- 1 AN ACT Relating to the state universal communications services
- 2 program; amending RCW 80.36.300, 80.36.630, 80.36.650, 80.36.660,
- 3 80.36.670, 80.36.680, 80.36.690, and 80.36.700; providing expiration
- 4 dates; and declaring an emergency.
- 5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- 6 **Sec. 1.** RCW 80.36.300 and 1985 c 450 s 1 are each amended to read as follows:
- 8 The legislature declares it is the policy of the state to:
- 9 (1) Preserve affordable universal telecommunications service;
- 10 (2) Maintain and advance the efficiency and availability of 11 telecommunications service;
- 12 (3) ((Ensure that customers pay only reasonable charges for telecommunications service;
- 14 (4) Ensure that rates for noncompetitive telecommunications
 15 services do not subsidize the competitive ventures of regulated
 16 telecommunications companies;
- 17 (5)) Upgrade and maintain the state telecommunications
 18 infrastructure, including middle and last mile;
- 19 <u>(4) Invest in public safety including, but not limited to, 911,</u> 20 enhanced 911, and next-generation 911 service;

p. 1 HB 1771

- 1 (5) Ensure that all areas of the state are at or above the state's broadband goals as described in RCW 43.330.536; and
- 3 <u>(6)</u> Promote diversity in the supply of telecommunications 4 services and products in telecommunications markets throughout the 5 state((; and
- 6 (6) Permit flexible regulation of competitive telecommunications
 7 companies and services)).
- 8 **Sec. 2.** RCW 80.36.630 and 2019 c 365 s 11 are each amended to 9 read as follows:
- 10 (1) The definitions in this section apply throughout this section 11 and RCW 80.36.650 through 80.36.690 and 80.36.610 unless the context 12 clearly requires otherwise.
- 13 (a) "Basic residential service" means those services set out in 14 47 C.F.R. Sec. 54.101(a) (2011), as it existed on May 13, 2019, and 15 mandatory extended area service approved by the commission.
- 16 (b) "Basic telecommunications services" means the following 17 services:
- 18 (i) Single-party service;
- 19 (ii) Voice grade access to the public switched network;
- 20 (iii) Support for local usage;
- 21 (iv) Dual tone multifrequency signaling (touch-tone);

- 20 **Sec. 3.** RCW 80.36.650 and 2019 c 365 s 12 are each amended to 21 read as follows:
- 22 A state universal communications services program (1)23 established. The program is established ((to protect public safety 24 and welfare)) under the authority of the state to regulate telecommunications under Article XII, section 19 of the state 25 Constitution. The program is established to advance the development 26 27 of statewide telecommunications infrastructure that is capable of supporting applications such as public safety, telemedicine, services 28 for persons with special needs, distance learning, public library 29 30 services, access to internet providers, and voice services to ensure 31 access to 911 services. The purpose of the program is to support continued provision of basic telecommunications services under rates, 32 terms, and conditions established by the commission and the 33 provision, enhancement, and maintenance of broadband services, 34 recognizing that, historically, the incumbent public network 35 functions to provide all communications services including, but not 36 limited to, voice and broadband services. 37
 - (2) Under the program, eligible communications providers may receive distributions from the universal communications services

p. 3 HB 1771

1 account created in RCW 80.36.690 in exchange for the affirmative agreement to provide continued telecommunications services under the 2 rates, terms, and conditions established by the commission under this 3 chapter, and broadband services, for the period covered by the 4 distribution. The commission must implement and administer the 5 6 program under terms and conditions established in RCW 80.36.630 through 80.36.690. Expenditures for the program may not exceed five 7 million dollars per fiscal year; provided, however, that if less than 8 five million dollars is expended in any fiscal year, the unexpended 9 portion must be carried over to subsequent fiscal years and, unless 10 11 fully expended, must be available for program expenditures in such 12 subsequent fiscal years in addition to the five million dollars allotted for each of those subsequent fiscal years. 13

- (3) <u>Funds from the universal communications services account may</u> be used for the following purposes:
- (a) To provide and upgrade services in areas that do not meet the state's speed goals as defined in RCW 43.330.536;
- 18 <u>(b) To ensure the reliability and integrity of the emergency</u>
 19 <u>telecommunications systems;</u>
- 20 <u>(c) For the maintenance of existing telecommunications</u>
 21 <u>infrastructure; and</u>
 - (d) For other purposes defined by the commission.

- (4) Funds may not be used to overbuild existing infrastructure in areas that receive federal funding and exceeds the states speed goals as defined in RCW_43.330.536.
- (5) A communications provider is eligible to receive distributions from the account if:
- (a) (i) The communications provider is((: (A) An)) an incumbent local exchange carrier serving fewer than ((forty thousand)) 20,000 access lines in the state((; or (B) a radio communications service company providing wireless two-way voice communications service and broadband services to less than the equivalent of forty thousand access lines in the state)). For purposes of determining the access line threshold in this subsection, the access lines or equivalents of all wireline affiliates must be counted as a single threshold, if the lines or equivalents are located in Washington;
- (ii) The communications provider has adopted a plan to provide, enhance, or maintain broadband services in its service area; ((and))
 - (iii) In order to protect public health, safety, and welfare, the communications provider utilizes battery back-up of the

communications provider's system to ensure time-limited access to emergency services in the event of no access to an electrical power source;

- (iv) The communications provider is eligible to participate and does participate in a low-income, service affordability program such as the federal lifeline program;
- (v) The communications provider provides access to the state's emergency services programs such as 911, enhanced 911, and next-generation 911; and
- (vi) The communications provider meets any other requirements established by the commission pertaining to the provision of communications services, including basic telecommunications services; or
- (b) The communications provider demonstrates to the commission that the communications provider is able to provide the same or comparable services at the same or similar service quality standards at a lower price; and: (i) Will provide communications services to all customers in the exchange or exchanges in which it will provide service; and (ii) submits to the commission's regulation of its service as if it were the incumbent local exchange company serving the exchange or exchanges for which it seeks distribution from the account.
- (((+4+))) (6) (a) Distributions to eligible communications providers are based on criteria established by the commission.
 - (b) If the program does not have sufficient funds to fully fund the distribution formula set out in (a) of this subsection, distributions must be reduced on a pro rata basis using the amounts calculated for that year's program support as the basis of the pro rata calculations.
 - (c) To receive a distribution under the program, an eligible communications provider must affirmatively consent to continue providing communications services to its customers under rates, terms, and conditions established by the commission pursuant to this chapter for the period covered by the distribution.
 - ((+5+)) (7) The program is funded from amounts deposited by the legislature in the universal communications services account established in RCW 80.36.690. The commission must operate the program within amounts appropriated for this purpose and deposited in the account.

p. 5 HB 1771

- ((+6))) (8) The commission must periodically review the accounts and records of any communications provider that receives distributions under the program to ensure compliance with the program and monitor the providers' use of the funds.
 - (((7) The commission must establish an advisory board, consisting of a reasonable balance of representatives from different types of stakeholders, including but not limited to communications providers and consumers, to advise the commission on any rules and policies governing the operation of the program.
- 10 $\frac{(8)}{(9)}$) The program terminates on June 30, ((2024)) 2027, and 11 no distributions may be made after that date.
- 12 $((\frac{9}{}))$ 10 This section expires July 1, $(\frac{2025}{})$ 2027.

- 13 **Sec. 4.** RCW 80.36.660 and 2019 c 365 s 13 are each amended to 14 read as follows:
- 15 (1) To implement the program, the commission must adopt rules for the following purposes:
- 17 (a) Operation of the program, including criteria for: Eligibility
 18 for distributions; use of the funds; identification of any reports or
 19 data that must be filed with the commission, including, but not
 20 limited to, how a communication provider used the distributed funds;
 21 and the communications provider's infrastructure;
- 22 (b) Operation of the universal communications services account 23 established in RCW 80.36.690;
- 24 (c) Establishment of the criteria used to calculate 25 distributions; and
- 26 (d) Readoption, amendment, or repeal of any existing rules 27 adopted pursuant to RCW 80.36.610 as necessary to be consistent with 28 RCW 80.36.630 through 80.36.690 and 80.36.610.
 - (2) This section expires July 1, ((2025)) 2027.
- 30 **Sec. 5.** RCW 80.36.670 and 2019 c 365 s 14 are each amended to 31 read as follows:
- 32 (1) In addition to any other penalties prescribed by law, the commission may impose penalties for failure to make or delays in making or filing any reports required by the commission for administration of the program. In addition, the commission may recover amounts determined to have been improperly distributed under RCW 80.36.650. For the purposes of this section, the provisions of RCW 80.04.380 through 80.04.405, inclusive, apply to all companies
