16 any, which an employee may receive under this section. However, the
17 agency head may not prevent an employee from using shared leave
18 intermittently or on nonconsecutive days so long as the leave has not
19 been returned under subsection (10) of this section. In addition, an
20 employee shall not receive a total of more than five hundred twenty-
21 two days of leave, except that, a supervisor may authorize leave in
22 excess of five hundred twenty-two days in extraordinary circumstances
23 for an employee qualifying for the shared leave program because he or
24 she is suffering from an illness, injury, impairment, or physical or
25 mental condition which is of an extraordinary or severe nature.
26 Shared leave received under the uniformed service shared leave pool
27 in RCW 41.04.685 is not included in this total.

28 (b) An employee receiving industrial insurance wage replacement
29 benefits may not receive greater than twenty-five percent of his or
30 her base salary from the receipt of shared leave under this section.

35 (4) An employee may transfer annual leave, sick leave, and his or
36 her personal holiday, as follows:

37 (a) An employee who has an accrued annual leave balance of more
38 than ten days may request that the head of the agency for which the
39 employee works transfer a specified amount of annual leave to another
40 employee authorized to receive leave under subsection (1) of this

1 section. In no event may the employee request a transfer of an amount
2 of leave that would result in his or her annual leave account going
3 below ten days. For purposes of this subsection (4) (a), annual leave
4 does not accrue if the employee receives compensation in lieu of
5 accumulating a balance of annual leave.

6 (b) An employee may transfer a specified amount of sick leave to
7 an employee requesting shared leave only when the donating employee
8 retains a minimum of one hundred seventy-six hours of sick leave
9 after the transfer.

10 (c) An employee may transfer, under the provisions of this
11 section relating to the transfer of leave, all or part of his or her
12 personal holiday, as that term is defined under RCW 1.16.050, or as
13 such holidays are provided to employees by agreement with a school
14 district's board of directors if the leave transferred under this
15 subsection does not exceed the amount of time provided for personal
16 holidays under RCW 1.16.050.

17 (5) An employee of an institution of higher education under RCW
18 28B.10.016, school district, or educational service district who does
19 not accrue annual leave but does accrue sick leave and who has an
20 accrued sick leave balance of more than twenty-two days may request
21 that the head of the agency for which the employee works transfer a
22 specified amount of sick leave to another employee authorized to
23 receive leave under subsection (1) of this section. In no event may
24 such an employee request a transfer that would result in his or her
25 sick leave account going below twenty-two days. Transfers of sick
26 leave under this subsection are limited to transfers from employees
27 who do not accrue annual leave. Under this subsection, "sick leave"
28 also includes leave accrued pursuant to RCW 28A.400.300(1)(b) or
29 28A.310.240(1) with compensation for illness, injury, and
30 emergencies.

31 (6) Transfers of leave made by an agency head under subsections
32 (4) and (5) of this section shall not exceed the requested amount.

33 (7) Leave transferred under this section may be transferred from
34 employees of one agency to an employee of the same agency or, with
35 the approval of the heads of both agencies, to an employee of another
36 state agency.

37 (8) While an employee is on leave transferred under this section,
38 he or she shall continue to be classified as a state employee and
39 shall receive the same treatment in respect to salary, wages, and

1 employee benefits as the employee would normally receive if using
2 accrued annual leave or sick leave.

3 (a) All salary and wage payments made to employees while on leave
4 transferred under this section shall be made by the agency employing
5 the person receiving the leave. The value of leave transferred shall
6 be based upon the leave value of the person receiving the leave.

7 (b) In the case of leave transferred by an employee of one agency
8 to an employee of another agency, the agencies involved shall arrange
9 for the transfer of funds and credit for the appropriate value of
10 leave.

11 (i) Pursuant to rules adopted by the office of financial
12 management, funds shall not be transferred under this section if the
13 transfer would violate any constitutional or statutory restrictions
14 on the funds being transferred.

15 (ii) The office of financial management may adjust the
16 appropriation authority of an agency receiving funds under this
17 section only if and to the extent that the agency's existing
18 appropriation authority would prevent it from expending the funds
19 received.

20 (iii) Where any questions arise in the transfer of funds or the
21 adjustment of appropriation authority, the director of financial
22 management shall determine the appropriate transfer or adjustment.

23 (9) Leave transferred under this section shall not be used in any
24 calculation to determine an agency's allocation of full time
25 equivalent staff positions.

26 (10)(a) The value of any leave transferred under this section
27 which remains unused shall be returned at its original value to the
28 employee or employees who transferred the leave when the agency head
29 finds that the leave is no longer needed or will not be needed at a
30 future time in connection with the illness or injury for which the
31 leave was transferred or for any other qualifying condition. Unused
32 shared leave may not be returned until one of the following occurs:

33 (i) The agency head receives from the affected employee a
34 statement from the employee's doctor verifying that the illness or
35 injury is resolved; or

36 (ii) The employee is released to full-time employment; has not
37 received additional medical treatment for his or her current
38 condition or any other qualifying condition for at least six months;
39 and the employee's doctor has declined, in writing, the employee's

1 request for a statement indicating the employee's condition has been
2 resolved.

3 (b) If a shared leave account is closed and an employee later has
4 a need to use shared leave due to the same condition listed in the
5 closed account, the agency head must approve a new shared leave
6 request for the employee.

7 (c) To the extent administratively feasible, the value of unused
8 leave which was transferred by more than one employee shall be
9 returned on a pro rata basis.

10 (11) An employee who uses leave that is transferred to him or her
11 under this section may not be required to repay the value of the
12 leave that he or she used.

13 (12) The director of financial management may adopt rules as
14 necessary to implement subsection (2) of this section.

15 (13) For the purposes of this section, "shortly deplete" means
16 that the employee will have forty hours or less of the applicable
17 leave types under subsection (1)(d) of this section. However, the
18 employee is not required to deplete all of the employee's leave and
19 can maintain up to forty hours of the applicable leave types in
20 reserve.
