WITHDRAWN 04/26/2025

1 On page 5, line 6, after "(b)" strike all material through
2 "~~(d)~~)" on line 14 and insert "The authority shall adopt rules
3 identifying which services are included in the payment described in
4 (a) of this subsection and which services may be billed separately,
5 including specific revenue codes or services required on the
6 inpatient claim.

7 (c) Allowable medically necessary services performed during a
8 stay described in (a) of this subsection shall be billed by and paid
9 to the hospital separately for patients under the age of 21 if the
10 patient is not discharged because the patient: (i) Has complex
11 behavioral and comorbid needs; and (ii) is a safety risk to himself
12 or herself and to others. Such services may include but are not
13 limited to hemodialysis, laboratory charges, and x-rays.

14 (d) "

15 Reletter the remaining subsections consecutively and correct any
16 internal references accordingly.

EFFECT: Allows the Health Care Authority to adopt rules for
payment for ancillary services and for payment to be made to a
hospital for patients under the age of twenty-one when that patient
is in administrative bed day status, because they:

- Have complex behavioral and comorbid needs; and
- Are a safety risk to themselves and to others.
