and the house of representatives. Committee expenditures are
34 subject to approval by the senate facilities and operations committee
35 and the house of representatives executive rules committee, or their
36 successor committees.

37 (7) The committee shall report its findings and recommendations,
38 which may be in the form of draft legislation, to the governor, the
39 superintendent of public instruction, the chair of the state board of

1 education, and the appropriate committees of the legislature by
2 December 1, 2024.

3 (8) This section expires December 31, 2024.

4 **Sec. 3.** RCW 28A.300.040 and 2011 1st sp.s. c 43 s 302 are each
