(2) "Allocated interests" means the following interests allocated to each unit:

(a) In a condominium, the undivided interest in the common elements, the common expense liability, and votes in the association;

(b) In a cooperative, the common expense liability, the ownership interest, and votes in the association; and

(c) In a plat community and miscellaneous community, the common expense liability and the votes in the association, and also the undivided interest in the common elements if owned in common by the unit owners rather than an association.

"Common interest community" does not include an arrangement described in RCW 64.90.110 or 64.90.115. A common interest community may be a part of another common interest community.

(11) "Condominium" means a common interest community in which portions of the real estate are designated for separate ownership and the remainder of the real estate is designated for common ownership solely by the owners of those portions.
