

RCW 18.20.195 Disputed violations, enforcement remedies—

Informal dispute resolution process. (1) The licensee or its designee has the right to an informal dispute resolution process to dispute any violation found or enforcement remedy imposed by the department during a licensing inspection or complaint investigation. The purpose of the informal dispute resolution process is to provide an opportunity for an exchange of information that may lead to the modification, deletion, or removal of a violation, or parts of a violation, or enforcement remedy imposed by the department.

(2) The informal dispute resolution process provided by the department shall include, but is not necessarily limited to, an opportunity for review by a department employee who did not participate in, or oversee, the determination of the violation or enforcement remedy under dispute. The department shall develop, or further develop, an informal dispute resolution process consistent with this section.

(3) A request for an informal dispute resolution shall be made to the department within ten working days from the receipt of a written finding of a violation or enforcement remedy. The request shall identify the violation or violations and enforcement remedy or remedies being disputed. The department shall convene a meeting, when possible, within ten working days of receipt of the request for informal dispute resolution, unless by mutual agreement a later date is agreed upon.

(4) If the department determines that a violation or enforcement remedy should not be cited or imposed, the department shall delete the violation or immediately rescind or modify the enforcement remedy. If the department determines that a violation should have been cited under a different more appropriate regulation, the department shall revise the report, statement of deficiencies, or enforcement remedy accordingly. Upon request, the department shall issue a clean copy of the revised report, statement of deficiencies, or notice of enforcement action.

(5) The request for informal dispute resolution does not delay the effective date of any enforcement remedy imposed by the department, except that civil monetary fines are not payable until the exhaustion of any formal hearing and appeal rights provided under this chapter. The licensee shall submit to the department, within the time period prescribed by the department, a plan of correction to address any undisputed violations, and including any violations that still remain following the informal dispute resolution.
