

**RCW 48.46.225 Financial failure—Supervision of commissioner—  
Priority of distribution of assets.** (1) Any rehabilitation, liquidation, or conservation of a health maintenance organization is the same as the rehabilitation, liquidation, or conservation of an insurance company and must be conducted under the supervision of the commissioner pursuant to the law governing the rehabilitation, liquidation, or conservation of insurance companies. The commissioner may apply for an order directing the commissioner to rehabilitate, liquidate, or conserve a health maintenance organization upon any one or more grounds set out in RCW 48.31.030, 48.31.050, and 48.31.080. Enrolled participants have the same priority in the event of liquidation or rehabilitation as the law provides to policyholders of an insurer.

(2) For purposes of determining the priority of distribution of general assets, claims of enrolled participants and enrolled participants' beneficiaries have the same priority as established by RCW 48.31.280 for policyholders and beneficiaries of insureds of insurance companies. If an enrolled participant is liable to any provider for services provided pursuant to and covered by the health maintenance agreement, that liability has the status of an enrolled participant claim for distribution of general assets.

(3) A provider who is obligated by statute or agreement to hold enrolled participants harmless from liability for services provided pursuant to and covered by a health care plan has a priority of distribution of the general assets immediately following that of enrolled participants and enrolled participants' beneficiaries under this section.
