

RCW 48.130.070 Commission rule making—Confidentiality of information and records—Compliance with compact. (1) The commission shall adopt rules establishing conditions and procedures for public inspection and copying of its information and official records, except such information and records involving the privacy of individuals and insurers' trade secrets. The commission may adopt additional rules under which it may make available to federal and state agencies, including law enforcement agencies, records and information otherwise exempt from disclosure, and may enter into agreements with such agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(2) Except as to privileged records, data, and information, the laws of any compacting state pertaining to confidentiality or nondisclosure shall not relieve any compacting state commissioner of the duty to disclose any relevant records, data or information to the commission. However, disclosure to the commission does not waive or otherwise affect any confidentiality requirement. Also, except as otherwise expressly provided in this chapter, the commission shall not be subject to the compacting state's laws pertaining to confidentiality and nondisclosure with respect to records, data, and information in its possession. Confidential information of the commission shall remain confidential after such information is provided to any commissioner.

(3) The commission shall monitor compacting states for compliance with duly adopted bylaws, rules, including uniform standards, and operating procedures. The commission shall notify any noncomplying compacting state in writing of its noncompliance with commission bylaws, rules or operating procedures. If a noncomplying compacting state fails to remedy its noncompliance within the time specified in the notice of noncompliance, the compacting state shall be deemed to be in default as set forth in RCW 48.130.130.

(4) The commissioner of any state in which an insurer is authorized to do business, or is conducting the business of insurance, shall continue to exercise his or her authority to oversee the market regulation of the activities of the insurer in accordance with the provisions of the state's law. The commissioner's enforcement of compliance with the compact is governed by the following provisions:

(a) With respect to the commissioner's market regulation of a product or advertisement that is approved or certified to the commission, the content of the product or advertisement shall not constitute a violation of the provisions, standards, or requirements of the compact except upon a final order of the commission, issued at the request of a commissioner after prior notice to the insurer and an opportunity for hearing before the commission.

(b) Before a commissioner may bring an action for violation of any provision, standard, or requirement of the compact relating to the content of an advertisement not approved or certified to the commission, the commission, or an authorized commission officer or employee, must authorize the action. However, authorization under this subsection (4)(b) does not require notice to the insurer, opportunity for hearing, or disclosure of requests for authorization or records of the commission's action on such requests.
