

SHB 1015 - H AMD 749

By Representative Dye

1 On page 3, line 9, after "format." insert "Additional criteria and
2 information established by the city or county must be performable by
3 the home energy assessor and may not require another person to enter a
4 home."

EFFECT: Requires additional criteria and information added to a home energy performance report established by cities and counties to be performable by a home energy assessor and may not require another person to enter a home.
