officers and firefighters have entered LEOFF Plan 2. Before the implementation of LEOFF Plan 1 in 1970, law enforcement and firefighter pensions, referred to as Prior Act systems, were administered by local pension boards.

The Prior Act's firefighters' pension boards for qualifying fire protection districts consist of five members, which include:

- the county auditor;
- the county treasurer; and
- two regularly employed or retired firefighters elected through secret ballot.

Summary of Bill:

The county auditor and county treasurer are authorized to send a designee to sit on the Prior Act's firefighters' pension boards.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.

Staff Summary of Public Testimony:

(In support) This is very simple. Retirement plans for firefighters were changed years ago. Retirement plans used to be within a larger pension committee. No new members are going into this program. The statute has been interpreted to mean that both the treasurer and the auditor have to physically attend board hearings. This bill allows them to send designees, which aligns with other laws that allow them to send designees.

(Opposed) None.

Persons Testifying: Representative Mike Volz, prime sponsor.
