(2) There shall be a cannabis processor's license to process, package, and label cannabis concentrates, useable cannabis, and cannabis-infused products for sale at wholesale to cannabis processors and cannabis retailers, regulated by the board and subject to annual renewal. The processing, packaging, possession, delivery, distribution, and sale of cannabis, useable cannabis, cannabis-infused products, and cannabis concentrates in accordance with the provisions of this chapter and chapter 69.51A RCW and the rules adopted to implement and enforce these chapters, by a validly licensed cannabis processor, shall not be a criminal or civil offense under Washington state law. Every cannabis processor's license shall be issued in the name of the applicant, shall specify the location at which the licensee intends to operate, which must be within the state of Washington, and the holder thereof shall not allow any other person to use the license. (b)(i) An individual retail licensee and all other persons or entities with a financial or other ownership interest in the business operating under the license are limited, in the aggregate, to holding a collective total of not more than five retail cannabis licenses.

(ii) A retail licensee and all other persons or entities with a financial or other ownership interest may not enter into any management agreement under RCW 69.50.331(1)(b)(iv) or any agreement as referenced in RCW 69.50.395, whether or not in exchange for payment, that confers a financial interest across more than five retail cannabis licenses. For the purposes of this subsection, "financial interest" includes, but is not limited to:

(A) Any sharing of profits or revenue;

(B) Any assistance, coordination, or recommendation for the purchase of cannabis products whereupon pricing is coordinated or discounted;

(C) The common use of intellectual property assets such as branding, trade names, logos, social media accounts, or websites;

(D) Any operational control over the business or operational support for typical day-to-day business operations, including core business or executive functions of the retail cannabis license;

(E) Any sharing or coordination of marketing and advertising efforts or expenses; and

(F) Any coordinated sharing of employment or hiring decisions, including the shared employment of individuals.

(c)(i) A cannabis retailer's license is subject to forfeiture in accordance with rules adopted by the board pursuant to this section.

(ii) The board shall adopt rules to establish a license forfeiture process for a licensed cannabis retailer that is not fully operational and open to the public within a specified period from the date of license issuance, as established by the board, subject to the following restrictions:

(A) No cannabis retailer's license may be subject to forfeiture within the first nine months of license issuance; and

(B) The board must require license forfeiture on or before ((~~twenty-four~~)) 24 calendar months of license issuance if a cannabis retailer is not fully operational and open to the public, unless the board determines that circumstances out of the licensee's control are preventing the licensee from becoming fully operational and that, in the board's discretion, the circumstances warrant extending the forfeiture period beyond ((~~twenty-four~~)) 24 calendar months.

(iii) The board has discretion in adopting rules under this subsection (3)(c).

(iv) This subsection (3)(c) applies to cannabis retailer's licenses issued before and after July 23, 2017. However, no license of a cannabis retailer that otherwise meets the conditions for license forfeiture established pursuant to this subsection (3)(c) may be subject to forfeiture within the first nine calendar months of July 23, 2017.

(v) The board may not require license forfeiture if the licensee has been incapable of opening a fully operational retail cannabis business due to actions by the city, town, or county with jurisdiction over the licensee that include any of the following:

(A) The adoption of a ban or moratorium that prohibits the opening of a retail cannabis business; or

(B) The adoption of an ordinance or regulation related to zoning, business licensing, land use, or other regulatory measure that has the effect of preventing a licensee from receiving an occupancy permit from the jurisdiction or which otherwise prevents a licensed cannabis retailer from becoming operational.

(d) The board may issue cannabis retailer licenses pursuant to this chapter and RCW 69.50.335.

Sec. 2. RCW 24.34.010 and 2013 c 23 s 40 are each amended to read as follows:

For purposes of this section only and only with respect to licensed cannabis producers, cannabis is considered an agricultural product like other covered agricultural products. Such associations ((~~are~~)) must be operated for the mutual benefit of the members thereof, as such producers, and conform to one or both of the following requirements:

First. That no member of the association is allowed more than one vote because of the amount of stock or membership capital he or she may own therein, or,

Second. That the association does not pay dividends on stock or membership capital in excess of eight percent per annum.

And in any case to the following:

Third. That the association shall not deal in the products of nonmembers to an amount greater in value than such as are handled by it for members.
