1 AN ACT Relating to supporting the needs of students experiencing
2 homelessness; amending RCW 28A.300.542; and reenacting and amending
3 RCW 43.185C.340.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 28A.300.542 and 2019 c 412 s 1 are each amended to
6 read as follows:

7 (1) Subject to the availability of amounts appropriated for this
8 specific purpose, the office of the superintendent of public
9 instruction shall create a competitive grant process to evaluate and
10 award state-funded grants to school districts to increase
11 identification of students experiencing homelessness and the capacity
12 of the districts to provide support for students experiencing
13 homelessness. The goals of the grant process are to:

14 (a) Provide educational stability for students experiencing
15 homelessness by promoting housing stability; and

16 (b) Encourage the development of collaborative strategies between
17 education and housing partners.

18 (2)(a) Funds may be used in a manner that is complementary to
19 federal McKinney-Vento funds and consistent with allowable uses as
20 determined by the office of the superintendent of public instruction.
21 The process must complement any similar federal grant program or

1 programs in order to minimize agency overhead and administrative
2 costs for the superintendent of public instruction and school
3 districts.

4 (b) Examples of permitted student supports and activities
5 include, but are not limited to:

6 (i) Direct academic supports, including tutoring and additional
7 transportation costs;

8 (ii) Basic needs, including retail store cards, nutrition
9 supports, and hygiene items;

10 (iii) Wraparound supports, including contracting with community-
11 based providers, behavioral and physical health supports, and
12 housing-related supports, such as bedding and short-term hotel or
13 motel stays, that meet a student's emergent needs and allow the
14 student to fully participate in school;

15 (iv) Employment supports for students and families; and

16 (v) Out-of-school enrichment activities, such as an academic
17 tutor provided at a shelter.

18 (3) School districts may access both federal and state funding to
19 identify and support students experiencing homelessness and are
20 encouraged to use grant dollars to leverage community resources and
21 strengthen relationships with community-based partners.

22 ~~((+2))~~ (4) Award criteria for the state grants must be based on
23 the demonstrated need of the school district and may consider the
24 number or overall percentage, or both, of homeless children and
25 youths enrolled in preschool, elementary, and secondary schools in
26 the school district, and the ability of the local school district to
27 meet these needs. Award criteria for these must also be based on the
28 quality of the applications submitted. Selected grantees must reflect
29 geographic diversity across the state. Greater weight must be given
30 to districts that demonstrate a commitment to:

31 (a) Partnering with local ~~((housing—and))~~ community-based
32 organizations with experience in serving the needs of students
33 experiencing homelessness or students of color, with a preference for
34 organizations that focus on equitable housing and homeless
35 strategies;

36 (b) Serving the needs of unaccompanied youth; and

37 (c) Implementing evidence-informed strategies to address the
38 opportunity gap and other systemic inequities that negatively impact
39 students experiencing homelessness and students of color. Specific
40 strategies may include, but are not limited to:

1 (i) Enhancing the cultural responsiveness of current and future
2 staff;

3 (ii) Ensuring all staff, faculty, and school employees are
4 actively trained in trauma-informed care;

5 (iii) Providing inclusive programming by intentionally seeking
6 and utilizing input from the population being served;

7 (iv) Using a multidisciplinary approach when serving students
8 experiencing homelessness and their families;

9 (v) Intentionally seeking and utilizing input from the families
10 and students experiencing homelessness about how district policies,
11 services, and practices can be improved; and

12 (vi) Identifying data elements and systems needed to monitor
13 progress in eliminating disparities in academic outcomes for students
14 experiencing homelessness with their housed peers.

15 ~~((+3))~~ (5) At the end of each academic year, districts receiving
16 grants shall monitor and report on the academic outcomes for students
17 served by the grants. The academic outcomes are those recommended by
18 the office of the superintendent of public instruction. The office of
19 the superintendent of public instruction shall review the reports
20 submitted by the districts and assist school districts in using these
21 data to identify gaps and needs, and develop sustainable strategies
22 to improve academic outcomes for students experiencing homelessness.

23 ~~((+4))~~ (6) Students experiencing homelessness are defined as
24 students without a fixed, regular, and adequate nighttime residence
25 in accordance with the definition of homeless children and youths in
26 the federal McKinney-Vento homeless assistance act, 42 U.S.C. Sec.
27 11431 through 11435.

28 ~~((+5))~~ (7) School districts may not use funds allocated under
29 this section to supplant existing federal, state, or local resources
30 for supports for students experiencing homelessness, which may
31 include education liaisons.

32 ~~((+6))~~ (8) Grants awarded to districts under this section may be
33 for two years.

34 (9) The office of the superintendent of public instruction and
35 the department of commerce shall:

36 (a) Collaborate on shared goals and outcomes under the grant
37 process established by this section and the grant program established
38 in RCW 43.185C.340; and

39 (b) Beginning in 2024, and every two years thereafter, jointly
40 produce and make publicly available a report on the goals and

1 outcomes of the grant process established by this section and the
2 grant program established in RCW 43.185C.340.

3 **Sec. 2.** RCW 43.185C.340 and 2019 c 412 s 2 and 2019 c 325 s 5015
4 are each reenacted and amended to read as follows:

5 (1) Subject to funds appropriated for this specific purpose, the
6 department shall administer a grant program that links students
7 experiencing homelessness and their families with stable housing
8 located in the student's school district. The goals of the program
9 are to:

10 (a) Provide educational stability for students experiencing
11 homelessness by promoting housing stability; and

12 (b) Encourage the development of collaborative strategies between
13 housing and education partners.

14 (2) To ensure that innovative strategies between housing and
15 education partners are developed and implemented, the department may
16 contract and consult with a designated vendor to provide technical
17 assistance and program evaluation, ~~((and))~~ assist with making grant
18 awards, and support collaboration between the department and the
19 office of the superintendent of public instruction. If the department
20 contracts with a vendor, the vendor must be selected by the director
21 and:

29 with the office of the superintendent of public instruction.

30 (4) (a) The department, or the designated vendor in consultation
31 with the department, shall develop a competitive grant process to
32 make grant awards to eligible organizations on implementation of the

35 behavioral health administrative services organization established
36 under chapter 71.24 RCW, behavioral health organization, nonprofit

38 Indian tribe in the state of Washington, or regional or statewide
39 nonprofit housing assistance organization. Applications for the grant

1 program must include a letter of support from the applicable school
2 districts. Within 60 days of receiving a grant award under this
3 section, a memorandum of understanding must be established between
4 the housing providers and school districts defining the
5 responsibilities and commitments of each party to identify, house,
6 and support students experiencing homelessness. The memorandum must
7 include:

8 ~~((a))~~ (i) How housing providers will partner with school
9 districts to address gaps and needs and develop sustainable

13 privacy protections under applicable federal and state laws.

14 (b) If a memorandum of understanding cannot be established as

16 districts may work with the department on a case-by-case basis to
17 provide, in lieu of a memorandum of understanding, a detailed
18 accountability plan for a partnership between the housing provider
19 and the school districts.

20 (5) In determining which eligible organizations will receive
21 grants, the department must ensure that selected grantees reflect

38 include but are not limited to:

13 McKinney-Vento homeless assistance act, 42 U.S.C. Sec. 11431 through
14 11435.

15 (b) For the purposes of this section, "student experiencing
16 homelessness" includes unaccompanied homeless youth not in the

19 with the qualifications for school admissions under RCW
20 28A.225.160(1).

21 (8) (a) Grantee organizations must compile and report information
22 to the department. The department shall report to the legislature the
23 findings of the grantee, the housing stability of the homeless
