

3SHB 1491 - H AMD 179

By Representative Dye

WITHDRAWN 03/05/2025

1 On page 13, line 32, after "(10)" insert "Buildings constructed
2 within a station area must incorporate ecosystem services into the
3 architectural design, including living plants and trees on the
4 facia, balconies, or roofs and ground level landscapes that provide
5 shade and natural climate benefits.

6 (11)"

7

8 Renumber the remaining subsections consecutively and correct any
9 internal references accordingly.

EFFECT: Requires buildings constructed within a station area to incorporate ecosystem services into the architectural design.
