

**RCW 71.24.599 Opioid use disorder—City and county jails—**

**Funding.** (1) Subject to funds appropriated by the legislature, or approval of a section 1115 demonstration waiver from the federal centers for medicare and medicaid services, to fund opioid treatment medications for persons eligible for medicaid at or during the time of incarceration and juvenile detention facilities, the authority shall establish a methodology for distributing funds to city and county jails to provide medication for the treatment of opioid use disorder to individuals in the custody of the facility in any status. The authority must prioritize funding for the services required in (a) of this subsection. To the extent that funding is provided, city and county jails must:

(a) Provide medication for the treatment of opioid use disorder to individuals in the custody of the facility, in any status, who were receiving medication for the treatment of opioid use disorder through a legally authorized medical program or by a valid prescription immediately before incarceration; and

(b) Provide medication for the treatment of opioid use disorder to incarcerated individuals not less than thirty days before release when treatment is determined to be medically appropriate by a health care practitioner.

(2) City and county jails must make reasonable efforts to directly connect incarcerated individuals receiving medication for the treatment of opioid use disorder to an appropriate provider or treatment site in the geographic region in which the individual will reside before release. If a connection is not possible, the facility must document its efforts in the individual's record. [2019 c 314 § 34.]
