- (1) A victim of female genital mutilation under section 7 of this act may bring a civil cause of action against the person who committed the female genital mutilation for economic and noneconomic damages, punitive damages, and reasonable attorneys' fees and costs incurred in bringing the action.
- (2) A civil cause of action for female genital mutilation under this section must be commenced within 10 years of the acts alleged to have caused the injury. However, the time limit for commencement of an action under this section shall be tolled for a minor until the minor reaches the age of 18 years.
- (3) For purposes of this section, "female genital mutilation" 13 14 means any procedure performed for nonmedical reasons that involves partial or total removal of, or other injury to, the external female 15 16 genitalia, including but not limited to a clitoridectomy or the 17 partial or total removal of the clitoris or the prepuce or clitoral 18 hood, excision or the partial or total removal (with or without excision of the clitoris) of the labia minora or the labia majora, or 19 both, infibulation or the narrowing of the vaginal opening (with or 20 21 without excision of the clitoris), or other procedures that are 22 harmful to the external female genitalia, including pricking, incising, scraping, or cauterizing the genital area. 23
- NEW SECTION. Sec. 3. A new section is added to chapter 18.130 RCW to read as follows:
- 26 (1) A health care provider licensed under this title shall not 27 perform any procedure constituting female genital mutilation on a 28 minor.

 - (3) For purposes of this section:

- 1 other procedures that are harmful to the external female genitalia,
- 2 including pricking, incising, scraping, or cauterizing the genital
- 3 area; and

- (b) "Minor" means any person under the age of 18.
- **Sec. 4.** RCW 18.130.180 and 2021 c 157 s 7 are each amended to 6 read as follows:
 - The following conduct, acts, or conditions constitute unprofessional conduct for any license holder under the jurisdiction of this chapter:
 - (1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;
 - (2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;
 - (3) All advertising which is false, fraudulent, or misleading;
 - (4) Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;
 - (5) Suspension, revocation, or restriction of the individual's license to practice any health care profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;
- 38 (6) Except when authorized by RCW 18.130.345, the possession, 39 use, prescription for use, or distribution of controlled substances

or legend drugs in any way other than for legitimate or therapeutic purposes, diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing controlled substances for oneself;

- 2 (29) Violation of section 3 of this act.
- 3 **Sec. 5.** RCW 26.44.020 and 2021 c 215 s 142 and 2021 c 67 s 3 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

- (1) "Abuse or neglect" means sexual abuse, sexual exploitation, female genital mutilation as defined in section 3 of this act, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.
- 15 (2) "Child" or "children" means any person under the age of 16 eighteen years of age.
 - (3) "Child forensic interview" means a developmentally sensitive and legally sound method of gathering factual information regarding allegations of child abuse, child neglect, or exposure to violence. This interview is conducted by a competently trained, neutral professional utilizing techniques informed by research and best practice as part of a larger investigative process.
 - (4) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.
- 38 (5) "Child protective services section" means the child 39 protective services section of the department.

(6) "Child who is a candidate for foster care" means a child who the department identifies as being at imminent risk of entering foster care but who can remain safely in the child's home or in a kinship placement as long as services or programs that are necessary to prevent entry of the child into foster care are provided, and includes but is not limited to a child whose adoption or guardianship arrangement is at risk of a disruption or dissolution that would result in a foster care placement. The term includes a child for whom there is reasonable cause to believe that any of the following circumstances exist:

- (a) The child has been abandoned by the parent as defined in RCW 13.34.030 and the child's health, safety, and welfare is seriously endangered as a result;
- (b) The child has been abused or neglected as defined in this chapter and the child's health, safety, and welfare is seriously endangered as a result;
- (c) There is no parent capable of meeting the child's needs such that the child is in circumstances that constitute a serious danger to the child's development;
 - (d) The child is otherwise at imminent risk of harm.
- (7) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.
- (8) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.
- 34 (9) "Court" means the superior court of the state of Washington, 35 juvenile department.
- 36 (10) "Department" means the department of children, youth, and 37 families.
- 38 (11) "Experiencing homelessness" means lacking a fixed, regular, 39 and adequate nighttime residence, including circumstances such as 40 sharing the housing of other persons due to loss of housing, economic

p. 7 SSB 5453.SL

hardship, fleeing domestic violence, or a similar reason as described in the federal McKinney-Vento homeless assistance act (Title 42 U.S.C., chapter 119, subchapter I) as it existed on January 1, 2021.

- (12) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.
- (13) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.
- (14) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.
- (15) "Inconclusive" means the determination following an investigation by the department of social and health services, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.
- (16) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.
- (17) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.
- (18) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or

- 1 an act or omission of duty betraying a willful disregard of social 2 duty.
- (19) "Negligent treatment or maltreatment" means an act or a 3 failure to act, or the cumulative effects of a pattern of conduct, 4 behavior, or inaction, that evidences a serious disregard of 5 6 consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not 7 limited to conduct prohibited under RCW 9A.42.100. When considering 8 whether a clear and present danger exists, evidence of a parent's 9 substance abuse as a contributing factor to negligent treatment or 10 11 maltreatment shall be given great weight. The fact that siblings 12 share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, experiencing homelessness, or exposure to 13 domestic violence as defined in RCW 7.105.010 that is perpetrated 14 against someone other than the child does not constitute negligent 15 16 treatment or maltreatment in and of itself.
- 17 (20) "Pharmacist" means any registered pharmacist under chapter 18 18.64 RCW, whether acting in an individual capacity or as an employee 19 or agent of any public or private organization or institution.

- (21) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.
- (22) "Prevention and family services and programs" means specific mental health prevention and treatment services, substance abuse prevention and treatment services, and in-home parent skill-based programs that qualify for federal funding under the federal family first prevention services act, P.L. 115-123. For purposes of this chapter, prevention and family services and programs are not remedial services or family reunification services as described in RCW 13.34.025(2).
- 37 (23) "Professional school personnel" include, but are not limited 38 to, teachers, counselors, administrators, child care facility 39 personnel, and school nurses.

- 1 (24) "Psychologist" means any person licensed to practice 2 psychology under chapter 18.83 RCW, whether acting in an individual 3 capacity or as an employee or agent of any public or private 4 organization or institution.

- 24 (29) "Unfounded" means the determination following an 25 investigation by the department that available information indicates 26 that, more likely than not, child abuse or neglect did not occur, or 27 that there is insufficient evidence for the department to determine 28 whether the alleged child abuse did or did not occur.
- NEW SECTION. Sec. 6. A new section is added to chapter 43.70 RCW to read as follows:
- 31 (1) The department must establish an education program for the 32 prevention of female genital mutilation. - 15 (4) Subject to the availability of amounts appropriated for this 16 specific purpose, the department may contract with nongovernmental 17 organizations, entities, or persons with experience working with 18 victims of female genital mutilation to provide training and 19 materials and other services as the department deems necessary.

- 22 (6) For purposes of this section, "female genital mutilation" has 23 the meaning provided in section 3 of this act.
- NEW SECTION. Sec. 7. A new section is added to chapter 9A.36 RCW to read as follows:
