1            AN ACT Relating to establishing a child care workforce standards  
2 board; adding a new chapter to Title 49 RCW; and creating a new  
3 section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5            NEW SECTION.    **Sec. 1.**    (1) The legislature finds and declares the  
6 following:

7            (a) High quality child care and early learning enable parents to  
8 go to work, keeping the economy going at all levels and returning six  
9 dollars in value for every one dollar invested. High quality early  
10 learning services help prepare children for success in school and in  
11 life. A high quality child care and early learning system depends on  
12 a thriving, healthy, and competitively compensated workforce. Current  
13 conditions for child care workers have resulted in lack of access,  
14 unaffordable prices, and poorer outcomes for children and families;

15            (b) Low compensation and poor working conditions impair the  
16 health, efficiency, and well-being of persons employed to provide  
17 child care, constitute unfair competition against other employers and  
18 their employees, threaten the stability of the child care market,  
19 create economic instability for providers, and result in a provider  
20 workforce that must rely in public and private assistance to support  
21 their own families;

1 (c) The fissured nature of child care workplaces exacerbates  
2 these conditions and create barriers preventing workers from being  
3 able to address these problems on their own; and

4 (d) Employment under these conditions threatens the health and  
5 well-being of the people of Washington and injures the overall  
6 economy.

7 (2) Therefore, it is the declared policy of the state that such  
8 working conditions for child care workers be eliminated as rapidly as  
9 practicable through establishment of a workforce standards board  
10 comprised of employer and worker representatives and state agency  
11 representatives to recommend minimum compensation and other  
12 employment standards.

13 NEW SECTION. **Sec. 2.** The definitions in this section apply  
14 throughout this chapter unless the context clearly requires  
15 otherwise.

16 (1) "Board" means the Washington state child care workforce  
17 standards board established pursuant to this chapter.

18 (2)(a) "Child care employer" means any employer of child care

22 providing child care or early learning services requiring a child  
23 care provider license or certification from the department of  
24 children, youth, and families.

25 (3)(a) "Child care worker" means any worker providing child care  
26 services, excluding administrative staff, at a child care provider  
27 licensed or certified by the department of children, youth, and  
28 families. "Child care worker" includes family child care providers as  
29 defined in RCW 41.56.030.

31 provider described under subsection (2)(b) of this section.

2 number of child care workers in Washington, have selected as a  
3 representative.

34 A member serves until a successor is appointed.

35 (3)(a) The governor must make initial appointments to the board  
36 no later than September 1, 2026. The initial terms for board members

2 section shall serve a two-year term;

16 board to approve recommendations.

17 (7) To carry out its duties, the board shall hold public hearings  
18 that include public comment on, gather data on, and conduct  
19 investigations into, working conditions in the child care industry in  
20 accordance with section 4 of this act.

27 member access to data to meet the requirements of this subsection.

28 (11) The board is subject to the requirements of chapters 34.05  
29 and 42.56 RCW.

30 NEW SECTION. **Sec. 4.** (1)(a) The board must meet quarterly and

21 care employers for the provision of services under a child care
