10 except as otherwise provided in this section. To the extent such
11 definitions in chapter 50.04 RCW refer to "benefits" and "claimant,"

5 the United States as a nonimmigrant under subparagraph (F), (H)(ii),
6 (H)(iii), or (J) of 8 U.S.C. Sec. 1101(a)(15) of the immigration and

14 RCW 50.04.030.

15 (6)(a) "Resident of the state of Washington" means an applicant
16 who takes actions indicating they intend to live in Washington state
17 on more than a temporary or transient basis throughout the duration
18 of receiving payments under this chapter. Under this chapter, an

20 (i) Maintains a residence in Washington for personal use with a
21 utility bill showing their full name and Washington state address;

3 (7) "Third-party administrator" means an entity with which the
4 department contracts to administer payments to eligible individuals
5 under this chapter.

12 third times the individual's weekly payment amount plus \$5.00.

13 NEW SECTION. **Sec. 2.** The Washington wage replacement account is
14 created in the custody of the state treasurer. Revenues to the
15 account must consist of appropriations and transfers by the
16 legislature and all other funding directed for deposit into the
17 account. Expenditures from the account may be used only for providing

35 (3) Each quarter, to the extent allowed by the United States
36 department of labor, employment and training administration, the
37 department shall allocate the money in the wage replacement account
38 in section 2 of this act to one or more third-party administrators

9 payments under this chapter;

10 (b) Screen each applicant to determine if the applicant is
11 eligible for payments;

12 (c) Make payments to eligible applicants; and

13 (d) Establish internal administrative processes for receiving and
14 reviewing applications, making payments, and processing appeals

32 department and who will serve as the chair.

33 (3) The advisory committee must provide comment on implementation
34 of this chapter, utilization of the program under this chapter,
35 selection and performance of the third-party administrator, and study
36 issues the advisory committee determines to require its
37 consideration.

38 (4) The members must serve without compensation but are eligible
39 for reimbursement of travel expenses as provided in RCW 43.03.050 and

24 employer reports provided by the applicant to the third-party
25 administrator. If, after the third-party administrator's request, the
26 applicant fails to provide sufficient information or documentation,
27 the applicant may be denied payments under this chapter.

28 (3) The third-party administrator may contract with a community-
29 based organization to assist applicants in gathering information or
30 documentation required under this section. The community-based
31 organization may not communicate with employers regarding applicant
32 eligibility.

33 (4) The third-party administrator must make the final decision on
34 whether the applicant is eligible for payments under this chapter.
35 The third-party administrator may utilize information or
36 documentation provided by the applicant or any third-party,
37 community-based organization contracted under this section.

1 NEW SECTION. **Sec. 6.** (1) If the third-party administrator
2 determines the applicant is eligible for payments under this chapter,

22 subject to the availability of funds for this purpose and other
23 conditions established under this chapter.

24 (2) Payments are payable to an eligible and qualified applicant
25 during the applicant's payment year in a maximum amount equal to the
26 lesser of 26 times the weekly payment amount, as determined under
27 subsection (1) of this section, or one-third of the applicant's base
28 year wages.

29 NEW SECTION. **Sec. 8.** If waiting period credit or the payment of
30 amounts under this chapter are denied to any applicant for any week
31 or weeks, the applicant must be promptly issued written notice of the
32 denial and reasons for such denial by the third-party administrator.

33 NEW SECTION. **Sec. 9.** (1) An applicant is disqualified for
34 payments under this chapter:

35 (a) If the third-party administrator finds that the applicant:

20 not be construed to be a voluntary quit or a voluntary unemployment
21 on the part of the applicant.

22 NEW SECTION. **Sec. 10.** Payments under this chapter may only be

18 compensation fund is determined by the commissioner to be an amount
19 that will provide more than ten months of unemployment benefits, the
20 commissioner shall calculate the flat social cost factor for the rate
21 year immediately following the cut-off date by reducing the total
22 social cost by the dollar amount that represents the number of months
23 for which the balance in the unemployment compensation fund on the
24 cut-off date will provide benefits above ten months and dividing the
25 result by the total taxable payroll. However, the calculation under
26 this subsection (1) (b) (i) (B) for a rate year may not result in a flat
27 social cost factor that is more than four-tenths lower than the
28 calculation under (b) (i) (A) of this subsection for that rate year.
29 For rate year 2011 and thereafter, the calculation may not result in
30 a flat social cost factor that is more than one and twenty-two one-
31 hundredths percent except for rate year 2021 the calculation may not
32 result in a flat social cost factor that is more than five-tenths
33 percent, for rate year 2022 the calculation may not result in a flat
34 social cost factor that is more than five-tenths percent, for rate
35 year 2023 the calculation may not result in a flat social cost factor
36 that is more than seven-tenths percent, for rate year 2024 the
37 calculation may not result in a flat social cost factor that is more
38 than eighty-five one-hundredths percent, and for rate year 2025 the

1 calculation may not result in a flat social cost factor that is more
2 than nine-tenths percent.

3 (II) If, on the cut-off date, the balance in the unemployment
4 compensation fund is determined by the commissioner to be an amount
5 that will provide ten months of unemployment benefits or less, the
6 flat social cost factor for the rate year immediately following the
7 cut-off date may not increase by more than fifty percent over the
8 previous rate year or may not exceed one and twenty-two one-
9 hundredths percent, whichever is greater.

10 (III) For the purposes of this subsection (1)(b), the
11 commissioner shall determine the number of months of unemployment
12 benefits in the unemployment compensation fund using the benefit cost
13 rate for the average of the three highest calendar benefit cost rates
14 in the twenty consecutive completed calendar years immediately
15 preceding the cut-off date or a period of consecutive calendar years
16 immediately preceding the cut-off date that includes three
17 recessions, if longer.

18 (C) The minimum flat social cost factor calculated under this
19 subsection (1)(b) shall be six-tenths of one percent, except that if
20 the balance in the unemployment compensation fund is determined by
21 the commissioner to be an amount that will provide:

22 (I) At least ten months but less than eleven months of
23 unemployment benefits, the minimum shall be five-tenths of one
24 percent; or

25 (II) At least eleven months but less than twelve months of
26 unemployment benefits, the minimum shall be forty-five hundredths of
27 one percent; or

28 (III) At least twelve months but less than thirteen months of
29 unemployment benefits, the minimum shall be four-tenths of one
30 percent; or

31 (IV) At least thirteen months but less than fifteen months of
32 unemployment benefits, the minimum shall be thirty-five hundredths of
33 one percent; or

34 (V) At least fifteen months but less than seventeen months of
35 unemployment benefits, the minimum shall be twenty-five hundredths of
36 one percent; or

37 (VI) At least seventeen months but less than eighteen months of
38 unemployment benefits, the minimum shall be fifteen hundredths of one
39 percent; or

1 (VII) At least eighteen months of unemployment benefits, the
2 minimum shall be fifteen hundredths of one percent through rate year
3 2011 and shall be zero thereafter.

4 (ii) The graduated social cost factor rate for each employer in
5 the array is the flat social cost factor multiplied by the percentage
6 specified as follows for the rate class to which the employer has
7 been assigned in (a) (ii) of this subsection, except that the sum of
8 an employer's array calculation factor rate and the graduated social
9 cost factor rate may not exceed six percent or, for employers whose
10 North American industry classification system code is within "111,"
11 "112," "1141," "115," "3114," "3117," "42448," or "49312," may not
12 exceed five and four-tenths percent:

13 (A) Rate class 1 - 40 percent;

14 (B) Rate class 2 - 44 percent;

15 (C) Rate class 3 - 48 percent;

16 (D) Rate class 4 - 52 percent;

17 (E) Rate class 5 - 56 percent;

18 (F) Rate class 6 - 60 percent;

19 (G) Rate class 7 - 64 percent;

20 (H) Rate class 8 - 68 percent;

21 (I) Rate class 9 - 72 percent;

22 (J) Rate class 10 - 76 percent;

23 (K) Rate class 11 - 80 percent;

24 (L) Rate class 12 - 84 percent;

25 (M) Rate class 13 - 88 percent;

26 (N) Rate class 14 - 92 percent;

27 (O) Rate class 15 - 96 percent;

28 (P) Rate class 16 - 100 percent;

29 (Q) Rate class 17 - 104 percent;

30 (R) Rate class 18 - 108 percent;

31 (S) Rate class 19 - 112 percent;

32 (T) Rate class 20 - 116 percent; and

33 (U) Rate classes 21 through 40 - 120 percent.

34 (iii) For rate year 2023, for any employer with 10 or fewer
35 employees as reported on the employer's fourth quarter report to the
36 department for 2021 and whose rate class is greater than rate class
37 7, the employer's rate class, only for purposes of the rate classes
38 in (b) (ii) (A) through (U) of this subsection (1), is rate class 7.

39 (iv) For the purposes of this section:

1 (A) "Total social cost" means the amount calculated by
2 subtracting the array calculation factor contributions paid by all
3 employers with respect to the four consecutive calendar quarters
4 immediately preceding the computation date and paid to the employment
5 security department by the cut-off date from the total unemployment
6 benefits paid to claimants in the same four consecutive calendar
7 quarters.

8 (B) "Total taxable payroll" means the total amount of wages
9 subject to tax, as determined under RCW 50.24.010, for all employers
10 in the four consecutive calendar quarters immediately preceding the
11 computation date and reported to the employment security department
12 by the cut-off date.

13 (c) For employers who do not meet the definition of "qualified
14 employer" by reason of failure to pay contributions when due:

15 (i)(A) For an employer who does not enter into an approved
16 agency-deferred payment contract as described in (c)(i)(B) or (C) of
17 this subsection, the array calculation factor rate shall be the rate
18 it would have been if the employer had not been delinquent in payment
19 plus an additional one percent or, if the employer is delinquent in
20 payment for a second or more consecutive year, an additional two
21 percent;

22 (B) For an employer who enters an approved agency-deferred
23 payment contract by September 30th of the previous rate year, the
24 array calculation factor rate shall be the rate it would have been if
25 the employer had not been delinquent in payment;

26 (C) For an employer who enters an approved agency-deferred
27 payment contract after September 30th of the previous rate year, but
28 within thirty days of the date the department sent its first tax rate
29 notice, the array calculation factor rate shall be the rate it would
30 have been had the employer not been delinquent in payment plus an
31 additional one-half of one percent or, if the employer is delinquent
32 in payment for a second or more consecutive year, an additional one
33 and one-half percent;

34 (D) For an employer who enters an approved agency-deferred
35 payment contract as described in (c)(i)(B) or (C) of this subsection,
36 but who fails to make any one of the succeeding deferred payments or
37 fails to submit any succeeding tax report and payment in a timely
38 manner, the array calculation factor rate shall immediately revert to
39 the applicable array calculation factor rate under (c)(i)(A) of this
40 subsection; and

1 (ii) The social cost factor rate shall be the social cost factor
2 rate assigned to rate class 40 under (b) (ii) of this subsection.

3 (d) For all other employers not qualified to be in the array:

4 (i) The array calculation factor rate shall be a rate equal to
5 the average industry array calculation factor rate as determined by
6 the commissioner, multiplied by the history factor, but not less than
7 one percent or more than the array calculation factor rate in rate
8 class 40;

9 (ii) The social cost factor rate shall be a rate equal to the
10 average industry social cost factor rate as determined by the
11 commissioner, multiplied by the history factor, but not more than the
12 social cost factor rate assigned to rate class 40 under (b) (ii) of
13 this subsection; and

14 (iii) The history factor shall be based on the total amounts of
15 benefits charged and contributions paid in the three fiscal years
16 ending prior to the computation date by employers not qualified to be
17 in the array, other than employers in (c) of this subsection, who
18 were first subject to contributions in the calendar year ending three
19 years prior to the computation date. The commissioner shall calculate
20 the history ratio by dividing the total amount of benefits charged by
21 the total amount of contributions paid in this three-year period by
22 these employers. The division shall be carried to the second decimal
23 place with the remaining fraction disregarded unless it amounts to
24 five one-hundredths or more, in which case the second decimal place
25 shall be rounded to the next higher digit. The commissioner shall
26 determine the history factor according to the history ratio as
27 follows:

	History	History
	Ratio	Factor
		(percent)

	At least	Less than	
--	----------	-----------	--

(A)		.95	90
(B)	.95	1.05	100
(C)	1.05		115

35 (2) Assignment of employers by the commissioner to industrial
36 classification, for purposes of this section, shall be in accordance
37 with established classification practices found in the North American
38 industry classification system code.

1 **Sec. 20.** RCW 50.29.041 and 2021 c 2 s 19 are each amended to
2 read as follows:

6 ~~((include))~~ pay a solvency surcharge determined as follows:

7 ~~((1))~~ (a) This section shall apply to employers~~((-l~~

11 that will provide fewer than seven months of unemployment benefits.

12 ~~((2))~~ (b) The solvency surcharge shall be the lowest rate
13 necessary, as determined by the commissioner, but not more than two-
14 tenths of one percent, to provide revenue during the applicable rate
15 year that will fund unemployment benefits for the number of months
16 that is the difference between nine months and the number of months
17 for which the balance in the unemployment compensation fund on the
18 cut-off date will provide benefits.

19 ~~((3))~~ (c) The basis for determining the number of months of
20 unemployment benefits shall be the same basis used in RCW
21 50.29.025(1)(b)(i)(B).

22 (d) Funds collected under this subsection (1) shall be deposited
23 into the unemployment compensation fund.

24 (2) Each employer subject to contributions under RCW 50.24.010
25 shall pay a wage replacement program surcharge determined as follows:

29 commissioner shall determine the wage replacement program surcharge
30 at the lowest rate necessary to provide revenue during the applicable
31 rate year that will fund administration and payments of the program
32 in chapter 50C.--- RCW (the new chapter created in section 22 of this
33 act); however, the total combined rate of (b) of this subsection (2)
34 and the rate provided in RCW 50.24.014(1)(a) may not exceed eight
35 one-hundredths of one percent;

36 (c) Funds collected under this subsection (2) must be deposited
37 into the Washington wage replacement account created in section 2 of
38 this act.

11 lieu of contributions, taxable local government employers as
12 described in RCW 50.44.035, and those employers who are required to

15 shall be determined under RCW 50.24.010.

16 (b) A separate and identifiable account is established in the
17 administrative contingency fund for financing the employment security
18 department's administrative costs under RCW 50.22.150 and 50.22.155

20 (2)(m). All money in this account shall be expended solely for the
21 purposes of this title and for no other purposes whatsoever.
22 Contributions to this account shall accrue and become payable by each
23 employer, except employers as described in RCW 50.44.010 and

30 of one one-hundredth of one percent. The amount of wages subject to
31 tax shall be determined under RCW 50.24.010. Any amount of
32 contributions payable under this subsection (1)(b) that exceeds the

35 in (a) of this subsection.

36 (2)(a) Contributions under this section shall become due and be
37 paid by each employer under rules as the commissioner may prescribe,
38 and shall not be deducted, in whole or in part, from the remuneration
39 of individuals in the employ of the employer. Any deduction in
40 violation of this section is unlawful.

1 (b) In the payment of any contributions under this section, a
2 fractional part of a cent shall be disregarded unless it amounts to
3 one-half cent or more, in which case it shall be increased to one
4 cent.

5 (3) If the commissioner determines that federal funding has been
6 increased to provide financing for the services specified in chapter
7 50.62 RCW, the commissioner shall direct that collection of
8 contributions under this section be terminated on the following
9 January 1st.

10 (4) During the 2023-2025 fiscal biennium, moneys in the account

22 conflicting part of this act is inoperative solely to the extent of
23 the conflict, and the finding or determination does not affect the

25 must meet federal requirements that are a necessary condition to the
26 receipt of federal funds by the state or the granting of federal
27 unemployment tax credits to employers in this state.
