1 On page 2, line 35, after "(4)" insert "Nothing in this section  
2 prohibits a policyholder from assigning rights in the context of a  
3 covenant judgment, consent judgment, deferred judgment, stipulated  
4 judgment, or similar agreement.

5 (5)"

7 Renumber the remaining subsections consecutively and correct any  
8 internal references accordingly.

EFFECT: Specifies that the prohibition on assignment agreements whereby a policyholder transfers post-loss benefits under a property insurance policy to a person providing services does not prohibit a policyholder from assigning rights in the context of a covenant judgment, consent judgment, deferred judgment, stipulated judgment, or similar agreement.
