SSB 6005 - S AMD **764**
By Senator Liias

ADOPTED 02/27/2026

On page 56, line 30, after "system." insert "Of the amount provided in this subsection, $5,000,000 is provided solely for the department to make further progress replacing obsolete transportation equipment combined with other funding appropriated for this purpose."

On page 63, line 33, strike "$32,682,000" and insert "(($~~$32,682,000~~)) $33,082,000"

On page 64, line 12, strike "$96,758,000" and insert "$97,158,000"

On page 67, after line 33, insert the following:

"(13) $400,000 of the motor vehicle account—state appropriation is provided solely for the department to report to the to the joint transportation committee by September 1, 2026, regarding the state's maintenance and preservation needs, including: (1) Recommendations for a sustainable and integrated delivery plan for maintenance and preservation of the state's transportation infrastructure, delivery models that achieve cost-effective use of taxpayer dollars, and public-private partnerships to expand investments; and (2) a public education program, including interactive visualizations about why the state must invest in maintenance and preservation, options for sustainable funding, and how funds are being invested."

On page 87, line 26, strike "$20,850,000" and insert "$20,900,000"

On page 87, line 28, strike "$45,300,000" and insert "$45,350,000"

On page 89, line 3, after "(($~~$3,000,000~~))" strike "$2,000,000" and insert "$2,050,000"

On page 89, line 10, after "improvements" insert "The master planning process, with representation from South Seattle College and other relevant organizations, must include a review of potential

opportunities to expand cement masons apprenticeship training capacity as part of the space needs assessment at the Corson Avenue regional headquarters property."

EFFECT: Provides that $5,000,000 of WSDOT's Maintenance Program appropriation is provided for the department to make further progress replacing obsolete transportation equipment combined with other funding appropriated for this purpose.

Provides $400,000 for WSDOT to report to the Joint Transportation Committee by September 1, 2026 with recommendations to address the state's maintenance and preservation needs.

Requires the Corson Avenue master planning process to include a review of expanding cement masons apprenticeship training capacity as part of the space needs assessment at the Corson Avenue regional headquarters property.

FISCAL EFFECT: $400,000 (Motor Vehicle Account—State). Increases Move-Ahead Account spending authority by $50,000.
