

RCW 54.04.037 Annexation of territory—Coordination among county officials. When territory has been added to a public utility district in accordance with RCW 54.04.035, the supervisor of elections and other officers of the county in which the public utility district first operated shall coordinate elections, the levy and collection of taxes, and other necessary duties with the appropriate county officials of the other county. [1987 c 292 § 3.]
