Sec. 3. RCW 28B.118.005 and 2007 c 405 s 1 are each amended to read as follows:

The legislature intends to inspire and encourage all Washington students to dream big by creating a guaranteed (four-year) tuition scholarship program for students from low-income families who enroll within one year of high school graduation. The legislature finds that, too often, financial barriers prevent many of the brightest students from considering college as a future possibility. Often the cost of tuition coupled with the complexity of finding and applying for financial aid is enough to prevent a student from even applying to college. Many students become disconnected from the education
system early on and may give up or drop out before graduation. It is
the intent of the legislature to alert students early in their
educational career to the options and opportunities available beyond
high school.

Sec. 4. RCW 28B.117.030 and 2019 c 470 s 23 are each amended to
read as follows:
(1) The office shall design and, to the extent funds are
appropriated for this purpose, implement, passport to careers with
two programmatic pathways: The passport to college promise program
and the passport to apprenticeship opportunities program. Both
programs offer supplemental scholarship and student assistance for
students who were under the care of the state foster care system,
tribal foster care system, or federal foster care system, and
verified unaccompanied youth or young adults who have experienced
homelessness.
(2) The office shall convene and consult with an advisory
committee to assist with program design and implementation. The
committee shall include but not be limited to former foster care and
unaccompanied homeless youth and their advocates; representatives
from the state board for community and technical colleges, public and
private agencies that assist current and former foster care
recipients and unaccompanied youth or young adults experiencing
homelessness in their transition to adulthood; student support
specialists from public and private colleges and universities; the
state workforce training and education coordinating board; the
employment security department; and the state apprenticeship council.
(3) To the extent that sufficient funds have been appropriated
for this purpose, a student is eligible for assistance under this
section if he or she:
(a)(i) Was in the care of the state foster care system, tribal
foster care system, or federal foster care system in Washington state
at any time before age twenty-one subsequent to the following:
(A) Age fifteen as of July 1, 2018;
(B) Age fourteen as of July 1, 2019; and

the prior academic year as an unaccompanied youth experiencing
homelessness, before age twenty-one;

(f) Is not pursuing a degree in theology.

(4) The office shall define a process for verifying unaccompanied homeless status for determining eligibility under subsection (3)(a)(ii) of this section. The office may use a letter from the following persons or entities to provide verification: A high school or school district McKinney-Vento liaison; the director or designated staff member of an emergency shelter, transitional housing program, or homeless youth drop-in center; or other similar professional case manager or school employee. Students who have no formal connection with such a professional may also submit to the office an essay that describes their experience with homelessness and the barriers it created to their academic progress. The office may consider this essay in lieu of a letter of homelessness determination and may interview the student if further information is needed to verify eligibility.

(5) A passport to college promise program is created.

(a) A passport to college promise scholarship under this section:

(i) Shall not exceed resident undergraduate tuition and fees at the highest-priced public institution of higher education in the state; and

(ii) Shall not exceed the student's financial need, when combined with all other public and private grant, scholarship, and waiver assistance the student receives.

(b) ((An eligible student may receive a passport)) Passport to college promise scholarship ((under this section for a maximum of five years after the student first enrolls with an institution of education))

(d) In designing and implementing the passport to college promise student support program under this section, the office, in consultation with and with assistance from the state board for community and technical colleges, shall ensure that a participating college or university:

(ii) Receives financial and other incentives for achieving measurable progress in the recruitment, retention, and graduation of eligible students.

(e) To the extent funds are appropriated for this specific purpose, the office shall contract with at least one nongovernmental entity to provide services to support effective program implementation, resulting in increased postsecondary completion rates for passport scholars.

(6) The passport to apprenticeship opportunities program is created. The office shall:

(a) Identify students and applicants who are eligible for services under RCW 28B.117.030 through coordination of certain agencies as detailed in RCW 28B.117.040;

(b) Provide financial assistance through the nongovernmental entity or entities in RCW 28B.117.055 for registered apprenticeship
and recognized preapprenticeship entrance requirements and occupational-specific costs that does not exceed the individual's financial need; and

(c) Extend financial assistance to any eligible applicant for ((a maximum of)) six years ((after first enrolling with a registered apprenticeship or recognized preapprenticeship, or until the applicant turns twenty-six, whichever occurs first)) or 150 percent of the published length of the program in which the student is enrolled or the credit or clock-hour equivalent.
