

**RCW 48.18A.030 Statements required in contracts—Payment on death, incidental benefit provision.** (1) Every variable contract providing benefits payable in variable amounts delivered or issued for delivery in this state shall contain a statement of the essential features of the procedures to be followed by the insurer in determining the dollar amount of such variable benefits. Any such contract under which the benefits vary to reflect investment experience, including a group contract and any certificate in evidence of variable benefits issued thereunder, shall state that such dollar amount will so vary and shall contain on its first page a statement to the effect that the benefits thereunder are on a variable basis.

(2) Variable annuity contracts delivered or issued for delivery in this state may include as an incidental benefit provision for payment on death during the deferred period of an amount not in excess of the greater of the sum of the premiums or stipulated payments paid under the contract or the value of the contract at time of death. For this purpose such benefit shall not be deemed to be life insurance and therefore not subject to any statutory provisions governing life insurance contracts. A provision for any other benefits on death during the deferred period will be subject to such insurance law provisions. [1973 1st ex.s. c 163 § 5; 1969 c 104 § 3.]
