

RCW 48.22.080 Health care liability risk management training program. Effective July 1, 1994, a casualty insurer's issuance of a new medical malpractice policy or renewal of an existing medical malpractice policy to a physician or other independent health care practitioner shall be conditioned upon that practitioner's participation in, and completion of, an insurer-designed health care liability risk management training program once every three years. Completion of said training program during 1994 shall satisfy the first three-year training requirement. The risk management training shall provide information related to avoiding adverse health outcomes resulting from substandard practice and minimizing damages associated with the adverse health outcomes that do occur. For purposes of this section, "independent health care practitioners" means those health care practitioner licensing classifications designated by the department of health in rule pursuant to *RCW 18.130.330. [1994 c 102 § 2; 1993 c 492 § 413.]

***Reviser's note:** RCW 18.130.330 was repealed by 1995 c 265 § 27, effective July 1, 1995.
