
HOUSE BILL 1565

State of Washington

69th Legislature

2025 Regular Session

By Representatives Paul, Pollet, Ramel, Reed, Santos, Doglio, and Fosse

Read first time 01/23/25. Referred to Committee on Postsecondary Education & Workforce.

1 AN ACT Relating to the Washington dual enrollment scholarship;
2 amending RCW 28B.76.730, 43.131.427, and 43.131.428; creating a new
3 section; and making an appropriation.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1)(a) The legislature recognizes the
6 significant benefits of dual enrollment programs like running start,
7 which allow high school students to earn college and high school
8 credit simultaneously. A 2024 research brief from the education
9 research and data center highlights that students who participate in
10 running start complete associate and bachelor's degrees faster and
11 with fewer average credits compared to the statewide average and
12 other dual credit programs.

13 (b) The legislature acknowledges that, while running start allows
14 11th and 12th graders the opportunity to attend in-person and online
15 classes at community colleges and some universities without the
16 burden of tuition costs, expenses such as textbooks, transportation,
17 and class materials continue to create barriers to program
18 participation.

19 (2) The legislature recognizes that it created the Washington
20 dual enrollment scholarship pilot program in 2019 to remove financial
21 barriers for running start students at 13 pilot sites. In accordance

1 with the sunset act, the joint legislative audit and review committee
2 reviewed the program and made the following recommendations: (a) The
3 legislature should continue the dual enrollment scholarship; and (b)
4 the program administrator, the Washington student achievement
5 council, should provide consistent and documented guidance and
6 technical assistance to pilot sites and improve its oversight. The
7 legislature admits that the program ends in 2025 unless reauthorized.

8 (3) Therefore, the legislature intends to: (a) Continue the dual
9 enrollment scholarship program and make it available to all running
10 start students; (b) direct the Washington student achievement council
11 to both adopt rules to implement the program and to develop guidance
12 and technical assistance for the program; and (c) expand the uses of
13 the scholarship award.

14 **Sec. 2.** RCW 28B.76.730 and 2023 c 314 s 3 are each amended to
15 read as follows:

16 (1) The legislature recognizes that dual credit programs reduce
17 both the cost and time of attendance to obtain a postsecondary
18 degree. The legislature intends to reduce barriers and increase
19 access to postsecondary educational opportunities for low-income
20 students by removing the financial barriers for dual enrollment
21 programs for students.

37 accordance with chapter 34.05 RCW to implement the Washington dual

10 technical assistance.

12 43.01.036, the office shall report to the appropriate committees of
