

RCW 90.86.030 Meetings—Requests for information—Reports from department of ecology—Recommendations to the legislature. (1) The joint legislative committee on water supply during drought shall convene from time to time at the call of the chair when an advisory is in effect under RCW 43.83B.405(1), when a drought emergency order under RCW 43.83B.405 is in effect, or when the chair determines, in consultation with the department of ecology, that it is likely that such an order will be issued within the next year.

(2) The committee may request and review information relating to water supply conditions in the state, and economic, environmental, and other impacts relating to decreased water supply being experienced or anticipated. The governor's executive water emergency committee, the department of ecology, and other state agencies with water management or related responsibilities shall cooperate in responding to requests from the committee.

(3) During drought conditions in which a drought emergency order issued under RCW 43.83B.405(2) is in effect, the department of ecology shall provide to the committee no less than monthly a report describing drought response activities of the department and other state and federal agencies participating on the water supply availability committee. The report shall include information regarding applications for, and approvals and denials of emergency water withdrawals and temporary changes or transfers of, water rights under RCW 43.83B.410. The report must include information regarding grants applied for or issued under RCW 43.83B.415.

(4) The committee from time to time shall make recommendations to the senate and house of representatives on budgetary and legislative actions that will improve the state's drought response programs and planning. [2023 c 287 § 5; 2010 1st sp.s. c 7 § 122; 2005 c 60 § 3.]
