32 officer (~~that results in~~), or any other use of force that may have  
33 caused or contributed, directly or indirectly to death, substantial  
34 bodily harm, or great bodily harm, or any in-custody death, the  
35 involved agency must immediately contact the office pursuant to the  
36 procedure established by the director once the involved agency  
37 personnel and other first responders have rendered the scene safe and  
38 provided or facilitated lifesaving first aid to persons at the scene

1 who have life-threatening injuries. This requirement does not affect  
2 the duty of law enforcement under RCW 36.28A.445.

3 (b) In all other cases, the involved agency must notify the  
4 office of the incident pursuant to the procedure established by the  
5 director.

6 (2)(a) In any case that requires notice to the director under  
7 this section, the involved agency shall ensure that any officers or  
8 employees over which the involved agency has authority who are at the  
9 scene of the incident take all lawful measures necessary for the  
10 purposes of protecting, obtaining, or preserving evidence relating to  
11 the incident until an office investigator, or independent  
12 investigation team at the request of the office, takes charge of the  
13 scene.

14 (b) The primary focus of the involved agency must be the  
15 protection and preservation of evidence in order to maintain the  
16 integrity of the scene until the office investigator or independent  
17 investigation team arrives or otherwise provides direction regarding  
18 activities at the scene. The involved agency should ensure that  
19 evidence, including but not limited to the following is protected and  
20 preserved:

21 (i) Physical evidence that is at risk of being destroyed or  
22 disappearing and cannot be easily reconstructed, including evidence  
23 which may be degraded or tainted by human or environmental factors if  
24 left unprotected or unpreserved;

26 incident; and

27 (iii) Photographs and other methods of documenting the location  
28 of physical evidence and location and perspective of witnesses.

29 (3)(a) When the office investigator, or independent investigation  
30 team acting at the request of the office, arrives at the scene of an  
31 incident under the jurisdiction of the office, the involved agency  
32 will relinquish control of the scene to the office investigator or  
33 independent investigation team upon the request of the office  
34 investigator. The involved agency has a duty to comply with the  
35 requests of the office related to the investigation conducted  
36 pursuant to this chapter.

37 (b) Once the scene is relinquished, no member of the involved  
38 agency may participate in any way in the investigation, with the  
39 exception of the use of specialized equipment that is necessary for  
40 the investigation and where no alternative exists. If there is any

1 equipment of the involved agency used in the investigation, steps  
2 must be taken to appropriately limit the role of any involved agency  
3 personnel in facilitating the use of that equipment or their  
4 engagement with the investigation.

5 (4) If an independent investigation team takes control of the  
6 scene at the request of the office, the independent investigation  
7 team shall relinquish control of the scene and investigation at the  
8 request of the office when the office is on the scene or otherwise  
9 provides notice that the office is taking control of the scene. The  
10 independent investigation team may ~~((continue to))~~ engage in the  
11 investigation ~~((conducted at the scene))~~ if requested to do so by the  
12 lead office investigator, director, or the director's designee. The  
13 involvement of the independent investigation team is limited to  
14 activities requested by the office and must terminate following the  
15 securing of the scene and any evidence preservation or other actions  
16 as determined necessary by the office ~~((at the scene))~~. The  
17 independent investigation team may not continue to participate in the  
18 ongoing investigation.

19 (5) (a) No information about the ongoing independent investigation  
20 under the jurisdiction of the office may be shared with any member of  
21 the involved agency, except as follows:

22 (i) Limited briefings given to the chief or sheriff of the  
23 involved agency about the progress of the investigation; or

24 (ii) Information essential to protect the safety of the community  
25 or the integrity of any ongoing, urgent criminal investigation; and

26 (iii) Sharing of the information will not impede the ongoing  
27 investigation being conducted by the office.

28 (b) No information provided under (a) of this subsection may be  
29 divulged to any involved officers or witness officers. If any  
30 information is disclosed pursuant to (a)(ii) of this subsection, the  
31 following must also occur:

32 (i) The office must document the exact information provided, to  
33 whom it was provided, and the reason it was provided;

34 (ii) The involved agency must agree in writing that no involved  
35 officer or witness officer will have access to the information other  
36 than what is released to the general public. Any press release  
37 containing information provided by the office pursuant to this  
38 section must be preapproved by the office; and

39 (iii) The person, family, or representative of any person who is  
40 the subject of the action by the involved officer that is under

1 investigation by the office must be notified by the office that the  
2 information was provided and, as soon as possible without  
3 jeopardizing the integrity of any investigation, be provided with the  
4 information contained in (b) (i) and (ii) of this subsection.

5 (6) If the office declines to investigate a case, the authority  
6 and duty to investigate remains with the independent investigation  
7 team or local law enforcement authority with jurisdiction over the  
8 incident.

17 been referred to the prosecutor for a decision on whether criminal  
18 charges should be filed; and

19 (2) All noninvestigative records related to a review or
