All subcontracts shall be consistent with the local homeless housing plan adopted by the legislative authority of the local government, time limited, and filed with the department and shall have specific performance terms. While a local government has the authority to subcontract with other entities, the local government continues to maintain the ultimate responsibility for the homeless housing program within its borders.
- (3) A county may decline to participate in the program authorized in this chapter by forwarding to the department a resolution adopted by the county legislative authority stating the intention not to participate. A copy of the resolution shall also be transmitted to the county auditor and treasurer. If such a resolution is adopted, all of the funds otherwise due to the county under RCW 43.185C.060 shall be remitted monthly to the state treasurer for deposit in the ((homeless housing)) home security fund account, without any reduction by the county for collecting or administering the funds. Upon receipt of the resolution, the department shall promptly begin to identify and contract with one or more entities eligible under this section to create and execute a local homeless housing plan for the county meeting the requirements of this chapter. The department shall expend all of the funds received from the county under this subsection to carry out the purposes of chapter 484, Laws of 2005 in

- (4) A resolution by the county declining to participate in the program shall have no effect on the ability of each city in the county to assert its right to manage its own program under this chapter, and the county shall monthly transmit to the city the funds due under this chapter.
- Sec. 7. RCW 43.185C.185 and 2021 c 214 s 2 are each amended to 8 read as follows: 9
- 10 (1) The eviction prevention rental assistance program is created in the department to prevent evictions by providing resources to 11 households most likely to become homeless or suffer severe health 12 consequences, or both, after an eviction, while promoting equity by 13 prioritizing households, including communities 14 disproportionately impacted by public health emergencies and by 15 homelessness and housing instability. The department must provide 16 grants to eligible organizations, as described in RCW 43.185.060, to 17 provide assistance to program participants. The 18 eligible organizations must use grant moneys for: 19
- 20 (a) Rental assistance, including rental arrears and future rent 21 if needed to stabilize the applicant's housing and prevent their 22 eviction;
- (b) Utility assistance for households if needed to prevent an 23 24 eviction; and
- 25 (c) Administrative costs of the eligible organization, which must 26 not exceed limits prescribed by the department.
 - (2) Households eligible to receive assistance through the eviction prevention rental assistance program are those:
- (a) With incomes at or below 80 percent of the county area median 29 30 income;
- 31 Who are families with children, living in doubled situations, young adults, senior citizens, and others at risk of 32 homelessness or significant physical or behavioral health 33 complications from homelessness; and 34

p. 15 SSB 5386.SL homelessness assistance, a statewide association representing cities, a statewide association representing counties, a representative of homeless youth and young adults, and affordable housing advocates.

- (3) A landlord may assist an eligible household in applying for assistance through the eviction prevention rental assistance program or may apply for assistance on an eligible household's behalf.
- (4)(a) Eligible grantees must actively work with organizations rooted in communities of color to assist and serve marginalized populations within their communities.
- (b) At least 10 percent of the grant total must be subgranted to organizations that serve and are substantially governed by marginalized populations to pay the costs associated with program outreach, assistance completing applications for assistance, rent assistance payments, activities that directly support the goal of improving access to rent assistance for people of color, and related costs. Upon request by an eligible grantee or the county or city in which it exists, the department must provide a list of organizations that serve and are substantially governed by marginalized populations, if known.
- (c) An eligible grantee may request an exemption from the department from the requirements under (b) of this subsection. The department must consult with the stakeholder group established under subsection (2)(c) of this section before granting an exemption. An eligible grantee may request an exemption only if the eligible grantee:
- (i) Is unable to subgrant with an organization that serves and is substantially governed by marginalized populations; or
- (ii) Provides the department with a plan to spend 10 percent of the grant total in a manner that the department determines will improve racial equity for historically underserved communities more effectively than a subgrant.
- (5) The department must ensure equity by developing performance measures and benchmarks that promote both equitable program access and equitable program outcomes. Performance measures and benchmarks must be developed by the department in consultation with stakeholder groups, including persons at risk of homelessness due to unpaid rent, representatives of communities of color, homeless service providers, landlord representatives, local governments that administer homelessness assistance, a statewide association representing cities, a statewide association representative of

- 12 (6) The department may develop additional rules, requirements, 13 procedures, and guidelines as necessary to implement and operate the 14 eviction prevention rental assistance program.
 - (7) (a) The department must award funds under this section to eligible grantees in a manner that is proportional to the amount of revenue collected under ((RCW 36.22.176)) section 1 of this act from the county being served by the grantee.
 - (b) The department must provide counties with the right of first refusal to receive grant funds distributed under this subsection. If a county refuses the funds or does not respond within a time frame established by the department, the department must identify an alternative grantee. The alternative grantee must distribute the funds in a manner that is in compliance with this chapter.
