AS AMENDED BY THE SENATE

Passed Legislature - 2025 Regular Session

**State of Washington                      69th Legislature                      2025 Regular Session**

**By** House Transportation (originally sponsored by Representatives Leavitt, Goodman, Ryu, and Berry)

READ FIRST TIME 02/28/25.

1            AN ACT Relating to accountability for persons for speeding;  
2 amending RCW 10.21.030, 46.20.2892, 46.20.391, and 46.61.500;  
3 reenacting and amending RCW 43.84.092; adding new sections to chapter  
4 46.04 RCW; adding a new section to chapter 42.56 RCW; adding a new  
5 section to chapter 46.61 RCW; adding a new section to chapter 46.68  
6 RCW; adding a new section to chapter 46.70 RCW; adding new sections  
7 to chapter 46.20 RCW; creating new sections; prescribing penalties;  
8 and providing an effective date.

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

10            NEW SECTION.    **Sec. 1.** It is the intent of the legislature to  
11 keep the public safe when on the road. Nationwide, 29 percent of all  
12 crash fatalities occurred in speed-related crashes in 2022. In 2023,  
13 more than 30 percent of fatal crashes involved speeding on Washington  
14 roads. Speeding continues to be a component of traffic deaths, and  
15 law enforcement is increasingly dealing with more speed-related  
16 incidents. The legislature finds that all Washington drivers are at  
17 risk when speeding is involved, and solutions to change public  
18 behavior are needed.

19            Additionally, according to the American motor vehicle  
20 administration, more than 70 percent of people with suspended  
21 licenses continue to drive during the suspension period. By

1 leveraging technology to enable individuals to continue driving and  
2 prevent speeding, the legislature intends to enhance road safety to  
3 promote safer driving habits and keep the public safe.

4 NEW SECTION. **Sec. 2.** A new section is added to chapter 46.04  
5 RCW to read as follows:

6 "Excessive speeding" means traveling at:

- 7 (1) 10 miles per hour or greater in excess of the posted speed  
8 limit, if the posted speed limit is 40 miles per hour or less; and  
9 (2) 20 miles per hour or greater in excess of the posted speed  
10 limit, if the posted speed limit is greater than 40 miles per hour.

11 NEW SECTION. **Sec. 3.** A new section is added to chapter 46.04  
12 RCW to read as follows:

13 "Intelligent speed assistance device" means a technical device  
14 designed to be installed within a motor vehicle to actively monitor  
15 and prevent the driver from exceeding a preset limit. "Intelligent  
16 speed assistance device" does not include any technology that is  
17 provided by the vehicle manufacturer as a component of a new motor  
18 vehicle and that controls or affects the speed of a motor vehicle.

19 NEW SECTION. **Sec. 4.** (1) A person may not drive a motor  
20 vehicle, unless it is equipped with a functioning intelligent speed  
21 assistance device, configured and programmed as provided in section  
22 5(3) of this act, if the device is required:

23 (a) For the issuance of a temporary restricted driver's license  
24 or an occupational driver's license, under the terms of RCW  
25 46.20.391(4);

26 (b) Under the applicable terms of probation under RCW  
27 46.20.2892(1) or 46.61.500(4); or

28 (c) Pursuant to court order under section 8 of this act or RCW  
29 10.21.030.

30 (2) The requirement to use the device under subsection (1) of  
31 this section with respect to a temporary restricted driver's license  
32 or occupational driver's license under RCW 46.20.391 remains in  
33 effect during the validity of any such license that has been issued  
34 to the person.

35 (3) (a) A person who operates a motor vehicle with an intelligent  
36 speed assistance device remains exclusively responsible for the

1 operation of the motor vehicle in a safe and lawful manner at all  
2 times.

3 (b) The obligation under this section to use an intelligent speed  
4 assistance device is not a defense or mitigating circumstance to a  
5 violation of rules of the road, as set forth in law.

6 (4) (a) Except as provided in (b) of this subsection, the  
7 installation of an intelligent speed assistance device is not  
8 necessary on vehicles owned, leased, or rented by a person's employer  
9 and on those vehicles whose care and/or maintenance is the temporary  
10 responsibility of the employer, and driven at the direction of a  
11 person's employer as a requirement of employment during working  
12 hours. The person must provide the department with a declaration  
13 pursuant to chapter 5.50 RCW from his or her employer stating that  
14 the person's employment requires the person to operate a vehicle  
15 owned by the employer or other persons during working hours. When the  
16 department receives a declaration under this subsection, it shall  
17 attach or imprint a notation on the person's driving record stating  
18 that the employer exemption applies.

19 (b) The employer exemption does not apply when the employer's  
20 vehicle is assigned exclusively to the restricted driver and used  
21 solely for commuting to and from employment.

22 (5) Unless costs are waived by the intelligent speed assistance  
23 device company or the person is indigent under RCW 10.101.010, a  
24 person subject to the requirements of subsection (1) of this section  
25 shall pay the costs of installing, removing, and leasing the  
26 intelligent speed assistance device and shall pay an additional fee  
27 of \$21 per month. Payments must be made directly to the intelligent  
28 speed assistance device company. The company shall remit the  
29 additional fee to the department to be deposited into the intelligent  
30 speed assistance device revolving account under section 9 of this  
31 act, except that the company may retain 25 cents per month of the  
32 additional fee to cover the expenses associated with administering  
33 the fee. The department may waive the monthly fee if the person is  
34 indigent under RCW 10.101.010.

35 (6) For a person restricted under this section who is residing  
36 outside of the state of Washington, the department may accept  
37 verification of installation of an intelligent speed assistance  
38 device by an intelligent speed assistance device company authorized  
39 to do business in the jurisdiction or within a 75 mile radius of the  
40 jurisdiction in which the person resides, provided the device meets

1 any applicable requirements of that jurisdiction. The department may  
2 waive the monthly fee required in subsection (5) of this section if  
3 collection of the fee would be impractical in the case of a person  
4 residing in another jurisdiction.

5 (7) The department may issue rules to implement this section.

6 NEW SECTION. **Sec. 5.** (1) To be eligible to install, repair,  
7 maintain, monitor, or remove an intelligent speed assistance device,  
8 a person must apply to the department and meet the requirements as  
9 provided in this section.

10 (2) An applicant seeking approval to install the device must  
11 submit a declaration to the department that the device is an  
12 intelligent speed assistance device as defined in section 3 of this  
13 act and, when installed in a vehicle, is configured and programmed as  
14 provided in subsection (3) of this section.

15 (3)(a) An intelligent speed assistance device must employ a  
16 technology using a global positioning system and must be programmed  
17 to limit the velocity of a moving vehicle to the posted speed limit,  
18 except as provided in (b) of this subsection.

19 (b) The intelligent speed assistance device must include an  
20 override function to allow the vehicle to exceed the speed limit on  
21 no more than three occasions in each calendar month. The use of the  
22 override function under this subsection is subject to the  
23 requirements and limitations of RCW 46.61.425.

24 (c) All data collected under this act must be securely maintained  
25 by an intelligent speed assistance device company and may not be  
26 shared with any third parties, except for data pertaining to  
27 installation and removal of the device, without a court order.

28 (4) To maintain eligibility under this section, a person must  
29 submit the results of a criminal background check to the department  
30 annually for any individual that is hired to install, repair,  
31 maintain, monitor, or remove the device.

32 (5) The department may issue rules regarding the application  
33 process and eligibility under this section.

34 NEW SECTION. **Sec. 6.** (1) A person who is restricted to the use  
35 of a vehicle equipped with an intelligent speed assistance device is  
36 guilty of a gross misdemeanor if the restricted driver:

37 (a) Tamper with the device or any components of the device, or  
38 otherwise interferes with the proper functionality of the device, by

1 modifying, detaching, disconnecting, or otherwise disabling it to  
2 allow the restricted driver to operate the vehicle; or

3 (b) Has, directs, authorizes, or requests another person to  
4 tamper with the device or any components of the device, or otherwise  
5 interfere with the proper functionality of the device, by modifying,  
6 detaching, disconnecting, or otherwise disabling it to allow the  
7 restricted driver to operate the vehicle.

8 (2) A person who knowingly assists another person who is  
9 restricted to the use of a vehicle equipped with an intelligent speed  
10 assistance device to circumvent the device or any components of the  
11 device, or otherwise interferes with the proper functionality of the  
12 device, or to start and operate that vehicle is guilty of a gross  
13 misdemeanor. The provisions of this subsection do not apply if the  
14 starting of a motor vehicle, or the request to start a motor vehicle,  
15 equipped with an intelligent speed assistance device is done for the  
16 purpose of safety or mechanical repair of the device or the vehicle  
17 and the person subject to the court order does not operate the  
18 vehicle.

19 NEW SECTION. **Sec. 7.** A new section is added to chapter 42.56  
20 RCW to read as follows:

21 Any data collected by an intelligent speed assistance device as  
22 defined in section 3 of this act is exempt from disclosure under this  
23 chapter.

24 NEW SECTION. **Sec. 8.** A new section is added to chapter 46.61  
25 RCW to read as follows:

26 When sentencing a person convicted of any criminal offense under  
27 this chapter or a violation of any other provision of law that  
28 constitutes a misdemeanor, gross misdemeanor, or felony, the court  
29 may impose, as a condition of probation, a requirement regarding the  
30 installation and use of a functioning intelligent speed assistance  
31 device installed on all motor vehicles operated by the person. If the  
32 court finds that the person engaged in excessive speeding during the  
33 commission of the offense, the court shall impose the use of a  
34 functioning intelligent speed assistance device installed on all  
35 motor vehicles operated by the person for a period of not less than  
36 six months.

1        NEW SECTION.    **Sec. 9.**    A new section is added to chapter 46.68  
2    RCW to read as follows:

3        The intelligent speed assistance device revolving account is  
4    created in the state treasury. All receipts from the fee assessed  
5    under section 4(5) of this act must be deposited into the account.  
6    Moneys in the account may be spent only after appropriation.  
7    Expenditures from the account may be used for administering and  
8    operating the intelligent speed assistance device revolving account  
9    program, implementing effective strategies to reduce motor vehicle-  
10   related deaths and serious injuries related to excessive speed.

11       NEW SECTION.    **Sec. 10.**    A new section is added to chapter 46.70  
12    RCW to read as follows:

13        (1) A manufacturer, distributor, or retailer of a motor vehicle  
14    is not liable for any loss, injury, or damages caused by the design,  
15    manufacture, installation, improper installation, use, or misuse of  
16    an intelligent speed assistance device. However, liability does exist  
17    if the manufacturer, distributor or retailer knowingly engages in a  
18    repair or update to the intelligent speed assistance device and such  
19    repair or update proximately causes loss, injury, or damage.

20        (2) Nothing in this chapter requires a manufacturer, distributor,  
21    or retailer of a motor vehicle to manufacture, distribute, or offer  
22    for sale a motor vehicle that includes or is compatible with an  
23    intelligent speed assistance device.

24        (3) Nothing in this chapter prohibits a lessor or lienholder from  
25    requiring that a motor vehicle lessee or owner notify the lessor or  
26    lienholder that an intelligent speed assistance device has been  
27    installed on a motor vehicle that is subject to a lease or finance  
28    agreement.

29        **Sec. 11.**    RCW 10.21.030 and 2018 c 276 s 4 are each amended to  
30    read as follows:

31        (1) The judicial officer in any felony, misdemeanor, or gross  
32    misdemeanor case may at any time amend the order to impose additional  
33    or different conditions of release. The conditions imposed under this  
34    chapter supplement but do not supplant provisions of law allowing the  
35    imposition of conditions to assure the appearance of the defendant at  
36    trial or to prevent interference with the administration of justice.

37        (2) Appropriate conditions of release under this chapter include,  
38    but are not limited to, the following:

- 1 (a) The defendant may be placed in the custody of a pretrial  
2 release program;
- 3 (b) The defendant may have restrictions placed upon travel,  
4 association, or place of abode during the period of release;
- 5 (c) The defendant may be required to comply with a specified  
6 curfew;
- 7 (d) The defendant may be required to return to custody during  
8 specified hours or to be placed on electronic monitoring, as defined  
9 in RCW 9.94A.030, if available. The defendant, if convicted, may not  
10 have the period of incarceration reduced by the number of days spent  
11 on electronic monitoring;
- 12 (e) The defendant may be required to comply with a program of  
13 home detention. For a felony offense, home detention is defined in  
14 RCW 9.94A.030;
- 15 (f) The defendant may be prohibited from approaching or  
16 communicating in any manner with particular persons or classes of  
17 persons;
- 18 (g) The defendant may be prohibited from going to certain  
19 geographical areas or premises;
- 20 (h) The defendant may be prohibited from possessing any dangerous  
21 weapons or firearms;
- 22 (i) The defendant may be prohibited from possessing or consuming  
23 any intoxicating liquors or drugs not prescribed to the defendant.  
24 The defendant may be required to submit to testing to determine the  
25 defendant's compliance with this condition;
- 26 (j) The defendant may be prohibited from operating a motor  
27 vehicle that is not equipped with an ignition interlock device;
- 28 (k) The defendant may be prohibited from operating a motor  
29 vehicle that is not equipped with an intelligent speed assistance  
30 device, as defined in section 3 of this act and configured and  
31 programmed as provided in section 5(3) of this act;
- 32 (l) The defendant may be required to report regularly to and  
33 remain under the supervision of an officer of the court or other  
34 person or agency; and
- 35 ~~((l))~~ (m) The defendant may be prohibited from committing any  
36 violations of criminal law.

37 **Sec. 12.** RCW 46.20.2892 and 2021 c 240 s 7 are each amended to  
38 read as follows:

1 (1) (a) Whenever the official records of the department show that  
2 a person has committed a traffic infraction for a moving violation on  
3 three or more occasions within a one-year period, or on four or more  
4 occasions within a two-year period, the department must suspend the  
5 license of the driver for a period of 60 days and establish a period  
6 of probation for one calendar year to begin when the suspension ends.  
7 Prior to reinstatement of a license, the person must complete a safe  
8 driving course as recommended by the department. During the period of  
9 probation, and subject to the requirements of (b) of this subsection,  
10 the person must not be convicted of any additional traffic  
11 infractions for moving violations. Any traffic infraction for a  
12 moving violation committed during the period of probation shall  
13 result in an additional 30-day suspension to run consecutively with  
14 any suspension already being served.

15 (b) (i) During the first 120 days of the period of probation,  
16 following the period of suspension for an accumulation of moving  
17 violations under this section in which one or more of the violations  
18 is for excessive speeding, as defined in section 2 of this act, the  
19 person may not operate a vehicle upon which a properly functioning  
20 intelligent speed assistance device has not been installed. The  
21 operation of a vehicle without such a properly functioning  
22 intelligent speed assistance device is a traffic infraction.

23 (2) When a person has committed a traffic infraction for a moving  
24 violation on two occasions within a one-year period or three  
25 occasions within a two-year period, the department shall send the  
26 person a notice that an additional infraction will result in  
27 suspension of the person's license for a period of 60 days.

28 (3) The department may not charge a reissue fee at the end of the  
29 term of suspension under this section.

30 (4) For purposes of this section, multiple traffic infractions  
31 issued during or as the result of a single traffic stop constitute  
32 one occasion.

33 (5) A person who is required to operate a motor vehicle with an  
34 intelligent speed assistance device under subsection (1) of this  
35 section remains exclusively responsible for operation of the motor  
36 vehicle in a safe and lawful manner at all times. The obligation  
37 under subsection (1) of this section to use an intelligent speed  
38 assistance device is not a defense or mitigating circumstance to a  
39 violation of rules of the road, as set forth in law.

1       **Sec. 13.** RCW 46.20.391 and 2021 c 240 s 10 are each amended to  
2 read as follows:

3       (1) Any person licensed under this chapter who is convicted of an  
4 offense relating to motor vehicles for which suspension or revocation  
5 of the driver's license is mandatory, other than vehicular homicide,  
6 vehicular assault, driving while under the influence of intoxicating  
7 liquor or any drug, or being in actual physical control of a motor  
8 vehicle while under the influence of intoxicating liquor or any drug,  
9 may submit to the department an application for a temporary  
10 restricted driver's license. The department, upon receipt of the  
11 prescribed fee and upon determining that the petitioner is eligible  
12 to receive the license, may issue a temporary restricted driver's  
13 license and may set definite restrictions as provided in RCW  
14 46.20.394.

15       (2)(a) A person licensed under this chapter whose driver's  
16 license is suspended administratively due to failure to appear or  
17 respond pursuant to RCW 46.20.289; a violation of the financial  
18 responsibility laws under chapter 46.29 RCW; or for multiple  
19 violations within a specified period of time under RCW 46.20.291, may  
20 apply to the department for an occupational driver's license.

21       (b) An occupational driver's license issued to an applicant  
22 described in (a) of this subsection shall be valid for the period of  
23 the suspension or revocation.

24       (3) An applicant for an occupational or temporary restricted  
25 driver's license who qualifies under subsection (1) or (2) of this  
26 section is eligible to receive such license only if:

27       (a) Within seven years immediately preceding the date of the  
28 offense that gave rise to the present conviction or incident, the  
29 applicant has not committed vehicular homicide under RCW 46.61.520 or  
30 vehicular assault under RCW 46.61.522; and

31       (b) The applicant demonstrates that it is necessary for him or  
32 her to operate a motor vehicle because he or she:

33       (i) Is engaged in an occupation or trade that makes it essential  
34 that he or she operate a motor vehicle;

35       (ii) Is undergoing continuing health care or providing continuing  
36 care to another who is dependent upon the applicant;

37       (iii) Is enrolled in an educational institution and pursuing a  
38 course of study leading to a diploma, degree, or other certification  
39 of successful educational completion;

1 (iv) Is undergoing substance abuse treatment or is participating  
2 in meetings of a (~~twelve-step~~) 12-step group such as Alcoholics  
3 Anonymous that requires the petitioner to drive to or from the  
4 treatment or meetings;

5 (v) Is fulfilling court-ordered community service  
6 responsibilities;

7 (vi) Is in a program that assists persons who are enrolled in a  
8 WorkFirst program pursuant to chapter 74.08A RCW to become gainfully  
9 employed and the program requires a driver's license;

10 (vii) Is in an apprenticeship, on-the-job training, or welfare-  
11 to-work program; or

12 (viii) Presents evidence that he or she has applied for a  
13 position in an apprenticeship or on-the-job training program for  
14 which a driver's license is required to begin the program, provided  
15 that a license granted under this provision shall be in effect for no  
16 longer than (~~fourteen~~) 14 days; and

17 (c) The applicant files satisfactory proof of financial  
18 responsibility under chapter 46.29 RCW; and

19 (d) Upon receipt of evidence that a holder of an occupational  
20 driver's license granted under this subsection is no longer enrolled  
21 in an apprenticeship or on-the-job training program, the director  
22 shall give written notice by first-class mail to the driver that the  
23 occupational driver's license shall be canceled. If at any time  
24 before the cancellation goes into effect the driver submits evidence  
25 of continued enrollment in the program, the cancellation shall be  
26 stayed. If the cancellation becomes effective, the driver may obtain,  
27 at no additional charge, a new occupational driver's license upon  
28 submittal of evidence of enrollment in another program that meets the  
29 criteria set forth in this subsection; and

30 (e) The department shall not issue an occupational driver's  
31 license under (b)(iv) of this subsection if the applicant is able to  
32 receive transit services sufficient to allow for the applicant's  
33 participation in the programs referenced under (b)(iv) of this  
34 subsection.

35 (4)(a)(i) If a person has applied for a temporary restricted  
36 driver's license because the person's license has been suspended  
37 under RCW 46.61.500(2), the terms of a license issued under this  
38 section must require the person to use a properly functioning  
39 intelligent speed assistance device while operating a motor vehicle.

1 (ii) If a person has applied for an occupational driver's license  
2 because the person's license has been suspended administratively as a  
3 result of an accumulation of moving violations under RCW 46.20.2892,  
4 and at least one of the violations was for excessive speeding, the  
5 terms of an occupational driver's license issued under this section  
6 must require the person to use a properly functioning intelligent  
7 speed assistance device while operating a motor vehicle.

8 (b) A person subject to the requirements in (a) of this  
9 subsection may not operate a motor vehicle without such a properly  
10 functioning device during the duration of the license.

11 (c) (i) A person who operates a motor vehicle with an intelligent  
12 speed assistance device remains exclusively responsible for the  
13 operation of the motor vehicle in a safe and lawful manner at all  
14 times.

15 (ii) The obligation under this subsection (4) to use an  
16 intelligent speed assistance device is not a defense or mitigating  
17 circumstance to a violation of rules of the road, as set forth in  
18 law.

19 (5) A person aggrieved by the decision of the department on the  
20 application for an occupational or temporary restricted driver's  
21 license may request a hearing as provided by rule of the department.

22 ~~((+5))~~ (6) The director shall cancel an occupational or  
23 temporary restricted driver's license after receiving notice that the  
24 holder thereof has been convicted of operating a motor vehicle in  
25 violation of its restrictions, no longer meets the eligibility  
26 requirements, or has been convicted of or found to have committed a  
27 separate offense or any other act or omission that under this chapter  
28 would warrant suspension or revocation of a regular driver's license.  
29 The department must give notice of the cancellation as provided under  
30 RCW 46.20.245. A person whose occupational or temporary restricted  
31 driver's license has been canceled under this section may reapply for  
32 a new occupational or temporary restricted driver's license if he or  
33 she is otherwise qualified under this section and pays the fee  
34 required under RCW 46.20.380.

35 **Sec. 14.** RCW 46.61.500 and 2020 c 330 s 14 are each amended to  
36 read as follows:

37 (1) Any person who drives any vehicle in willful or wanton  
38 disregard for the safety of persons or property is guilty of reckless  
39 driving. ~~((Violation))~~ Except as provided in subsection (4) of this

1 section, violation of the provisions of this section is a gross  
2 misdemeanor punishable by imprisonment for up to (~~three hundred~~  
3 ~~sixty-four~~) 364 days and by a fine of not more than (~~five thousand~~  
4 ~~dollars~~) \$5,000.

5 (2) (a) Subject to (b) of this subsection, the license or permit  
6 to drive or any nonresident privilege of any person convicted of  
7 reckless driving shall be suspended by the department for not less
