10 On page 7, line 35 of the striking amendment, after "schedule"  
11 insert "that is sufficient to cover the costs"

EFFECT: Replaces the requirement for the Washington Electric Transmission Authority (Transmission Authority) to charge a \$5,000 application review fee with a requirement that the Transmission Authority must establish by rule a schedule of application review fees sufficient to recover the reasonable related costs incurred by the Transmission Authority. Specifies that the fee must be scaled to reflect the size, complexity, or anticipated review costs of the proposed transmission project. Specifies that the fee schedule that the Transmission Authority must charge for services provided under a partnership must be sufficient to cover the costs for the services provided.
