NOT CONSIDERED 03/12/2026

1 On page 1, line 20, after "that" insert "many system-
2 level frameworks have not sufficiently accounted for the
3 developmental and social needs of boys and men, contributing to
4 persistent disparities affecting boys and men across education,
5 public safety, health, housing, and workforce participation. For
6 this reason, the legislature finds that"

EFFECT: Modifies the intent section to add a legislative finding that many system-level frameworks have not sufficiently accounted for the developmental and social needs of boys and men, contributing to persistent disparities affecting boys and men across education, public safety, health, housing, and workforce participation.
