

RCW 48.15.039 National database—Surplus line brokers. When a national insurance producer database of the national association of insurance commissioners, or other equivalent uniform national database, for the licensure of surplus line brokers is created, the commissioner may participate in the database. [2011 c 31 § 4.]

Effective date—2011 c 31: See note following RCW 48.15.010.
