

RCW 36.70.740 Zoning map—Progressive adoption. Because of practical considerations, the total area of a county to be brought under the control of zoning may be divided into areas possessing geographical, topographical or urban identity and such divisions may be progressively and separately officially mapped. [1963 c 4 § 36.70.740. Prior: 1959 c 201 § 74.]
