

**RCW 79.22.300 Procedure—Reconveyance back when use ceases.**

Whenever the board of county commissioners of any county shall determine that state forestlands, that were acquired from such county by the state pursuant to RCW 79.22.040 and that are under the administration of the department, are needed by the county for public park use in accordance with the county and the state outdoor recreation plans, the board of county commissioners may file an application with the board for the transfer of such state forestlands.

Upon the filing of an application by the board of county commissioners, the department shall cause notice of the impending transfer to be given in the manner provided by RCW 42.30.060. If the department determines that the proposed use is in accordance with the state outdoor recreation plan, it shall reconvey said state forestlands to the requesting county to have and to hold for so long as the state forestlands are developed, maintained, and used for the proposed public park purpose. This reconveyance may contain conditions to allow the department to coordinate the management of any adjacent public lands with the proposed park activity to encourage maximum multiple use management and may reserve rights-of-way needed to manage other public lands in the area. The application shall be denied if the department finds that the proposed use is not in accord with the state outdoor recreation plan. If the land is not, or ceases to be, used for public park purposes the land shall be conveyed back to the department upon request of the department.
