NOT CONSIDERED 03/12/2026

On page 7, after line 38, insert the following:

"NEW SECTION. **Sec. 7.** A new section is added to chapter 38.52 RCW to read as follows:

(1) The department shall initiate and oversee the development and implementation of an online platform that meets the requirements of this section.

(2) At a minimum, the online platform must have the following functions and features:

(a) A centralized platform that allows access and use by each county, city, town, and the department;

(b) The platform must allow each county, city, town, and the department to insert information and use the platform;

(c) Geographic information system capabilities that allow the user to operate the platform spatially;

(d) A notification and distribution system that allows the user to comply with the requirements in section 6 of this act; and

(e) Integration with other relevant state and local databases.

NEW SECTION. **Sec. 8.** (1) Sections 1 through 6 of this act take effect 90 days after the military department makes the online platform under section 7 of this act available to each county, city, and town.

(2) The military department must provide written notification of the effective date of sections 1 through 6 of this act to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the military department."

Renumber the remaining sections consecutively and correct any internal references accordingly.

EFFECT:
Requires the Military Department to develop an online platform for counties, cities, towns, and incident command systems to use to comply with the requirements for designation and notification of emergency operation zones in the underlying bill.

Conditions the effective date of the remaining bill requirements until 90 days after the online platform is available to counties, cities, towns, and incident command systems.
