WITHDRAWN 02/13/2026

1 On page 4, after line 14, insert the following:

2 "(5) If a covered provider's provenance detection tool falsely  
3 identifies human-created or human-altered content as having been  
4 created or altered by the covered provider's generative artificial  
5 intelligence system, the creator of the content shall be deemed  
6 injured unless the covered provider corrects the error within seven  
7 days."

EFFECT: Establishes that if a provenance detection tool falsely identifies human-created or human-altered content as created or altered by the covered provider's generative artificial intelligence system, the creator of the content shall be deemed injured unless the covered provider corrects the error within seven days.
