Loans and grants for low-income housing: RCW 35.21.685 and 36.32.415.

RCW 35.82.010 Finding and declaration of necessity. It is hereby declared: (1) That there exist in the state insanitary or unsafe dwelling accommodations and that persons of low income are forced to reside in such insanitary or unsafe accommodations; that within the state there is a shortage of safe or sanitary dwelling accommodations available at rents which persons of low income can afford and that such persons are forced to occupy overcrowded and congested dwelling accommodations; that the aforesaid conditions cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals and welfare of the residents of the state and impair economic values; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities; (2) that these areas in the state cannot be cleared, nor can the shortage of safe and sanitary dwellings for persons of low income be relieved, through the operation of private enterprise, and that the construction of housing projects for persons of low income (as herein defined) would therefore not be competitive with private enterprise; (3) that the clearance, replanning and reconstruction of the areas in which insanitary or unsafe housing conditions exist and the providing of safe and sanitary dwelling accommodations for persons of low income are public uses and purposes for which public money may be spent and private property acquired and are governmental functions of state concern; (4) that it is in the public interest that work on projects for such purposes be commenced as soon as possible in order to relieve unemployment which now (1939) constitutes an emergency; and the necessity in the public interest for the provisions hereinafter enacted, is hereby declared as a matter of legislative determination. [1965 c 7 s 35.82.010. Prior: 1939 c 23 s 2; RRS s 6889-2. Formerly RCW 74.24.010.]

Prior: 1939 c 23 s 3; RRS s 6889-3. Formerly RCW 74.24.020.]

Severability—1983 c 225: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1983 c 225 s 4.]

Severability—1979 ex.s. c 187: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1979 ex.s. c 187 s 4.]

RCW 35.82.030 Creation of housing authorities. In each city (as herein defined) and in each county of the state there is hereby created a public body corporate and politic to be known as the "Housing Authority" of the city or county: PROVIDED, HOWEVER, That such authority shall not transact any business or exercise its powers hereunder until or unless the governing body of the city or the county, as the case may be, by proper resolution shall declare at any time hereafter that there is need for an authority to function in such city or county. The determination as to whether or not there is such need for an authority to function (1) may be made by the governing body on its own motion or (2) shall be made by the governing body upon the filing of a petition signed by twenty-five residents of the city or county, as the case may be, asserting that there is need for an

authority to function in such city or county and requesting that the governing body so declare.

The governing body shall adopt a resolution declaring that there is need for a housing authority in the city or county, as the case may be, if it shall find (1) that insanitary or unsafe inhabited dwelling accommodations exist in such city or county; (2) that there is a shortage of safe or sanitary dwelling accommodations in such city or county available to persons of low income at rentals they can afford; or (3) that there is a shortage of safe or sanitary dwellings, apartments, mobile home parks, or other living accommodations available for senior citizens. In determining whether dwelling accommodations are unsafe or insanitary said governing body may take into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority shall be conclusively deemed to have become established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution by the governing body declaring the need for the authority. Such resolution or resolutions shall be deemed sufficient if it declares that there is such need for an authority and finds in substantially the foregoing terms (no further detail being necessary) that either or both of the above enumerated conditions exist in the city or county, as the case may be. A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding. [1979 ex.s. c 187 s 2; 1965 c 7 s 35.82.030. Prior: 1939 c 23 s 4; RRS s 6889-4. Formerly RCW 74.24.030.]

Severability—1979 ex.s. c 187: See note following RCW 35.82.020.

RCW 35.82.040 Appointment, qualifications, and tenure of commissioners. Except as provided in RCW 35.82.045, when the governing body of a city adopts a resolution declaring that there is a need for a housing authority, it shall promptly notify the mayor of such adoption. Upon receiving such notice, the mayor shall appoint five persons as commissioners of the authority created for the city. When the governing body of a county adopts a resolution declaring that there is a need for a housing authority, it shall appoint five persons as commissioners of the authority created for the county. The commissioners who are first appointed shall be designated to serve for terms of one, two, three, four and five years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed for a term of office of five years except that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the city or county for which the authority is created, unless the commissioner is an employee of a separately elected county official other than the county governing body in a county with a population of less than one hundred seventy-five thousand as of the 1990 federal census, and the total government employment in that county exceeds forty percent of total

employment. A commissioner shall hold office until a successor has been appointed and has qualified, unless sooner removed according to this chapter. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his or her services for the authority, in any capacity, but he or she shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

The powers of each authority shall be vested in the commissioners thereof in office from time to time. Except as provided in RCW 35.82.045, three commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The mayor (or in the case of an authority for a county, the governing body of the county) shall designate which of the commissioners appointed shall be the first chair of the commission and he or she shall serve in the capacity of chair until the expiration of his or her term of office as commissioner. When the office of the chair of the authority becomes vacant, the authority shall select a chair from among its commissioners. An authority shall select from among its commissioners a vice chair, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. For such legal services as it may require, an authority may call upon the chief law officer of the city or the county or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper.

If federal law requires that the membership of the board of commissioners of a local authority contains one member who is directly assisted by the authority, the board may by resolution temporarily or permanently increase its size to six members. The board may determine the length of the term of the position filled by a directly assisted member. A person appointed to such a position may serve in that position only as long as he or she is directly assisted by the authority. [1999 c 77 s 1; 1998 c 140 s 1; 1995 c 293 s 1; 1965 c 7 s 35.82.040. Prior: 1939 c 23 s 5; RRS s 6889-5. Formerly RCW 74.24.040.]

RCW 35.82.045 Cities with a population of four hundred thousand or more—Appointment of additional commissioners—Appointment, compensation of commissioners—Organization of authority. (1) After June 11, 1998, the governing body of a city with a population of four hundred thousand or more, that has created a housing authority under RCW 35.82.040, shall adopt a resolution to expand the number of commissioners on the housing authority from five to seven. Upon receiving the notice, the mayor, with approval of the city council, shall appoint additional persons as commissioners of the authority created for the city.

(2) In appointing commissioners, the mayor shall consider persons that represent the community, provided that two commissioners shall

consist of tenants that reside in a housing project that is owned by the housing authority.

(3) After June 11, 1998, all commissioners shall be appointed to serve four-year terms, except that all vacancies shall be filled for the remainder of the unexpired term. A commissioner of an authority may not be an officer or employee of the city for which the authority is created. A commissioner shall hold office until a successor has been appointed and has qualified, unless sooner removed according to this chapter.

(4) A commissioner may be reappointed only after review and approval by the city council.

(5) A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and the certificate is conclusive evidence of the due and proper appointment of the commissioner.

(6) A commissioner shall receive no compensation for his or her services for the authority, in any capacity, but he or she is entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

(7) The powers of each authority vest in the commissioners of the authority in office from time to time. Four commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number.

(8) The mayor, with consent of the city council, shall designate which of the commissioners appointed shall be the first chair of the commission and he or she shall serve in the capacity of chair until the expiration of his or her term of office as commissioner. When the office of the chair of the authority becomes vacant, the authority shall select a chair from among its commissioners. An authority shall select from among its commissioners a vice chair, and the authority may employ a secretary, who shall be executive director, technical experts and such other officers, agents, and employees, permanent and temporary, as the authority requires, and shall determine their qualifications, duties, and compensation.

(9) For such legal services as it may require, an authority may call upon the chief law officer of the city or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper. [1998 c 140 s 2.]

RCW 35.82.050 Conflicts of interest for commissioners, employees, and appointees. (1) No commissioner, employee, or appointee to any decision-making body for the housing authority shall own or hold an interest in any contract or property or engage in any business, transaction, or professional or personal activity, that would:

(a) Be, or appear to be, in conflict with the commissioner's, employee's, or appointee's official duties to any decision-making body for the housing authority duties relating to the housing authority served by or subject to the authority of such commissioner, employee, or appointee to any decision-making body for the housing authority;

(b) Secure, or appear to secure, unwarranted privileges or advantages for such commissioner, employee, or appointee to any decision-making body for the housing authority, or others; or

(c) Prejudice, or appear to prejudice, such commissioner's, employee's, or appointee's to any decision-making body for the housing authority independence of judgment in exercise of his or her official duties relating to the housing authority served by or subject to the authority of the commissioner, employee, or appointee to any decision-making body for the housing authority.

(2) No commissioner, employee, or appointee to any decision-making body for the housing authority shall act in an official capacity in any manner in which such commissioner, employee, or appointee to any decision-making body of the housing authority has a direct or indirect financial or personal involvement.

(3) No commissioner, employee, or appointee to any decision-making body for the housing authority shall use his or her public office or employment to secure financial gain to such commissioner, employee, or appointee to any decision-making body for the housing authority.

(4) If any commissioner or employee of an authority or any appointee to any decision-making body for the housing authority owns or controls an interest direct or indirect in any property included or planned to be included in any housing project, he or she immediately shall disclose the same in writing to the authority and such disclosure shall be entered upon the minutes of the authority. Failure to disclose such interest shall constitute misconduct in office. Upon such disclosure such commissioner, employee, or appointee to any decision-making body for the housing authority shall not participate in any action by the authority affecting such property.

(5) No provision of this section shall preclude a tenant of the public housing authority from serving as a commissioner, employee, or appointee to any decision-making body of the housing authority. No provision of this section shall preclude a tenant of the public housing authority who is serving as a commissioner, employee, or appointee to any decision-making body of the housing authority from voting on any issue or decision, or participating in any action by the authority, unless a conflict of interest, as set forth in subsections (1) through (4) of this section, exists as to that particular tenant and the particular property or interest at issue before, or subject to action by the housing authority. [2009 c 549 s 2124; 1998 c 140 s 3; 1965 c 7 s 35.82.050. Prior: 1939 c 23 s 6; RRS s 6889-6. Formerly RCW 74.24.050.]

RCW 35.82.060 Removal of commissioners. For inefficiency or neglect of duty or misconduct in office, a commissioner of an authority may be removed by the mayor (or in the case of an authority for a county, by the governing body of said county), but a commissioner shall be removed only after he or she shall have been given a copy of the charges at least ten days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the clerk. [2009 c 549 s 2125; 1965 c 7 s 35.82.060. Prior: 1939 c 23 s 7; RRS s 6889-7. Formerly RCW 74.24.060.]

RCW 35.82.070 Powers of authority. An authority shall constitute a public body corporate and politic, exercising public and essential governmental functions, and having all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

(1) To sue and be sued; to have a seal and to alter the same at pleasure; to have perpetual succession; to make and execute contracts and other instruments, including but not limited to partnership agreements and joint venture agreements, necessary or convenient to the exercise of the powers of the authority; to participate in the organization or the operation of a nonprofit corporation which has as one of its purposes to provide or assist in the provision of housing for persons of low income; and to make and from time to time amend and repeal bylaws, rules and regulations, not inconsistent with this chapter, to carry into effect the powers and purposes of the authority.

(2) Within its area of operation: To prepare, carry out, acquire, lease and operate housing projects; to provide for the construction, reconstruction, improvement, alteration or repair of any housing project or any part thereof; to agree to rent or sell dwellings forming part of the projects to or for persons of low income. Where an agreement or option is made to sell a dwelling to a person of low income, the authority may convey the dwelling to the person upon fulfillment of the agreement irrespective of whether the person is at the time of the conveyance a person of low income. Leases, options, agreements, or conveyances may include such covenants as the authority deems appropriate to assure the achievement of the objectives of this chapter.

(3) To acquire, lease, rent, sell, or otherwise dispose of any commercial space located in buildings or structures containing a housing project or projects.

(4) To arrange or contract for the furnishing by any person or agency, public or private, of services, privileges, works, or facilities for, or in connection with, a housing project or the occupants thereof; and (notwithstanding anything to the contrary contained in this chapter or in any other provision of law) to include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractors comply with requirements as to minimum wages and maximum hours of labor, and comply with any conditions which the federal government may have attached to its financial aid of the project.

(5) To lease or rent any dwellings, houses, accommodations, lands, buildings, structures or facilities embraced in any housing project and (subject to the limitations contained in this chapter) to establish and revise the rents or charges therefor; to own or manage buildings containing a housing project or projects as well as commercial space or other dwelling units that do not constitute a housing project as that term is defined in this chapter. However, notwithstanding the provisions under subsection (1) of this section, dwelling units made available or sold to persons of low income, together with functionally related and subordinate facilities, shall occupy at least 50 percent of the interior space in the total development owned by the authority or at least 50 percent of the total number of units in the development owned by the authority, whichever produces the greater number of units for persons of low income, and for mobile home parks, the mobile home lots made available to persons

of low income shall be at least 50 percent of the total number of mobile home lots in the park owned by the authority; to own, hold, and improve real or personal property; to purchase, lease, obtain options upon, acquire by gift, grant, bequest, devise, or otherwise including financial assistance and other aid from the state or any public body, person or corporation, any real or personal property or any interest therein; to acquire by the exercise of the power of eminent domain any real property; to sell, lease, exchange, transfer, assign, pledge, or dispose of any real or personal property or any interest therein; to sell, lease, exchange, transfer, or dispose of any real or personal property or interest therein at less than fair market value to a governmental entity for any purpose when such action assists the housing authority in carrying out its powers and purposes under this chapter, to a low-income person or family for the purpose of providing housing for that person or family, or to a nonprofit corporation provided the nonprofit corporation agrees to sell the property to a low-income person or family or to use the property for the provision of housing for persons of low income for at least 20 years; to insure or provide for the insurance of any real or personal property or operations of the authority against any risks or hazards; to procure or agree to the procurement of insurance or guarantees from the federal government of the payment of any bonds or parts thereof issued by an authority, including the power to pay premiums on any such insurance.

(6) To contract with a property management services company for purposes of operating a housing project. Rental and other project revenues collected by a property management services company from the housing project's tenants and used to pay administrative operating and ordinary maintenance costs incurred by the company under the terms of the contract with the authority shall be treated as private funds, and any resulting services as executed at the cost of the property management services company and the housing project's tenants, until the net operating revenues are distributed to the authority for its exclusive use and control. For the purposes of this subsection, "ordinary maintenance" only includes: Routine repairs related to unit turnover work; grounds and parking lot upkeep; and repairs and cleaning work needed to keep a property in a clean, safe, sanitary, and rentable condition that are customarily undertaken or administered by residential property management services companies. "Ordinary maintenance" does not include repairs that would be considered replacement capital repairs or scheduled regular maintenance work on plumbing, electrical, or HVAC/R systems or their components.

(7) To invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control; to purchase its bonds at a price not more than the principal amount thereof and accrued interest, all bonds so purchased to be canceled.

(8) Within its area of operation: To investigate into living, dwelling and housing conditions and into the means and methods of improving such conditions; to determine where slum areas exist or where there is a shortage of decent, safe and sanitary dwelling accommodations for persons of low income; to make studies and recommendations relating to the problem of clearing, replanning and reconstructing of slum areas, and the problem of providing dwelling accommodations for persons of low income, and to cooperate with the city, the county, the state or any political subdivision thereof in

action taken in connection with such problems; and to engage in research, studies and experimentation on the subject of housing.

(9) Acting through one or more commissioners or other person or persons designated by the authority: To conduct examinations and investigations and to hear testimony and take proof under oath at public or private hearings on any matter material for its information; to administer oaths, issue subpoenas requiring the attendance of witnesses or the production of books and papers and to issue commissions for the examination of witnesses who are outside of the state or unable to attend before the authority, or excused from attendance; to make available to appropriate agencies (including those charged with the duty of abating or requiring the correction of nuisances or like conditions, or of demolishing unsafe or insanitary structures within its area of operation) its findings and recommendations with regard to any building or property where conditions exist which are dangerous to the public health, morals, safety or welfare.

(10) To initiate eviction proceedings against any tenant as provided by law. Activity occurring in any housing authority unit that constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW shall constitute a nuisance for the purpose of RCW 59.12.030(5).

(11) To exercise all or any part or combination of powers herein granted.

No provisions of law with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to an authority unless the legislature shall specifically so state.

(12) To agree (notwithstanding the limitation contained in RCW 35.82.210) to make such payments in lieu of taxes as the authority finds consistent with the achievement of the purposes of this chapter.

(13) Upon the request of a county or city, to exercise any powers of a community renewal agency under chapter 35.81 RCW or a public corporation, commission, or authority under chapter 35.21 RCW.

(14) To exercise the powers granted in this chapter within the boundaries of any city, town, or county not included in the area in which such housing authority is originally authorized to function: PROVIDED, HOWEVER, The governing or legislative body of such city, town, or county, as the case may be, adopts a resolution declaring that there is a need for the authority to function in such territory.

(15) To administer contracts for assistance payments to persons of low income in accordance with section 8 of the United States Housing Act of 1937, as amended by Title II, section 201 of the Housing and Community Development Act of 1974, P.L. 93-383.

(16) To sell at public or private sale, with or without public bidding, for fair market value, any mortgage or other obligation held by the authority.

(17) To the extent permitted under its contract with the holders of bonds, notes, and other obligations of the authority, to consent to any modification with respect to rate of interest, time, and payment of any installment of principal or interest security, or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, contract, or agreement of any kind to which the authority is a party.

(18) To make, purchase, participate in, invest in, take assignments of, or otherwise acquire loans to persons of low income to enable them to acquire, construct, reconstruct, rehabilitate, improve, lease, or refinance their dwellings, and to take such security therefor as is deemed necessary and prudent by the authority.

(19) To make, purchase, participate in, invest in, take assignments of, or otherwise acquire loans for the acquisition, construction, reconstruction, rehabilitation, improvement, leasing, or refinancing of land, buildings, or developments for housing for persons of low income. For purposes of this subsection, development shall include either land or buildings or both.

(a) Any development financed under this subsection shall be subject to an agreement that for at least 20 years the dwelling units made available to persons of low income together with functionally related and subordinate facilities shall occupy at least 50 percent of the interior space in the total development or at least 50 percent of the total number of units in the development, whichever produces the greater number of units for persons of low income. For mobile home parks, the mobile home lots made available to persons of low income shall be at least 50 percent of the total number of mobile home lots in the park. During the term of the agreement, the owner shall use its best efforts in good faith to maintain the dwelling units or mobile home lots required to be made available to persons of low income at rents affordable to persons of low income. The 20-year requirement under this subsection (19) (a) shall not apply when an authority finances the development by nonprofit corporations or governmental units of dwellings or mobile home lots intended for sale to persons of low and moderate income, and shall not apply to construction or other short-term financing provided to nonprofit corporations or governmental units when the financing has a repayment term of one year or less.

(b) In addition, if the development is owned by a for-profit entity, the dwelling units or mobile home lots required to be made available to persons of low income shall be rented to persons whose incomes do not exceed 80 percent of the area median income, adjusted for household size, and shall have unit or lot rents that do not exceed 15 percent of area median income, adjusted for household size, unless rent subsidies are provided to make them affordable to persons of low income.

For purposes of this subsection (19) (b), if the development is owned directly or through a partnership by a governmental entity or a nonprofit organization, which nonprofit organization is itself not controlled by a for-profit entity or affiliated with any for-profit entity that a nonprofit organization itself does not control, it shall not be treated as being owned by a for-profit entity when the governmental entity or nonprofit organization exercises legal control of the ownership entity and in addition, (i) the dwelling units or mobile home lots required to be made available to persons of low income are rented to persons whose incomes do not exceed 80 percent of the area median income, adjusted for household size, and (ii) the development is subject to an agreement that transfers ownership to the governmental entity or nonprofit organization or extends an irrevocable right of first refusal to purchase the development under a formula for setting the acquisition price that is specified in the agreement.

(c) Commercial space in any building financed under this subsection that exceeds four stories in height shall not constitute more than 20 percent of the interior area of the building. Before financing any development under this subsection the authority shall make a written finding that financing is important for project feasibility or necessary to enable the authority to carry out its powers and purposes under this chapter.

(20) To contract with a public authority or corporation, created by a county, city, or town under RCW 35.21.730 through 35.21.755, to act as the developer for new housing projects or improvement of existing housing projects. Findings—2022 c 273: "The legislature recognizes the important role housing authorities play in providing much needed affordable housing to more than 35,000 households through their inventory of rental housing, including through workforce housing programs where housing authorities keep rents as low as possible and operate on very thin margins.

The legislature finds that for nearly 30 years without issue, objection, or complaint, housing authorities have been contracting with property management services companies for site operations at unsubsidized workforce housing properties. The legislature further finds that it is critical to continue efforts to preserve and expand naturally occurring workforce housing units statewide. Therefore, the legislature recognizes that, at unsubsidized housing authority properties, tenant rents and deposits paid to property management companies and used to pay for regular maintenance and operations are private funds and such maintenance work is not a public work." RCW 35.82.080 Operation not for profit. It is hereby declared to be the policy of this state that each housing authority shall manage and operate its housing projects in an efficient manner so as to enable it to fix the rentals for low-income dwelling accommodations at the lowest possible rates consistent with its providing decent, safe and sanitary dwelling accommodations, and that no housing authority shall construct or operate any such project for profit, or as a source of revenue to the city or the county. To this end, an authority shall fix the rentals for rental units for persons of low income in projects owned or leased by the authority at no higher rates

than it shall find to be necessary in order to produce revenues which (together with all other available moneys, revenues, income and receipts of the authority from whatever sources derived) will be sufficient (1) to pay, as the same become due, the principal and interest on the bonds or other obligations of the authority issued or incurred to finance the projects; (2) to meet the cost of, and to provide for, maintaining and operating the projects (including the cost of any insurance) and the administrative expenses of the authority; and (3) to create (during not less than the six years immediately succeeding its issuance of any such bonds) a reserve sufficient to meet the largest principal and interest payments which will be due on such bonds in any one year thereafter and to maintain such reserve. Nothing contained in this section shall be construed to limit an authority's power to rent commercial space located in buildings containing housing projects or non low-income units owned, acquired, financed, or constructed under *RCW 35.82.070(5), (16), or (17) at profitable rates and to use any profit realized from such rentals in carrying into effect the powers and purposes provided to housing authorities under this chapter. RCW 35.82.090 Rentals and tenant selection. In the operation and management of rental units which are rented to persons of low income in any housing project an authority shall at all times observe the following duties with respect to rentals and tenant selection: (1) It may rent or lease the dwelling accommodations therein to persons of low income and at rentals within the financial reach of such persons of low income; (2) it may rent or lease to a low-income tenant dwelling accommodations consisting of the number of rooms (but no greater number) which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding; and (3) it shall not accept any person as a low income tenant in any housing project designated for persons of low income if the person or persons who would occupy the dwelling accommodations have an annual net income in excess of five times the annual rental of the quarters to be furnished such person or persons, except that in the case of families with three or more minor dependents, such ratio shall not exceed six to one; in computing the rental for this purpose of selecting tenants, there shall be included in the rental the average annual cost (as determined by the authority) to occupants of heat, water, electricity, gas, cooking range and other necessary services or facilities, whether or not the charge for such services and facilities is in fact included in the rental. This income limitation does not apply to housing projects designated for senior citizens.

Nothing contained in this section or RCW 35.82.080 shall be construed as limiting the power of an authority to vest in an obligee the right, in the event of a default by the authority, to take possession of a housing project or cause the appointment of a receiver thereof, free from all the restrictions imposed by this section or RCW 35.82.080. RCW 35.82.110 Eminent domain. An authority shall have the right to acquire by the exercise of the power of eminent domain any real property which it may deem necessary for its purposes under this chapter after the adoption by it of a resolution declaring that the acquisition of the real property described therein is necessary for such purposes. An authority may exercise the power of eminent domain in the same manner and under the same procedure as now is or may be hereafter provided by law in the case of other corporations authorized by the laws of the state to exercise the right of eminent domain; or it may exercise the power of eminent domain in the manner now or which may be hereafter provided by any other applicable statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner: PROVIDED, That no real property belonging to the city, the county, the state or any political subdivision thereof may be acquired without its consent. RCW 35.82.120 Planning, zoning and building laws. All housing projects of an authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the housing project is situated. In the planning and location of any housing project, an authority shall take into consideration the relationship of the project to any larger plan or long-range program for the development of the area in which the housing authority functions. RCW 35.82.130 Bonds. An authority shall have power to issue bonds from time to time in its discretion, for any of its corporate purposes. An authority shall also have power to issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. An authority may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable: (1) Exclusively from the income and revenues of the housing project financed with the proceeds of such bonds; (2) exclusively from the income and revenues of certain designated housing projects whether or not they are financed in whole or in part with the proceeds of such bonds; or (3) from all or part of its revenues or assets generally. Any such bonds may be additionally secured by a pledge of any grant or contributions from the federal government or other source, or a pledge of any income or revenues of the authority, or a mortgage of any housing project, projects or other property of the authority. Any pledge made by the authority shall be valid and binding from the time when the pledge is made; the revenues, moneys, or property so pledged and thereafter received by the authority shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the authority, irrespective of whether the parties have notice thereof.

Neither the commissioners of an authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of an authority (and such bonds and obligations shall so state on their face) shall not be a debt of the city, the county, the state or any political subdivision thereof and neither the city or the county, nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds or obligations be payable out of any funds or properties other than those of the authority. The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Bonds of an authority are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom, shall be exempt from taxes. Nothing in this section shall prevent an authority from issuing bonds the interest on which is included in gross income of the owners thereof for income tax purposes. The bonds may be sold at public or private sale.

In case any of the commissioners or officers of the authority whose signatures appear on any bond or any coupons shall cease to be

such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if they had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

In any suit, action or proceedings involving the validity or enforceability of any bond of an authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a housing project to provide dwelling accommodations for persons of low income shall be conclusively deemed to have been issued for a housing project of such character and said project shall be conclusively deemed to have been planned, located and constructed in accordance with the purposes and provisions of this chapter.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW. [1983 c 167 s 65; 1977 ex.s. c 274 s 6; 1970 ex.s. c 56 s 45; 1969 ex.s. c 232 s 22; 1965 c 7 s 35.82.140. Prior: 1939 c 23 s 15; RRS s 6889-15. Formerly RCW 74.24.140.]

(6) To prescribe the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent thereto and the manner in which such consent may be given.

If such proceedings conform to the provisions of this chapter and are otherwise regular in form and if such bonds when delivered and paid for will constitute binding and legal obligations of the authority enforceable according to the terms thereof, the attorney general shall certify in substance upon the back of each of said bonds that it is issued in accordance with the Constitution and laws of the state of Washington. [1965 c 7 s 35.82.260. Prior: 1941 c 69 s 3; Rem. Supp. 1941 s 6889-23c. Formerly RCW 74.24.260.]

RCW 35.82.270 Powers are additional. RCW 35.82.280 Supplemental projects. Except as limited by this section, an authority shall have the same powers with respect to supplemental projects as hereinafter in this section defined as are now or hereafter granted to it under this chapter with respect to housing projects.

No funds shall be expended by an authority for a supplemental project except by resolution adopted on notice at a public hearing as provided by *chapter 42.32 RCW, supported by formal findings of fact incorporated therein, establishing that:

(1) Low-income housing needs within the area of operation of the authority are being or will be adequately met by existing programs; and

(2) A surplus of funds will exist after meeting such low-income housing needs.

Expenditures for supplemental projects shall be limited to those funds determined to be surplus.

"Supplemental project" for the purposes of this chapter shall mean any work or undertaking to provide buildings, land, equipment, facilities, and other real or personal property for recreational, group home, halfway house or other community purposes which by resolution of the housing authority is determined to be necessary for the welfare of the community within its area of operation and to fully accomplish the purposes of this chapter. Such project need not be in conjunction with the clearing of a slum area under subsection (9)(a) of RCW 35.82.020 or with the providing of low-income housing under subsection (9)(b) of RCW 35.82.020. RCW 35.82.285 Group homes or halfway houses for released juveniles or developmentally disabled.

Housing authorities created under this chapter may establish and operate group homes or halfway houses to serve juveniles released from state juvenile or correctional institutions, or to serve the developmentally disabled as defined in *RCW 71A.10.020(2). Action under this section shall be taken by the authority only after a public hearing as provided by chapter 42.30 RCW. In exercising this power the authority shall not be empowered to acquire property by eminent domain, and the facilities established shall comply with all zoning, building, fire, and health regulations and procedures applicable in the locality. RCW 35.82.300 Joint housing authorities—Creation authorized—Contents of ordinances creating—Powers. This section applies to all cities and counties.

(1) Joint housing authorities are hereby authorized when the legislative authorities of one or more counties and the legislative authorities of any city or cities within any of those counties or in another county or counties have authorized such joint housing authority by ordinance. For legislative authorities that have created housing authorities prior to June 6, 2024, a joint housing authority may be formed by two or more city governments without county legislative authority authorization.

[(2)] The ordinances creating a joint housing authority must: (a) Provide for the creation of a new public body corporate and politic; or (b) provide that a housing authority created under this chapter and previously activated by resolution of one of the legislative authorities creating the joint housing authority will be converted to, and will thereafter operate as, a joint housing authority.

(3) The ordinances enacted by the legislative authorities creating the joint housing authority shall prescribe the number of commissioners, the method for their appointment and length of their terms, the election of officers, and the method for removal of commissioners.

(4) The ordinances enacted by the legislative authorities creating the joint housing authority shall prescribe the allocation of all costs of the joint housing authority and any other matters necessary for the operation of the joint housing authority.

(5) A joint housing authority shall have all the powers as prescribed by this chapter for any housing authority. The area of operation of a joint housing authority shall be the combined areas, defined by RCW 35.82.020(6), of the housing authorities created in each city and county authorizing the joint housing authority.

(6) The provisions of RCW 35.82.040 and 35.82.060 shall not apply to a joint housing authority created pursuant to this section.

(7) Unless a delayed date is specified in the ordinances providing for the creation of a joint housing authority, the creation of, or conversion to, a joint housing authority will take effect upon the latest effective date of the ordinances providing for its creation. [2024 c 12 s 1; 2002 c 258 s 1; 1980 c 25 s 1.]

RCW 35.82.310 Joint housing authorities—Dissolution. [(1)] A joint housing authority may be dissolved pursuant to substantially identical resolutions or ordinances of the legislative authority of each of the counties or cities that previously authorized that joint housing authority. These resolutions or ordinances may authorize the execution of an agreement among the counties, cities, and the joint housing authority that provides for the timing, distribution of assets, obligations and liabilities, and other matters deemed necessary or appropriate by the legislative authorities.

(2) Each resolution or ordinance dissolving a joint housing authority shall provide for the following:

(a) Activation or reactivation of a housing authority or joint housing authority by each of the cities and counties that previously authorized the joint housing authority and any additional cities or counties that are then to be added. This activation or reactivation takes effect upon the dissolution of the joint housing authority or at an earlier time provided in the resolutions or ordinances dissolving the joint housing authority; and

(b) Distribution of all assets, obligations, and liabilities of the joint housing authority to the housing authorities activated or reactivated under (a) of this subsection. Distribution of assets, obligations, and liabilities may be based on any, or a combination of any of, the following considerations:

(i) The population within the boundaries of each of the housing authorities activated or reactivated under (a) of this subsection;

(ii) The number of housing units owned by the joint housing authority within the boundaries of each of the housing authorities activated or reactivated under (a) of this subsection;

(iii) The number of low-income residents within the boundaries of each of the housing authorities activated or reactivated under (a) of this subsection;

(iv) The effect of the proposed distribution on the viability of the housing authorities activated or reactivated under (a) of this subsection; or

(v) Any other reasonable criteria to determine the distribution of assets, obligations, and liabilities.

(3) Each activated or reactivated housing authority shall be responsible for debt service on bonds or other obligations issued or incurred to finance the acquisition, construction, or improvement of the projects, properties, and other assets that have been distributed to them under the dissolution. However, if an outstanding bond issue is secured in whole or in part by the general revenues of the joint housing authority being dissolved, each housing authority activated or reactivated under subsection (2)(a) of this section shall remain jointly and severally liable for retirement of debt service through repayment of those outstanding bonds and other obligations of the joint housing authority until paid or defeased, from general revenues of each of the activated or reactivated housing authorities, and from any other revenues and accounts that had been expressly pledged by the joint housing authority to the payment of those bonds or other obligations. As used in this subsection, "general revenues" means all revenues of a housing authority from any source, but only to the extent that those revenues are available to pay debt service on bonds or other obligations and are not then or thereafter pledged or restricted by law, regulation, contract, covenant, resolution, deed of trust, or otherwise, solely to another particular purpose. [2006 c 349 s 12.]

Finding—2006 c 349: See note following RCW 43.185C.010.

RCW 35.82.320 Deactivation of housing authority—Procedure. A housing authority created under this chapter and activated by a resolution by the governing body of a city, town, or county may be deactivated by a resolution by the city, town, or county. The findings

listed in RCW 35.82.030 to activate the housing authority shall be considered prior to deactivating the housing authority. For the sole purposes of winding up the affairs of a deactivated housing authority, the governing body of the city, town, or county may exercise any power granted to a housing authority under this chapter. [1987 c 275 s 1.]

RCW 35.82.325 Deactivation of housing authority—Distribution of assets. The assets of an authority in the process of deactivation shall be applied and distributed as follows:

(1) All liabilities and obligations of the authority shall be paid, satisfied, and discharged, or adequate provision shall be made therefor;

(2) Assets held by the authority upon condition requiring return, transfer, or conveyance, which condition occurs by reason of the deactivation shall be returned, transferred, or conveyed in accordance with such requirements;

(3) Assets received and held by the authority subject to limitations permitting their use only for activities purposes contained in RCW 35.82.070, but not held upon a condition requiring return, transfer, or conveyance by reason of the deactivation, shall be transferred or conveyed to the governing body of the city, town, or county and used to engage in activities contained in RCW 35.82.070;

(4) Other assets, if any, shall be returned to the governing body of the city, town, or county for uses allowed under state law. [1987 c 275 s 2.]

RCW 35.82.330 Chapter not applicable to certain transfers of property. This chapter does not apply to transfers of property under *sections 1 and 2 of this act. [2006 c 35 s 8.]

***Reviser's note:** The reference to "sections 1 and 2 of this act" appears to be erroneous. Reference to "sections 2 and 3 of this act" codified as RCW 43.99C.070 and 43.83D.120 was apparently intended. RCW 43.99C.070 and 43.83D.120 were recodified as RCW 43.83.400 and 43.83.410, respectively, by the code reviser September 2015.

Findings—2006 c 35: See note following RCW 43.83.400.

RCW 35.82.340 Previously incarcerated individuals—Rental policies that are not unduly burdensome encouraged. The legislature recognizes that stable, habitable, and supportive housing is a critical factor that increases a previously incarcerated individual's access to treatment and services as well as the likelihood of success in the community. Housing authorities are therefore encouraged to formulate rental policies that are not unduly burdensome to previously incarcerated individuals attempting to reenter the community, particularly when the individual's family may already reside in government subsidized housing. [2007 c 483 s 603.]

Finding—Intent—2007 c 483: "The legislature finds that, in order to improve the safety of our communities, more housing needs to be made available to offenders returning to the community. The legislature intends to increase the housing available to offenders by providing that landlords who rent to offenders shall be immune from

civil liability for damages that may result from the criminal conduct of the tenant." [2007 c 483 s 601.]

Findings—2007 c 483: See RCW 72.78.005.

RCW 35.82.900 Short title. This chapter shall be known and may be cited as the "Housing Authorities Law." [1965 c 7 s 35.82.900. Prior: 1939 c 23 s 1.]

RCW 35.82.910 Chapter controlling. Insofar as the provisions of this chapter are inconsistent with the provisions of any other law, the provisions of this chapter shall be controlling. [1965 c 7 s 35.82.910. Prior: 1939 c 23 s 26.]
