

RCW 28B.94.020 Program administration—Report. (Expires July 1, 2029.) (1) Subject to the availability of amounts appropriated for this specific purpose, the Washington student loan refinancing program is created.

(2) The program shall be administered by the council. To execute the program the council shall contract with up to five financial institutions. The financial institutions, in consultation with the council, may leverage the interest rate buy down incentive or the loan loss reserve coverage, or some combination thereof, to refinance existing student loans. In administering the program, the council may:

- (a) Impose reasonable limits on the terms of qualified loans;
- (b) Impose reasonable limits on the terms of qualified borrowers;
- (c) Impose reasonable limits on the use of state funds for the marketing on qualified loan products by financial institutions;
- (d) Establish minimum reporting requirements for financial institutions participating in the program;
- (e) Establish minimum required disclosures by financial institutions for qualified loans. At a minimum, the disclosures must notify qualified borrowers of the:

(i) Loss of borrower protections including income contingent repayment and public service loan forgiveness options if the qualified borrower is refinancing a federal direct PLUS student loan under this chapter; and

(ii) Estimated total cost of the qualified loan, including accrued interest under this chapter;

(f) Appoint and use advisory committees and the department of financial institutions as needed to provide program guidance and direction;

(g) Formulate and adopt all other policies and rules necessary for the efficient administration of the program;

(h) Make, execute, and deliver contracts, conveyances, and other instruments necessary to the exercise and discharge of its powers and duties under this chapter; and

(i) Perform all acts necessary and proper to carry out the duties and responsibilities of the program under this chapter.

(3) On a biennial basis beginning July 1, 2020, the council must report to the appropriate committees of the legislature the:

(a) Number of financial institutions currently under contract through the program;

(b) Number of qualified student loans successfully refinanced under the program;

(c) Qualified borrower requirements established by the council and the financial institutions;

(d) Demographic information for borrowers that includes gender, race or ethnicity, income level, and geography; and

(e) Estimated total savings by qualified borrowers with qualified loans as defined by the difference between what the student would have paid under the existing loan and what the student would pay when given the option to refinance.

(4) This section expires July 1, 2029. [2019 c 406 § 51.]

Findings—2019 c 406: "The legislature finds that a postsecondary credential is essential to Washingtonians' ability to attain jobs with good salaries and advancement opportunities, and that meeting the increasing demand for credentialed workers to fill jobs in Washington is essential to the future health of the state's economy. The

legislature finds that the amount of debt that individual Washingtonians incur in pursuit of postsecondary credentials represents a growing burden on individuals and on the state's economy at large that negatively impacts individuals' ability to obtain a postsecondary credential, as well as their ability to save for retirement, purchase a home, and start a family. The legislature finds that giving Washingtonians new tools to address this burden is necessary to help make higher education more accessible and affordable." [2019 c 406 § 49.]
