18 proportion of clients that are covered by programs administered
19 pursuant to chapter 74.09 RCW. The state must cover the cost for

10 plans.

11 (ii) For entities listed in (c)(i) of this subsection, a

14 operating the program not covered under (b) of this subsection and
15 multiplying it by a fraction that in which the numerator is the
16 entity's total number of resident insured persons among the
17 population served by the program and the denominator is the total
18 number of residents in the state who are served by the program and
19 not covered by programs administered pursuant to chapter 74.09 RCW.

21 served by the program shall be determined according to the covered
