By Senators Valdez and Trudeau

Prefiled 12/24/24.

1 AN ACT Relating to creating the Washington dream act service
2 incentive program; adding a new chapter to Title 28B RCW; and
3 creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The definitions in this section apply
6 throughout this chapter unless the context clearly requires
7 otherwise.

8 (1) "Eligible student" means a student who meets the necessary
9 program requirements under section 3 of this act.

10 (2) "Institution of higher education" has the same meaning as in
11 RCW 28B.92.030.

12 (3) "Office" means the office of student financial assistance
13 created in RCW 28B.76.090.

14 (4) "Approved institution or organization" means an institution
15 of higher education, nonprofit organization, for-profit business
16 entity, or a governmental entity approved for participation in the
17 Washington dream act service incentive grant program by the office
18 under section 4 of this act.

19 NEW SECTION. **Sec. 2.** (1) The Washington dream act service
20 incentive grant program is established in accordance with this act

1 for the purpose of awarding grants to eligible students for community
2 or volunteer service. The office shall develop and administer the
3 service incentive grant program and may create and enter into
4 agreements with employers and institutions of higher education to
5 implement this chapter.

6 (2) Beginning in the 2025-26 academic year, the office shall
7 disperse grant awards to approved institutions for the awarding of
8 grants to eligible students for the completion of hours of service
9 for an approved institution or organization.

10 (3)(a) Grant awards shall be based on an eligible student's
11 financial need as determined by the office through the Washington
12 application for state financial aid. Student eligibility for the
13 grant program shall be determined by the office of student financial
14 aid of the institution of higher education in which the student is
15 enrolled or in which they have indicated that they will attend.

16 (b)(i) In calculating the awarding of grants and final grant
17 award amounts, the institution of higher education must take into
18 consideration other grants or financial aid that an eligible student
19 has been awarded.

20 (ii) Once a student is identified as eligible and an award is
21 calculated, the institution of higher education shall submit
22 anticipated awards and payment requests to the office using a process
23 established by the office.

24 (iii) Grant awards per term shall be calculated by multiplying
25 the number of hours of service to be performed per week by the number
26 of weeks in the academic term by the adjusted minimum wage rate
27 calculated by the department of labor and industries under RCW
28 49.46.020(2)(b), with consideration of other awarded financial aid
29 under (b)(i) of this subsection.

30 (c) Grant awards shall be disbursed by the institution of higher
31 education at the beginning of the academic term.

32 (4) The community or volunteer service performed by the
33 participating student:

34 (a) May not exceed 19 hours per week; and

35 (b) May not be advocacy of a political or religious nature.

36 (5)(a) The office shall establish a standardized method of
37 verification of completed service for participating students. Upon
38 verification of performed service by the institution of higher
39 education, the office of student financial aid of the institution of
40 higher education shall approve the grant for the subsequent academic

1 term unless the student is otherwise no longer eligible to
2 participate in the program.

3 (b) If a participating student does not provide the documentation
4 required under (a) of this subsection, the institution of higher
5 education shall lease the estimated award in a nondisbursing status.

6 (6) Preference for participation in the program must be given to
7 eligible students who are not eligible for participation in the state
8 work-study program under chapter 28B.12 RCW.

9 (7) A grant awarded under the program shall not offset or replace
10 any other source of grant aid including, but not limited to,
11 institutional aid and scholarships.

12 NEW SECTION. **Sec. 3.** (1) In order to be eligible to participate
13 in the Washington dream act service incentive grant program, a

20 institution of higher education or is enrolled for at least six
21 quarter credits or the equivalent semester credits and is making
22 satisfactory progress in a program, as defined in rule by the office,
23 at an institution of higher education;

24 (d) The student has demonstrated financial need as defined in RCW
25 28B.92.030; and

26 (e) The student must not qualify for federally funded student
27 financial aid because of their immigration status.

28 (2) Determination of a student's eligibility for the Washington
29 dream act service incentive grant program under this chapter shall be
30 made by the office of student financial aid of the institution of
31 higher education in which the student is enrolled or in which they
32 have indicated that they will attend.

33 NEW SECTION. **Sec. 4.** (1) In order for community or volunteer
34 service performed by a participating student to be eligible for this
35 program, the organization or institution must:

21 comply with appropriate federal, state, and civil rights laws; and

22 (d) Any institution, organization, or entity in which a
23 participating student is an owner, part owner, board member, or
24 executive.

25 (3) An approved institution, organization, or entity must report
26 the service hours of the participating students according to the
27 process established by the office.

28 NEW SECTION. **Sec. 5.** The office may adopt rules necessary for
29 the effective and efficient implementation of this act.

30 NEW SECTION. **Sec. 6.** Sections 1 through 5 of this act
31 constitute a new chapter in Title 28B RCW.
