1 On page 1, after line 13, insert the following:  
2 "The department may amend the global safety and related standards  
3 adopted under this section if it determines that they do not result  
4 in substantially similar outcomes as the North American standards as  
5 they relate to firefighter and emergency operation features and  
6 entrapment communication protocols."

EFFECT: Allows the department of labor and industries to amend the global safety and related standards adopted under this act if it determines that they do not result in substantially similar outcomes as the North American standards as they relate to firefighter and emergency operation features and entrapment communication protocols.
