State of Washington

68th Legislature

2023 Regular Session

By Representatives Bergquist, Chambers, Entenman, Slatter, Paul, Ramos, Mena, Street, Riccelli, Pollet, Callan, Hackney, Thai, Reeves, Reed, Ortiz-Self, Kloba, Duerr, Doglio, Morgan, Ramel, Goodman, Tharinger, Lekanoff, Gregerson, and Santos

Read first time 01/11/23. Referred to Committee on Postsecondary Education & Workforce.

1 AN ACT Relating to enhancing the college bound scholarship
2 program by increasing opportunities for students to attend community
3 and technical colleges; amending RCW 28B.118.010 and 28B.118.090; and
4 creating a new section.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that the college
7 bound scholarship is an important financial aid program that prompts
8 students to begin to have a college going mindset early in high
9 school. The data indicates that since the first cohort of college
10 bound scholarship students, there were just under 5,000 students who
11 were college bound scholarship applicants but had grade point
12 averages below 2.0. Despite not meeting the requirements to receive
13 the college bound scholarship, these students still went on to pursue
14 postsecondary education. The legislature recognizes that community
15 and technical colleges do not require a certain grade point average
16 to enroll, but that strong academic performance is still a
17 requirement for direct admittance to a four-year institution of
18 higher education from high school. Since the legislature believes
19 that many students who may not have performed well academically in
20 high school can still thrive at a community and technical college, it
21 is the legislature's intent to keep students' dreams of higher

1 education alive by allowing students without a "C" average to still
2 qualify for college bound scholarships.

3 **Sec. 2.** RCW 28B.118.010 and 2021 c 283 s 2 are each amended to
4 read as follows:

5 The office of student financial assistance shall design the
6 Washington college bound scholarship program in accordance with this
7 section and in alignment with the Washington college grant program in
8 chapter 28B.92 RCW unless otherwise provided in this section. The
9 right of an eligible student to receive a college bound scholarship
10 vest upon enrollment in the program that is earned by meeting the
11 requirements of this section as it exists at the time of the
12 student's enrollment under subsection (2) of this section.

13 (1) "Eligible students" are those students who:

14 (a) Qualify for free or reduced-price lunches.

15 (i) If a student qualifies in the seventh or eighth grade, the
16 student remains eligible even if the student does not receive free or
17 reduced-price lunches thereafter.

18 (ii) Beginning in the 2019-20 academic year, if a student

37 application to become a permanent resident at the earliest
38 opportunity the individual is eligible to do so and a willingness to
