1 On page 2, beginning on line 10, after "department" strike all
2 material through "section" on line 12 and insert "must prioritize
3 delivering, dispensing, or distributing the medications to entities
4 that will pay list price plus a fee of \$5 per dose, but if the
5 department is not able to sell the medications at that price, the
6 department may accept payment of \$5 per dose to offset the cost of
7 secure storage and delivery of the medications"

EFFECT: Requires the Department of Corrections (DOC) to prioritize delivering, dispensing, or distributing the medications to entities that will pay list price plus a \$5 fee per dose, but allows the DOC to accept \$5 per dose if the DOC is not able to sell the medications at cost plus \$5 per dose. Removes the authorization allowing DOC to not obtain payment for delivering, dispensing, or distributing abortion medications.
