1 On page 19, after line 35, insert the following:

2 "NEW SECTION. Sec. 401. By March 1, 2027, the department of  
3 revenue must report to the relevant committees of the legislature what  
4 the consolidated state property tax levy rate would have been had it  
5 not been set to the rate in section 301 of this act, accounting for  
6 the limit factor, considerations of the reduction of taxable assessed  
7 value, and property tax shifts due to the expansion of the property  
8 tax relief program for retired persons in part I of this act. The goal  
9 of the report is to give the legislature information needed so the  
10 legislature may choose to modify the rate during the 2027 legislative  
11 session for property taxes levied for collection in calendar year  
12 2028. This section expires December 31, 2027."

EFFECT: Directs the Department of Revenue to report to the  
Legislature what the consolidated levy rate would have been if not  
for the set rate in the bill, accounting for the 1 percent growth  
limit, as well as the reduced taxable value and property tax shifts  
as a result of the expansion of the property tax relief program.
