The requesting state shall save and hold members of the national guard forces of responding states harmless from civil liability, except as otherwise provided herein, for acts or omissions that occur in the performance of their duty while engaged in carrying out the purposes of this compact, whether responding forces are serving the requesting state within the borders of the responding state or are attached to the requesting state for purposes of operational control.

(2) Subject to the provisions of paragraphs (3), (4), and (5) of this Article, all liability that may arise under the laws of the requesting state or the responding states, on account of or in connection with a request for assistance or support, shall be assumed and borne by the requesting state.

(3) Any responding state rendering aid or assistance pursuant to this compact shall be reimbursed by the requesting state for any loss or damage to, or expense incurred in the operation of, any equipment answering a request for aid, and for the cost of the materials, transportation, and maintenance of national guard personnel and equipment incurred in connection with such request, provided that nothing herein contained shall prevent any responding state from assuming such loss, damage, expense, or other cost.

(4) Unless there is a written agreement to the contrary, each party state shall provide, in the same amounts and manner as if they were on duty within their state, for pay and allowances of the personnel of its national guard units while engaged without the state pursuant to this compact and while going to and returning from such duty pursuant to this compact.

Such benefits and compensation shall be deemed items of expense reimbursable pursuant to paragraph (3) of this Article.

(b) Officers and enlisted personnel of the national guard performing duties subject to proper orders pursuant to this compact shall be subject to and governed by the provisions of their home state code of military justice whether they are performing duties within or without their home state. In the event that any national guard member commits, or is suspected of committing, a criminal offense while performing duties pursuant to this compact without his or her home state, he or she may be returned immediately to his or her home state and said home state shall be responsible for any disciplinary action to be taken. However, nothing in this section shall abrogate the general criminal jurisdiction of the state in which the offense occurred.

ARTICLE V DELEGATION

Nothing in this compact shall be construed to prevent the governor of a party state from delegating any of his or her responsibilities or authority respecting the national guard, provided that such delegation is otherwise in accordance with law. For purposes of this compact, however, the governor shall not delegate the power to request assistance from another state.

ARTICLE VI
LIMITATIONS

Nothing in this compact shall:

(a) Authorize or permit national guard units or personnel to be placed under the operational control of any person not having the national guard rank or status required by law for the command in question.

(b) Deprive a properly convened court of jurisdiction over an offense or a defendant merely because of the fact that the national guard, while performing duties pursuant to this compact, was utilized in achieving an arrest or indictment.

ARTICLE VII
CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution of the United States or of any state or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating herein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters. Emergency volunteer health practitioners: Chapter 70.15 RCW.

RCW 38.10.010 Emergency management assistance compact. The emergency management assistance compact is enacted and entered into by this state with all other states legally joining the compact in the form substantially as follows:

ARTICLE I
PURPOSES AND AUTHORITIES

This compact is made and entered into by and between the participating party states which enact this compact. For the purposes of this agreement, the term "states" means the several states, the Commonwealth of Puerto Rico, the District of Columbia, and all United States territorial possessions.

The purpose of this compact is to provide for mutual assistance between the states entering into this compact in managing any emergency or disaster that is duly declared by the governor of the affected state or states, whether arising from natural disaster, technological hazard, man-made disaster, civil emergency aspects of resources shortages, community disorders, insurgency, or enemy attack.

This compact shall also provide for mutual cooperation in emergency-related exercises, testing, or other training activities using equipment and personnel simulating performance of any aspect of the giving and receiving of aid by party states or subdivisions of party states during emergencies, such actions occurring outside actual declared emergency periods. Mutual assistance in this compact may include the use of the states' national guard forces, either in accordance with the national guard mutual assistance compact, or by mutual agreement between states.

ARTICLE II
GENERAL IMPLEMENTATION

Each party state entering into this compact recognizes many emergencies transcend political jurisdictional boundaries and that intergovernmental coordination is essential in managing these and other emergencies under this compact. Each state further recognizes that there will be emergencies which require immediate access and present procedures to apply outside resources to make a prompt and effective response to the emergency. This is because few, if any, individual states have all the resources they may need in all types of emergencies or the capability of delivering resources to areas where emergencies exist.

The prompt, full, and effective utilization of resources of the participating states, including any resources on hand or available from the federal government or any other source, that are essential to the safety, care, and welfare of the people in the event of any emergency or disaster declared by a party state, shall be the underlying principle on which all articles of this compact shall be understood.

On behalf of the governor of each state participating in the compact, the legally designated state official who is assigned responsibility for emergency management will be responsible for formulation of the appropriate interstate mutual aid plans and procedures necessary to implement this compact.

ARTICLE III
PARTY STATE RESPONSIBILITIES

(1) It shall be the responsibility of each party state to formulate procedural plans and programs for interstate cooperation in the performance of the responsibilities listed in this article. In formulating such plans, and in carrying them out, the party states, as is practical, shall:

(a) Review individual state hazards analyses and, to the extent reasonably possible, determine all those potential emergencies the party states might jointly suffer, whether due to natural disaster, technological hazard, man-made disaster, emergency aspects of resource shortages, civil disorders, insurgency, or enemy attack;

(b) Review party states' individual emergency plans and develop a plan which will determine the mechanism for the interstate management and provision of assistance concerning any potential emergency;

(c) Develop interstate procedures to fill any identified gaps and to resolve any identified inconsistencies or overlaps in existing or developed plans;

(d) Assist in warning communities adjacent to or crossing the state boundaries;

(e) Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material;

(f) Inventory and set procedures for the interstate loan and delivery of human and material resources, together with procedures for reimbursement or forgiveness;

(g) Provide, to the extent authorized by law, for temporary suspension of any statutes or ordinances that restrict the implementation of the responsibilities listed in this compact.

(2) The authorized representative of a party state may request assistance of another party state by contacting the authorized representative of that state. The provisions of this agreement shall only apply to requests for assistance made by and to authorized representatives. Requests may be verbal or in writing. If verbal, the request shall be confirmed in writing within thirty days of the verbal request. Requests shall provide the following information:

(a) A description of the emergency services function for which assistance is needed, such as, but not limited to, fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building inspection, planning and information assistance, mass care, resource support, health and medical services, and search and rescue;

(b) The amount and type of personnel, equipment, materials, and supplies needed, and a reasonable estimate of the length of time they will be needed;

(c) The specific place and time for staging of the assisting party's response and a point of contact at that location.

(3) There shall be frequent consultation between state officials who have assigned emergency management responsibilities and other appropriate representatives of the party states with affected

jurisdictions and the United States government, with free exchange of information, plans, and resource records relating to emergency capabilities.

ARTICLE IV LIMITATIONS

Any party state requested to render mutual aid or conduct exercises and training for mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms of this compact. However, it is understood that the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for the state. Each party state shall afford to the emergency forces of any party state, while operating within its state limits under the terms and conditions of this compact, the same powers except that of arrest unless specifically authorized by the receiving state, duties, rights, and privileges as are afforded forces of the state in which they are performing emergency services. Emergency forces will continue under the command and control of their regular leaders, but the organizational units will come under the operational control of the emergency services authorities of the state receiving assistance. These conditions may be activated, as needed, only subsequent to a declaration of a state of emergency or disaster by the governor of the party state that is to receive assistance or commencement of exercises or training for mutual aid and shall continue so long as the exercise or training for mutual aid are in progress, the state of emergency or disaster remains in effect, or loaned resources remain in the receiving state or states, whichever is longer.

ARTICLE V LICENSES AND PERMITS

Whenever any person holds a license, certificate, or other permit issued by any state party to the compact evidencing the meeting of qualifications for professional, mechanical, or other skills, and when such assistance is requested by the receiving party state, such person shall be deemed licensed, certified, or permitted by the state requesting assistance to render aid involving such skill to meet a declared emergency or disaster, subject to such limitations and conditions as the governor of the requesting state may prescribe by executive order or otherwise.

ARTICLE VI LIABILITY

Officers or employees of a party state rendering aid in another state under this compact shall be considered agents of the requesting state for tort liability and immunity purposes; and no party state or its officers or employees rendering aid in another state under this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged or on account of the maintenance or use of any equipment or supplies in connection therewith. Good faith in this article may not include willful misconduct, gross negligence, or recklessness.

ARTICLE VII SUPPLEMENTARY AGREEMENTS

Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two or more states may differ from that

among the states that are party to this compact, this instrument contains elements of a broad base common to all states, and nothing in this compact shall preclude any state from entering into supplementary agreements with another state or affect any other agreements already in force between states. Supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and reception of injured and other persons and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, and equipment and supplies.

ARTICLE VIII COMPENSATION

Each party state shall provide for payment of compensation and death benefits to injured members of the emergency forces of that state and representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid under this compact, in the same manner and on the same terms as if the injury or death were sustained within their own state.

ARTICLE IX REIMBURSEMENT

Any party state rendering aid in another state under this compact shall be reimbursed by the party state receiving the aid for any loss or damage to or expense incurred in the operation of any equipment and the provision of any service in answering a request for aid and for the costs incurred in connection with the requests. However, any aiding party state may assume in whole or in part the loss, damage, expense, or other cost, or may loan equipment or donate services to the receiving party state without charge or cost; and any two or more party states may enter into supplementary agreements establishing a different allocation of costs among those states. Article VIII expenses may not be reimbursable under this article.

ARTICLE X EVACUATION

Plans for the orderly evacuation and interstate reception of portions of the civilian population as the result of any emergency or disaster of sufficient proportions to so warrant, shall be worked out and maintained between the party states and the emergency management/ services directors of the various jurisdictions where any type of incident requiring evacuation might occur. The plans shall be put into effect by request of the state from which evacuees come and shall include the manner of transporting evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing, and medical care will be provided, the registration of evacuees, the providing of facilities for the notification of relatives or friends, and the forwarding of evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Plans shall provide that the party state receiving evacuees and the party state from which the evacuees come shall mutually agree as to reimbursement of out-of-pocket expenses incurred in receiving and caring for the evacuees, for expenditures for transportation, food, clothing, medicines and medical care, and like items. Expenditures shall be reimbursed as agreed by the party state from which the evacuees come. After the termination of the emergency or disaster, the party state from which the evacuees come shall assume

the responsibility for the ultimate support of repatriation of the evacuees.

ARTICLE XI
IMPLEMENTATION

(1) This compact shall become operative immediately upon its enactment into law by any two states. After the first enactment, this compact shall become effective as to any other state upon its enactment by such state.

(2) Any party state may withdraw from this compact by enacting a statute repealing the compact, but no withdrawal may take effect until thirty days after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states. This action may not relieve the withdrawing state from obligations assumed under this compact before the effective date of withdrawal.

(3) Duly authenticated copies of this compact and such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states, and with the federal emergency management agency and other appropriate agencies of the United States government.

ARTICLE XII
ADDITIONAL PROVISIONS

Nothing in this compact shall authorize or permit the use of military force by the national guard of a state at any place outside that state in any emergency for which the president is authorized by law to call into federal service the militia, or for any purpose for which the use of the army or the air force would in the absence of express statutory authorization be prohibited under 18 U.S.C. Sec. 1385. [2001 c 288 s 1.]

To be promoted, the selected officer must also meet the requirements of RCW 38.12.070. In no event will seniority be the sole guideline for selecting the officer to be promoted. The officer promotion board will, in determining the best qualified officer, consider the overall qualifications of an officer and not just the qualifications for one position. A court-martial so convened has jurisdiction to try the dismissed officer on those charges, and the officer shall be considered to have waived the right to plead any statute of limitations applicable to any offense with which the officer is charged. The court-martial may, as part of its sentence, adjudge the affirmance of the dismissal, but if the court-martial acquits the accused or if the sentence adjudged, as finally approved or affirmed, does not include dismissal, the chief of staff to the governor or adjutant general shall substitute for the dismissal ordered by the governor a form of discharge authorized for administrative issue.

(2) If the governor fails to convene a general court-martial within six months from the presentation of an application for trial under this code, the chief of staff to the governor or adjutant general shall substitute for the dismissal ordered by the governor a form of discharge authorized for administrative issue.

The reappointment of such a former officer may be made only if a vacancy is available under applicable tables of organization. All time between the dismissal and the reappointment shall be considered as actual service for all purposes.

(4) If an officer is discharged from the organized militia by administrative action or by board proceedings under law, or is dropped from the rolls by order of the governor, the officer has no right to trial under this section. [1989 c 48 s 4; 1963 c 220 s 4.]

RCW 38.38.020 [Art. 5] Territorial applicability of the code.

(1) This code applies throughout the state. It also applies to all persons otherwise subject to this code while they are serving outside the state, and while they are going to and returning from such service outside the state, in the same manner and to the same extent as if they were serving inside the state.

(2) Courts-martial and courts of inquiry may be convened and held in units of the organized militia while those units are serving outside the state with the same jurisdiction and powers as to persons subject to this code as if the proceedings were held inside the state, and offenses committed outside the state may be tried and punished either inside or outside the state. [1989 c 48 s 5; 1963 c 220 s 5.]

RCW 38.38.024 [Art. 6] Judge advocates and legal officers. (1)

To be eligible for appointment, an officer must be a member of the bar of the highest court of the state and must have been a member of the bar of the state for at least five years.

(2) Any person authorized by this code, or by regulations issued under it, to apprehend persons subject to this code, any marshal of a court-martial appointed pursuant to the provisions of this code, and any peace officer authorized to do so by law, may do so upon reasonable belief that an offense has been committed and that the person apprehended committed it.

(3) Commissioned officers, warrant officers, and noncommissioned officers have authority to quell quarrels, frays, and disorders among persons subject to this code and to apprehend persons subject to this code who take part therein. [1989 c 48 s 7; 1963 c 220 s 7.]

Any civil officer having authority to apprehend offenders under the laws of the United States or of a state, territory, commonwealth, or possession, or the District of Columbia may summarily apprehend a deserter from the state of Washington organized militia and deliver the offender into the custody of the state of Washington organized militia. If an offender is apprehended outside of the state of Washington, the return to the area must be in accordance with normal extradition procedures or reciprocal agreement. [1989 c 48 s 8; 1963 c 220 s 8.]

RCW 38.38.072 [Art. 9] Imposition of restraint. (1) Arrest is the restraint of a person by an order, not imposed as a punishment for an offense, directing the person to remain within certain specified limits. Confinement is the physical restraint of a person.

(2) An enlisted member may be ordered into arrest or confinement by any commissioned officer by an order, oral or written, delivered in person or through other persons subject to this code or through any person authorized by this code to apprehend persons. A commanding officer may authorize warrant officers or noncommissioned officers to order enlisted members of the officer's command or subject to the officer's authority into arrest or confinement.

(3) A commissioned officer or a warrant officer may be ordered apprehended or into arrest or confinement only by a commanding officer to whose authority the officer is subject, by an order, oral or written, delivered in person or by another commissioned officer. The authority to order such persons apprehended or into arrest or confinement may not be delegated.

(4) No person may be ordered apprehended or into arrest or confinement except for probable cause.

(5) This section does not limit the authority of persons authorized to apprehend offenders to secure the custody of an alleged

offender until proper authority may be notified. [1989 c 48 s 9; 1963 c 220 s 9.]

RCW 38.38.076 [Art. 10] Restraint of persons charged with offenses. Any person subject to this code charged with an offense under this code shall be ordered into arrest or confinement, as circumstances may require; but when charged only with an offense normally tried by a summary court-martial, such person shall not ordinarily be placed in confinement. When any person subject to this code is placed in arrest or confinement prior to trial, immediate steps shall be taken to inform the person of the specific wrong of which he or she is accused and to try the person or to dismiss the charges and release the person. [1989 c 48 s 10; 1963 c 220 s 10.]

RCW 38.38.080 [Art. 10a] Confinement in jails. Persons confined other than in a guard house, whether before, during, or after trial by a military court, shall be confined in civil jails, penitentiaries, or prisons designated by the governor or the adjutant general. (2) Every commander of a guard, master at arms, warden, keeper, or officer of a city or county jail or of any other jail, penitentiary, or prison designated under RCW 38.38.080, to whose charge a prisoner is committed shall, within twenty-four hours after that commitment or as soon as he or she is relieved from guard, report to the commanding officer of the prisoner the name of the prisoner, the offense charged against the prisoner, and the name of the person who ordered or authorized the commitment. [1989 c 48 s 12; 1963 c 220 s 12.]

RCW 38.38.088 [Art. 13] Punishment prohibited before trial. Subject to RCW 38.38.488, no person, while being held for trial or the result of trial, may be subjected to punishment or penalty other than arrest or confinement upon the charges pending against the person, nor shall the arrest or confinement imposed upon the person be any more rigorous than the circumstances require to insure his or her presence, but the person may be subjected to minor punishment during that period for infractions of discipline. [1989 c 48 s 13; 1963 c 220 s 13.]

RCW 38.38.092 [Art. 14] Delivery of offenders to civil authorities. (1) Under such regulations as may be prescribed by the adjutant general, a person subject to this code who is accused of an offense against civil authority may be delivered, upon request, to the civil authority for trial.

(2) When delivery under this section is made to any civil authority of a person undergoing sentence of a court-martial, the delivery, if followed by conviction in a civil tribunal, interrupts the execution of the sentence of the court-martial, and the offender after having answered to the civil authorities for the offense shall, upon the request of competent military authority, be returned to military custody for the completion of the sentence. [2009 c 378 s 8; 1989 c 48 s 14; 1963 c 220 s 14.]

PART III—NONJUDICIAL PUNISHMENT

RCW 38.38.132 [Art. 15] Commanding officer's nonjudicial punishment—Suspension—Appeal. (1) Under such regulations as the governor may prescribe, limitations may be placed on the powers granted by this section with respect to the kind and amount of punishment authorized, the categories of commanding officers and warrant officers exercising command authorized to exercise those powers, the applicability of this section to an accused who demands trial by court-martial, and the kinds of courts-martial to which the case may be referred upon such a demand. However, except in the case of a member attached to or embarked in a vessel, punishment may not be imposed upon any member of the organized militia under this section if the member has, before the imposition of such punishment, demanded trial by court-martial in lieu of such punishment. Under similar regulations, rules may be prescribed with respect to the suspension of punishments authorized hereunder. If authorized by regulations of the governor, a commanding officer exercising general court-martial jurisdiction or an officer of general rank in command may delegate powers under this section to a principal assistant.

(2) Subject to subsection (1) of this section, any commanding officer may, in addition to or in lieu of admonition or reprimand, impose one or more of the following disciplinary punishments for minor offenses without the intervention of a court-martial:

(a) Upon officers of his or her command:

(i) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive duty or drill days;

(ii) If imposed by an officer exercising general court-martial jurisdiction or an officer of general rank in command:

(A) Forfeiture of up to thirty days' pay, but not more than fifteen days' pay per month;

(B) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive drill or duty days;

(C) Detention of up to forty-five days' pay, but not more than fifteen days' pay per month;

(b) Upon other personnel of his or her command:

(i) If imposed upon a person attached to or embarked in a vessel, confinement for not more than three consecutive days;

(ii) Forfeiture of not more than seven days' pay;

(iii) Reduction to the next inferior pay grade, if the grade from which demoted is within the promotion authority of the officer imposing the reduction or any officer subordinate to the one who imposes the reduction;

(iv) Extra duties, including fatigue or other duties for not more than fourteen duty or drill days, which need not be consecutive, and for not more than two hours per day, holidays included;

(v) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive days;

(vi) Detention of not more than fourteen days' pay;

(vii) If imposed by a commanding officer of the grade of major or above:

(A) The punishment authorized in subsection (2) (b) (i) of this section;

(B) Forfeiture of up to thirty days' pay, but not more than fifteen days' pay per month;

(C) Reduction to the lowest or any intermediate pay grade, if the grade from which demoted is within the promotion authority of the officer imposing the reduction or any officer subordinate to the one who imposes the reduction, but an enlisted member in a pay grade above E-4 may not be reduced more than two pay grades;

(D) Extra duties, including fatigue or other duties, for not more than fourteen drill or duty days, which need not be consecutive, and for not more than two hours per day, holidays included;

(E) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive days;

(F) Detention of up to forty-five days' pay, but not more than fifteen days' pay per month.

Detention of pay shall be for a stated period of not more than one year but if the offender's term of service expires earlier, the detention shall terminate upon that expiration. Extra duties and restriction may not be combined to run consecutively in the maximum amount imposable for each. Whenever any such punishments are combined to run consecutively, there must be an apportionment. In addition, forfeiture of pay may not be combined with detention of pay without an apportionment.

(3) An officer in charge may impose upon enlisted members assigned to the unit of which the officer is in charge such of the punishment authorized under subsection (2) (b) of this section as the governor may specifically prescribe by regulation.

(4) The officer who imposes the punishment authorized in subsection (2) of this section, or a successor in command, may, at any time, suspend probationally any part or amount of the unexecuted punishment imposed and may suspend probationally a reduction in grade or a forfeiture imposed under subsection (2) of this section, whether or not executed. In addition, the officer may, at any time, remit or mitigate any part or amount of the unexecuted punishment imposed and may set aside in whole or in part the punishment, whether executed or unexecuted, and restore all rights, privileges, and property affected. The officer may also mitigate reduction in grade to forfeiture or detention of pay. When mitigating extra duties to restriction, the restriction shall not be longer than the number of hours of extra duty that may have been imposed. When mitigating reduction in grade to forfeiture or detention of pay, the amount of the forfeiture or detention shall not be greater than the amount that could have been imposed initially under this section by the officer who imposed the punishment mitigated.

(5) A person punished under this section who considers the punishment unjust or disproportionate to the offense may, through the proper channel, appeal to the next superior authority. The appeal shall be promptly forwarded and decided, but the person punished may

in the meantime be required to undergo the punishment adjudged. The superior authority may exercise the same powers with respect to the punishment imposed as may be exercised under subsection (4) of this section by the officer who imposed the punishment. Before acting on an appeal from a punishment of:

(a) Forfeiture of more than seven days' pay;

(b) Reduction of one or more pay grades from the fourth or a higher pay grade;

(c) Extra duties for more than ten days;

(d) Restriction for more than ten days; or

(e) Detention of more than fourteen days' pay;

the authority who is to act on the appeal shall refer the case to a judge advocate for consideration and advice, and may so refer the case upon appeal from any punishment imposed under subsection (2) of this section.

(6) The imposition and enforcement of disciplinary punishment under this section for any act or omission is not a bar to trial by court-martial for a serious crime or offense growing out of the same act or omission, and not properly punishable under this section; but the fact that a disciplinary punishment has been enforced may be shown by the accused upon trial, and when so shown shall be considered in determining the measure of punishment to be adjudged in the event of a finding of guilty.

(7) The governor may by regulation prescribe the form of records to be kept of proceedings under this section and may also prescribe that certain categories of those proceedings shall be in writing. [2009 c 378 s 9; 1991 c 43 s 5; 1989 c 48 s 15; 1963 c 220 s 15.]

PART IV—COURTS-MARTIAL JURISDICTION

RCW 38.38.172 [Art. 16] Courts-martial of organized militia not in federal service—Composition—Jurisdiction—Powers and proceedings.

(1) In the organized militia not in federal service, there are general, special, and summary courts-martial constituted like similar courts of the armed forces of the United States. They have the jurisdiction and powers, except as to punishments, and shall follow the forms and procedures provided for those courts.

(2) The three kinds of courts-martial are:

(a) General courts-martial, consisting of a military judge and not less than five members, or only a military judge, if before the court is assembled the accused, knowing the identity of the military judge and after consultation with defense counsel, requests orally on the record or in writing a court composed only of a military judge and the military judge approves;

(b) Special courts-martial, consisting of not less than three members, or a military judge and not less than three members, or only a military judge, if one has been detailed to the court, and the accused under the same conditions as those prescribed in (a) of this subsection so requests; and

(c) Summary courts-martial, consisting of one commissioned officer. [1989 c 48 s 16; 1963 c 220 s 16.]

RCW 38.38.176 [Art. 17] Jurisdiction of courts-martial in general. Each force of the organized militia has court-martial jurisdiction over all persons subject to this code. The exercise of jurisdiction by one force over personnel of another force shall be in accordance with regulations prescribed by the governor. [1989 c 48 s 17; 1963 c 220 s 17.]

RCW 38.38.180 [Art. 18] Jurisdiction of general courts-martial. Subject to RCW 38.38.176, general courts-martial have jurisdiction to try persons subject to this code for any offense made punishable by this code and may, under such limitations as the governor may prescribe, adjudge any of the following punishments:

- (1) A fine of not more than three hundred dollars;
- (2) Forfeiture of pay and allowances;
- (3) A reprimand;
- (4) Dismissal or dishonorable discharge;
- (5) Reduction of a noncommissioned officer to the ranks; or
- (6) Any combination of these punishments. [2009 c 378 s 10; 1963 c 220 s 18.]

RCW 38.38.184 [Art. 19] Jurisdiction of special courts-martial—Dishonorable discharge. Subject to RCW 38.38.176, special courts-martial have jurisdiction to try persons subject to this code for any offense for which they may be punished under this code. A special court-martial has the same powers of punishment as a general court-martial, except that a fine imposed by a special court-martial may not be more than one hundred dollars for a single offense. A dishonorable discharge may not be adjudged unless a complete record of the proceedings and testimony has been made, counsel having the qualifications prescribed under RCW 38.38.260 was detailed to represent the accused, and a military judge was detailed to the trial, except in any case in which a military judge could not be detailed to the trial because of physical conditions or military exigencies. In any such case in which a military judge was not detailed to the trial, the convening authority shall make a detailed written statement, to be appended to the record, stating the reason or reasons a military judge could not be detailed. [1989 c 48 s 18; 1963 c 220 s 19.]

RCW 38.38.188 [Art. 20] Jurisdiction of summary courts-martial.

- (1) Subject to RCW 38.38.176, summary courts-martial have jurisdiction to try persons subject to this code, except officers for any offense made punishable by this code.
- (2) No person with respect to whom summary courts-martial have jurisdiction may be brought to trial before a summary court-martial if the person objects thereto, unless under RCW 38.38.132 the person has been permitted and has elected to refuse punishment under that section. If objection to trial by summary court-martial is made by an accused who has been permitted to refuse punishment under RCW 38.38.132, trial shall be ordered by special or general court-martial, as may be appropriate.
- (3) A summary court-martial may sentence to a fine of not more than twenty-five dollars for a single offense, to forfeiture of not more than one-half month's pay for two months, to reduction in rank of

enlisted soldiers, and to reduction of a noncommissioned officer to the ranks. [2009 c 378 s 11; 1989 c 48 s 19; 1963 c 220 s 20.]

RCW 38.38.192 [Art. 21] Sentences of dismissal or dishonorable discharge to be approved by the governor. In the organized militia not in federal service, no sentence of dismissal or dishonorable discharge may be executed until it is approved by the governor. [1963 c 220 s 21.]

RCW 38.38.196 [Art. 21a] Complete record of proceedings and testimony if dishonorable discharge or dismissal adjudged. A dishonorable discharge or dismissal may not be adjudged by any court-martial unless a complete record of the proceedings and testimony before the court has been made. [1989 c 48 s 20; 1963 c 220 s 22.]

RCW 38.38.200 [Art. 21b] Confinement instead of fine. In the organized militia not in federal service, a court-martial may, instead of imposing a fine, sentence to confinement for not more than one day for each dollar of the authorized fine. [1989 c 48 s 21; 1963 c 220 s 23.]

PART V—APPOINTMENT AND COMPOSITION OF COURTS-MARTIAL

RCW 38.38.240 [Art. 22] Who may convene general courts-martial. In the organized militia not in federal service pursuant to Title 10 U.S.C., general courts-martial may be convened by the president or by the governor, or by the adjutant general. [2009 c 378 s 12; 1989 c 48 s 22; 1963 c 220 s 24.]

RCW 38.38.244 [Art. 23] Special courts-martial of organized militia not in federal service—Who may convene. (1) In the organized militia not in federal service pursuant to Title 10 U.S.C., anyone authorized to convene a general court-martial, the commanding officer of a garrison, fort, post, camp, air base, auxiliary air base, or other place where troops are on duty, or of a brigade, regiment, wing, group, detached battalion, separate squadron, or other detached command may convene special courts-martial. Special courts-martial may also be convened by superior authority. When any such officer is an accuser, the court shall be convened by superior competent authority.

(2) A special court-martial may not try a commissioned officer. [2009 c 378 s 13; 1989 c 48 s 23; 1963 c 220 s 25.]

RCW 38.38.248 [Art. 24] Summary courts-martial of organized militia not in federal service—Who may convene. (1) In the organized militia not in federal service pursuant to Title 10 U.S.C., anyone authorized to convene a special court-martial, the commanding officer of a garrison, fort, post, camp, air base, auxiliary air base, or other place where troops are on duty, or of a regiment, wing, group, detached battalion, detached squadron, detached company, or other

detachment may convene a summary court-martial consisting of one commissioned officer. The proceedings shall be informal.

(2) When only one commissioned officer is present with a command or detachment the commissioned officer shall be the summary court-martial of that command or detachment and shall hear and determine all summary court-martial cases brought before him or her. Summary courts-martial may, however, be convened in any case by superior competent authority when considered desirable. [2009 c 378 s 14; 1989 c 48 s 24; 1963 c 220 s 26.]

RCW 38.38.252 [Art. 25] Who may serve on courts-martial. (1)

Any commissioned officer of or on duty with the organized militia is eligible to serve on all courts-martial for the trial of any person who may lawfully be brought before such courts for trial.

(2) Any warrant officer of or on duty with the organized militia is eligible to serve on general and special courts-martial for the trial of any person, other than a commissioned officer, who may lawfully be brought before such courts for trial.

(3) (a) Any enlisted member of the organized militia who is not a member of the same unit as the accused is eligible to serve on general and special courts-martial for the trial of any enlisted member who may lawfully be brought before such courts for trial, but shall serve as a member of a court only if, before the conclusion of a session called by the military judge under RCW 38.38.380(1) prior to trial or, in the absence of such a session, before the court is assembled for the trial of the accused, the accused personally has requested in writing that enlisted members serve on it. After such a request, the accused may not be tried by a general or special court-martial the membership of which does not include enlisted members in a number comprising at least one-third of the total membership of the court, unless eligible members cannot be obtained on account of physical conditions or military exigencies. If such members cannot be obtained, the court may be convened and the trial held without them, but the convening authority shall make a detailed written statement, to be appended to the record, stating why they could not be obtained.

(b) In this section, the word "unit" means any regularly organized body of the organized militia not larger than a company, a squadron, or a body corresponding to one of them.

(4) (a) When it can be avoided, no person subject to this code may be tried by a court-martial any member of which is junior to the person in rank or grade.

(b) When convening a court-martial, the convening authority shall detail as members thereof such members as, in his or her opinion, are best qualified for the duty by reason of age, education, training, experience, length of service, and judicial temperament. No member is eligible to serve as a member of a general or special court-martial when the member is the accuser or a witness for the prosecution or has acted as investigating officer or as counsel in the same case.

(c) Before a court-martial is assembled for the trial of a case, the convening authority may excuse a member of the court from participating in the case. Under such regulations as the governor may prescribe, the convening authority may delegate his or her authority under this subsection to the staff judge advocate or to any other principal assistant. [1989 c 48 s 25; 1963 c 220 s 27.]

RCW 38.38.256 [Art. 26] Military judge of a general or special court-martial. (1) A military judge shall be detailed to each general court-martial. Subject to regulations of the governor, a military judge may be detailed to any special court-martial. The governor shall prescribe regulations providing for the manner in which military judges are detailed for such courts-martial and for the persons who are authorized to detail military judges for such courts-martial. The military judge shall preside over each open session of the court-martial to which he or she has been detailed.

(2) A military judge shall be a commissioned officer of the armed forces who is a member of the bar of a federal court or a member of the bar of the highest court of a state and who is certified to be qualified for duty as a military judge by the state judge advocate.

(3) The military judge of a general court-martial shall be designated by the state judge advocate or a designee for detail in accordance with regulations prescribed under subsection (1) of this section. Unless the court-martial was convened by the governor, neither the convening authority nor any member of the staff shall prepare or review any report concerning the effectiveness, fitness, or efficiency of the military judge so detailed, which relates to performance of duty as a military judge. A commissioned officer who is certified to be qualified for duty as a military judge of a general court-martial may perform such duties only when he or she is assigned and directly responsible to the state judge advocate or designee, and may perform duties of a judicial or nonjudicial nature other than those relating to the primary duty as a military judge of a general court-martial when such duties are assigned by or with the approval of the state judge advocate or designee.

(4) No person is eligible to act as military judge in a case if the person is the accuser or a witness for the prosecution or has acted as investigating officer or a counsel in the same case.

(5) The military judge of a court-martial may not consult with the members of the court except in the presence of the accused, trial counsel, and defense counsel, nor may the military judge vote with the members of the court. [1989 c 48 s 26; 1963 c 220 s 28.]

RCW 38.38.258 [Art. 26a] Military judges—Qualifications. A military judge must be a judge advocate. The adjutant general shall prescribe procedures for certifying, appointing, detailing, and removing military judges. [2009 c 378 s 6.]

RCW 38.38.260 [Art. 27] Detail of trial counsel and defense counsel. (1)(a) Trial counsel and defense counsel shall be detailed for each general and special court-martial. Assistant trial counsel and assistant and associate defense counsel may be detailed for each general and special court-martial. The governor shall prescribe regulations providing for the manner in which counsel are detailed for such courts-martial and for the persons who are authorized to detail counsel for such courts-martial.

(b) No person who has acted as investigating officer, military judge, or court member in any case may act later as trial counsel, assistant trial counsel, or, unless expressly requested by the accused, as defense counsel or assistant or associate defense counsel in the same case. No person who has acted for the prosecution may act

later in the same case for the defense, nor may any person who has acted for the defense act later in the same case for the prosecution.

(2) Trial counsel or defense counsel detailed for a general court-martial:

(a) Must be a judge advocate who is a graduate of an accredited law school or is a member of the bar of a federal court or of the highest court of a state, or must be a member of the bar of a federal court or of the highest court of a state; and

(b) Must be certified as competent to perform such duties by the state judge advocate.

(3) In the case of a special court-martial:

(a) The accused shall be afforded the opportunity to be represented at the trial by counsel having the qualifications prescribed under subsection (2) of this section unless counsel having such qualifications cannot be obtained on account of physical conditions or military exigencies. If counsel having such qualifications cannot be obtained, the court may be convened and the trial held but the convening authority shall make a detailed written statement, to be appended to the record, stating why counsel with such qualifications could not be obtained;

(b) If the trial counsel is qualified to act as counsel before a general court-martial, the defense counsel detailed by the convening authority must be a person similarly qualified; and

(c) If the trial counsel is a judge advocate or a member of the bar of a federal court or the highest court of a state, the defense counsel detailed by the convening authority must be one of the foregoing. [1991 c 43 s 6; 1989 c 48 s 27; 1963 c 220 s 29.]

RCW 38.38.264 [Art. 28] Detail or employment of reporters and interpreters. Under such regulations as the governor may prescribe, the convening authority of a general or special court martial or court of inquiry shall detail or employ qualified court reporters, who shall record the proceedings of and testimony taken before that court. Under like regulations the convening authority of a military court may detail or employ interpreters who shall interpret for the court. [1963 c 220 s 30.]

RCW 38.38.268 [Art. 29] Absent and additional members. (1) No member of a general or special court-martial may be absent or excused after the court has been assembled for the trial of the accused unless excused as a result of a challenge, excused by the military judge for physical disability or other good cause, or excused by order of the convening authority for good cause.

(2) Whenever a general court-martial, other than a general court-martial composed of a military judge only, is reduced below five members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than five members. The trial may proceed with the new members present after the recorded evidence previously introduced before the members of the court has been read to the court in the presence of the military judge, the accused, and counsel for both sides.

(3) Whenever a special court-martial, other than a special court-martial composed of a military judge only, is reduced below three members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than

three members. The trial shall proceed with the new members present as if no evidence had previously been introduced at the trial, unless a verbatim record of the evidence previously introduced before the members of the court or a stipulation thereof is read to the court in the presence of the military judge, if any, the accused, and counsel for both sides.

(4) If the military judge of a court-martial composed of a military judge only is unable to proceed with the trial because of physical disability, as a result of a challenge, or for other good cause, the trial shall proceed, subject to any applicable conditions of RCW 38.38.172(2) (a) or (b), after the detail of a new military judge as if no evidence had previously been introduced, unless a verbatim record of the evidence previously introduced or a stipulation thereof is read in court in the presence of the new military judge, the accused, and counsel for both sides. [1989 c 48 s 28; 1963 c 220 s 31.]

PART VI—PRETRIAL PROCEDURE

RCW 38.38.308 [Art. 30] Charges and specifications. (1) Charges and specifications shall be signed by a person subject to this code under oath before a person authorized by this code to administer oaths and shall state:

(a) That the signer has personal knowledge of, or has investigated, the matters set forth therein; and

(b) That they are true in fact to the best of his or her knowledge and belief.

(2) Upon the preferring of charges, the proper authority shall take immediate steps to determine what disposition should be made thereof in the interest of justice and discipline, and the person accused shall be informed of the charges against him or her as soon as practicable. [1989 c 48 s 29; 1963 c 220 s 32.]

RCW 38.38.312 [Art. 31] Compulsory self-incrimination prohibited. (1) No person subject to this code may compel a person to incriminate himself or herself or to answer any question the answer to which may tend to incriminate himself or herself.

(2) No person subject to this code may interrogate, or request any statement from, an accused or a person suspected of an offense without first informing the person of the nature of the accusation and advising that the person does not have to make any statement regarding the offense of which he or she is accused or suspected and that any statement made by the person may be used as evidence against him or her in a trial by court-martial.

(3) No person subject to this code may compel any person to make a statement or produce evidence before any military tribunal if the statement or evidence is not material to the issue and may tend to degrade the person.

(4) No statement obtained from any person in violation of this section, or through the use of coercion, unlawful influence, or unlawful inducement may be received in evidence against the person in a trial by court-martial. [2009 c 378 s 15; 1989 c 48 s 30; 1963 c 220 s 33.]

RCW 38.38.316 [Art. 32] Investigation. (1) No charge or specification may be referred to a general court-martial for trial until a thorough and impartial investigation of all the matters set forth therein has been made. This investigation shall include inquiry as to the truth of the matter set forth in the charges, consideration of the form of charges, and a recommendation as to the disposition which should be made of the case in the interest of justice and discipline.

(2) The accused shall be advised of the charges against him or her and of the right to be represented at that investigation by counsel. The accused has a right to be represented at that investigation as provided in RCW 38.38.376 and in regulations prescribed under that section.

At that investigation full opportunity shall be given to the accused to cross-examine witnesses against him or her if they are available and to present anything the person may desire in his or her own behalf, either in defense or mitigation, and the investigating officer shall examine available witnesses requested by the accused. If the charges are forwarded after the investigation, they shall be accompanied by a statement of the substance of the testimony taken on both sides and a copy thereof shall be given to the accused.

(3) If an investigation of the subject matter of an offense has been conducted before the accused is charged with the offense, and if the accused was present at the investigation and afforded the opportunities for representation, cross-examination, and presentation prescribed in subsection (2) of this section, no further investigation of that charge is necessary under this section unless it is demanded by the accused after being informed of the charge. A demand for further investigation entitles the accused to recall witnesses for further cross-examination and to offer any new evidence in his or her own behalf.

(4) If evidence adduced in an investigation under this chapter indicates that the accused committed an uncharged offense, the investigating officer may investigate the subject matter of that offense without the accused having first been charged with the offense if the accused:

(a) Is present at the investigation;

(b) Is informed of the nature of each uncharged offense investigated; and

(c) Is afforded the opportunities for representation, cross-examination, and presentation prescribed in subsection (2) of this section.

(5) The requirements of this section are binding on all persons administering this code but failure to follow them does not divest a military court of jurisdiction. [2009 c 378 s 16; 1989 c 48 s 31; 1963 c 220 s 34.]

RCW 38.38.320 [Art. 33] Forwarding of charges. When a person is held for trial by general court-martial the commanding officer shall, within eight days after the accused is ordered into arrest or confinement, if practicable, forward the charges, together with the investigation and allied papers, to the governor. If that is not practicable, the officer shall report in writing to the governor the reasons for delay. [1989 c 48 s 32; 1963 c 220 s 35.]

RCW 38.38.324 [Art. 34] Advice of state judge advocate and reference for trial. (1) Before directing the trial of any charge by general court-martial, the convening authority shall refer it to the state judge advocate for consideration and advice. The convening authority may not refer a charge to a general court-martial for trial unless he or she has found that the charge alleges an offense under this code, is warranted by evidence indicated in the report of the investigation under RCW 38.38.316, if there is such a report, and the court-martial would have jurisdiction over the accused and the offense.

(2) The advice of the staff judge advocate under subsection (1) of this section with respect to a specification under a charge shall include a written and signed statement by the staff judge advocate:

(a) Expressing conclusions with respect to each matter set forth in subsection (1) of this section; and

(b) Recommending action that the convening authority take regarding the specification.

If the specification is referred for trial, the recommendation of the state judge advocate shall accompany the specification.

(3) If the charges or specifications are not formally correct or do not conform to the substance of the evidence contained in the report of the investigating officer, formal corrections, and such changes in the charges and specifications as are needed to make them conform to the evidence may be made. [1989 c 48 s 33; 1963 c 220 s 36.]

RCW 38.38.328 [Art. 35] Service of charges. The trial counsel to whom court-martial charges are referred for trial shall cause to be served upon the accused a copy of the charges upon which trial is to be had. In time of peace no person may, against his or her objection, be brought to trial or be required to participate by himself or herself or counsel in a session called by a military judge under RCW 38.38.380(1), in a general court-martial within a period of five days after the service of the charges upon him or her, or before a special court-martial within a period of three days after the service of the charges upon him or her. [2011 c 336 s 769; 1989 c 48 s 34; 1963 c 220 s 37.]

PART VII—TRIAL PROCEDURE

RCW 38.38.368 [Art. 36] Governor may prescribe rules. The procedure, including modes of proof, in cases before military courts and other military tribunals may be prescribed by the governor by regulations, which shall, so far as the governor considers practicable, apply the principles of law and the rules of evidence generally recognized in the trial of criminal cases in the courts of the state, but which may not be contrary to or inconsistent with this code. [1989 c 48 s 35; 1963 c 220 s 38.]

RCW 38.38.372 [Art. 37] Unlawfully influencing action of court. (1) No authority convening a general, special, or summary court-martial nor any other commanding officer, or officer serving on the

staff thereof, may censure, reprimand, or admonish the court or any member, military judge, or counsel thereof, with respect to the findings or sentence adjudged by the court, or with respect to any other exercise of its or his or her functions in the conduct of the proceeding. No person subject to this code may attempt to coerce or, by any unauthorized means, influence the action of the court-martial or any other military tribunal or any member thereof, in reaching the findings or sentence in any case, or the action of any convening, approving, or reviewing authority with respect to judicial acts. The foregoing provisions of this section shall not apply with respect to (a) general instructional or informational courses in military justice if such courses are designed solely for the purpose of instructing members of a command in the substantive and procedural aspects of courts-martial, or (b) to statements and instructions given in open court by the military judge, president of a special court-martial, or counsel.

(2) In the preparation of an effectiveness, fitness, or efficiency report or any other report or document used in whole or in part for the purpose of determining whether a member of the organized militia is qualified to be advanced, in grade, or in determining the assignment or transfer of a member of the organized militia, or in determining whether a member of the organized militia should be retained on active duty, no person subject to this chapter may, in preparing any such report (a) consider or evaluate the performance of duty of any such member of a court-martial, or (b) give a less favorable rating or evaluation of any member of the organized militia because of the zeal with which such member, as counsel, represented any accused before a court-martial. [1989 c 48 s 36; 1963 c 220 s 39.]

RCW 38.38.376 [Art. 38] Duties of trial counsel and defense counsel. (1) The trial counsel of a general or special court-martial shall prosecute in the name of the state, and shall, under the direction of the court, prepare the record of the proceedings.

(2) The accused has the right to be represented in his or her defense before a general or special court-martial or at an investigation under RCW 38.38.316 as provided in this subsection.

(a) The accused may be represented by civilian counsel if provided at his or her own expense.

(b) The accused may be represented by:

(i) Military counsel detailed under RCW 38.38.260; or

(ii) Military counsel of his or her own selection if that counsel is reasonably available, as determined under regulations prescribed under subsection (3) of this section.

(c) If the accused is represented by civilian counsel, military counsel detailed or selected under (b) of this subsection shall act as associate counsel unless excused at the request of the accused.

(d) Except as provided under (e) of this subsection, if the accused is represented by military counsel of his or her own selection under (b)(ii) of this subsection, any military counsel detailed under (b)(i) of this subsection shall be excused.

(e) The accused is not entitled to be represented by more than one military counsel. However, the person authorized under regulations prescribed under RCW 38.38.260 to detail counsel in his or her sole discretion:

(i) May detail additional military counsel as assistant defense counsel; and

(ii) If the accused is represented by military counsel of his or her own selection under (b) (ii) of this subsection, may approve a request from the accused that military counsel detailed under (b) (i) of this subsection act as associate defense counsel.

(3) The state judge advocate shall, by regulation, define "reasonably available" for the purpose of subsection (2) of this section and establish procedures for determining whether the military counsel selected by an accused under subsection (2) of this section is reasonably available.

(4) In any court-martial proceeding resulting in a conviction, the defense counsel:

(a) May forward for attachment to the record of proceedings a brief of such matters as he or she determines should be considered in behalf of the accused on review, including any objection to the contents of the record which he or she considers appropriate;

(b) Shall assist the accused in the submission of any matter under RCW 38.38.536; and

(c) May take other action authorized by this chapter.

(5) An assistant trial counsel of a general court-martial may, under the direction of the trial counsel or when qualified to be a trial counsel as required by RCW 38.38.260, perform any duty imposed by law, regulation, or the custom of the service upon the trial counsel of the court. An assistant trial counsel of a special court-martial may perform any duty of the trial counsel.

(6) An assistant defense counsel of a general or special court-martial may, under the direction of the defense counsel or when qualified to be the defense counsel as required by RCW 38.38.260, perform any duty imposed by law, regulation, or the custom of the service upon counsel for the accused. [2009 c 378 s 17; 1989 c 48 s 37; 1963 c 220 s 40.]

RCW 38.38.380 [Art. 39] Sessions. (1) At any time after the service of charges which have been referred for trial to a court-martial composed of a military judge and members, the military judge may, subject to RCW 38.38.328, call the court into session without the presence of the members for the purpose of:

(a) Hearing and determining motions raising defenses or objections which are capable of determination without trial of the issues raised by a plea of not guilty;

(b) Hearing and ruling upon any matter which may be ruled upon by the military judge under this chapter, whether or not the matter is appropriate for later consideration or decision by the members of the court;

(c) Holding the arraignment and receiving the pleas of the accused; and

(d) Performing any other procedural function which may be performed by the military judge under this chapter or under rules prescribed pursuant to RCW 38.38.368 and which does not require the presence of the members of the court.

These proceedings shall be conducted in the presence of the accused, the defense counsel, and the trial counsel and shall be made a part of the record.

(2) When the members of a court-martial deliberate or vote, only the members may be present. All other proceedings, including any other

consultation of the members of the court with counsel or the military judge, shall be made a part of the record and shall be in the presence of the accused, the defense counsel, the trial counsel, and in cases in which a military judge has been detailed to the court, the military judge. [1989 c 48 s 38; 1963 c 220 s 41.]

RCW 38.38.384 [Art. 40] Continuances. The military judge or a court-martial without a military judge may, for reasonable cause, grant a continuance to any party for such time and as often as may appear to be just. [1989 c 48 s 39; 1963 c 220 s 42.]

RCW 38.38.388 [Art. 41] Challenges. (1) The military judge and members of a general or special court-martial may be challenged by the accused or the trial counsel for cause stated to the court. The military judge or, if none, the court shall determine the relevance and validity of challenges for cause and may not receive a challenge to more than one person at a time. Challenges by the trial counsel shall ordinarily be presented and decided before those by the accused are offered.

(2) If exercise of a challenge for cause reduces the court below the minimum number of members required by RCW 38.38.172, all parties shall, notwithstanding RCW 38.38.268, either exercise or waive any challenge for cause then apparent against the remaining members of the court before additional members are detailed to the court. However, peremptory challenges shall not be exercised at that time.

(3) Each accused and the trial counsel is entitled to one peremptory challenge, but the military judge may not be challenged except for cause.

(4) If exercise of a peremptory challenge reduces the court below the minimum number of members required by RCW 38.38.172, the parties shall, notwithstanding RCW 38.38.268, either exercise or waive any remaining peremptory challenge, that has not been previously waived, against the remaining members of the court before additional members are detailed to the court.

(5) Whenever additional members are detailed to the court, and after any challenges for cause against such additional members are presented and decided, each accused and the trial counsel are entitled to one peremptory challenge against members not previously subject to peremptory challenge. [2009 c 378 s 18; 1989 c 48 s 40; 1963 c 220 s 43.]

RCW 38.38.392 [Art. 42] Oaths. (1) Before performing their respective duties, military judges, members of general and special courts-martial, trial counsel, assistant trial counsel, defense counsel, assistant or associate defense counsel, reporters, and interpreters shall take an oath to perform their duties faithfully. The form of the oath, the time and place of the taking thereof, the manner of recording the same, and whether the oath shall be taken for all cases in which these duties are to be performed or for a particular case, shall be as prescribed in regulations of the governor. These regulations may provide that an oath to perform faithfully duties as a military judge, trial counsel, assistant trial counsel, defense counsel, or assistant or associate defense counsel may be taken at any time by a judge advocate or other person certified

to be qualified or competent for the duty, and if such an oath is taken it need not again be taken at the time the judge advocate, or other person, is detailed to that duty.

(2) Each witness before a court-martial shall be examined on oath. [1989 c 48 s 41; 1963 c 220 s 44.]

RCW 38.38.396 [Art. 43] Statute of limitations. (1) A person charged with desertion or absence without leave in time of war, or with aiding the enemy or with mutiny may be tried and punished at any time without limitation.

(2) Except as otherwise provided in this section, a person charged with desertion in time of peace or with the offense punishable under RCW 38.38.784 is not liable to be tried by court-martial if the offense was committed more than three years before the receipt of sworn charges and specifications by an officer exercising summary court-martial jurisdiction over the command.

(3) Except as otherwise provided in this section, a person charged with any offense is not liable to be tried by court-martial or punished under RCW 38.38.132 if the offense was committed more than two years before the receipt of sworn charges and specifications by an officer exercising summary court-martial jurisdiction over the command or before the imposition of punishment under RCW 38.38.132.

(4) Periods in which the accused was absent from territory in which the state has the authority to apprehend the accused, or in the custody of civil authorities, or in the hands of the enemy, shall be excluded in computing the period of limitation prescribed in this section.

(5) If charges or specifications are dismissed as defective or insufficient for any cause and the period prescribed by the applicable statute of limitations:

(a) Has expired; or

(b) Will expire within one hundred eighty days after the date of dismissal of the charges and specifications[,]
[then] trial and punishment under new charges and specifications are not barred by the statute of limitations if the conditions specified in subsection (6) of this section are met.

(6) The conditions referred to in subsection (5) of this section are that the new charges and specifications must:

(a) Be received by an officer exercising summary court-martial jurisdiction over the command within one hundred eighty days after the dismissal of the charges or specifications; and

(b) Allege the same acts or omissions that were alleged in the dismissed charges or specifications or allege acts or omissions that were included in the dismissed charges or specifications. [2009 c 378 s 19; 1989 c 48 s 42; 1963 c 220 s 45.]

RCW 38.38.400 [Art. 44] Former jeopardy. (1) No person may, without the person's consent, be tried a second time in any military court of the state for the same offense.

(2) No proceeding in which an accused has been found guilty by a court-martial upon any charge or specification is a trial in the sense of this section until the finding of guilty has become final after review of the case has been fully completed.

(3) A proceeding which, after the introduction of evidence but before a finding, is dismissed or terminated by the convening

authority or on motion of the prosecution for failure of available evidence or witnesses without any fault of the accused is a trial in the sense of this section. [1989 c 48 s 43; 1963 c 220 s 46.]

RCW 38.38.404 [Art. 45] Pleas of the accused. (1) If an accused arraigned before a court-martial makes an irregular pleading, or after a plea of guilty sets up matter inconsistent with the plea, or if it appears that the accused has entered the plea of guilty improvidently or through lack of understanding of its meaning and effect, or if the accused fails or refuses to plead, a plea of not guilty shall be entered in the record, and the court shall proceed as though the accused had pleaded not guilty.

(2) With respect to any other charge or specification to which a plea of guilty has been made by the accused and accepted by the military judge or by a court-martial without a military judge, a finding of guilty of the charge or specification may be entered immediately without vote. This finding shall constitute the finding of the court unless the plea of guilty is withdrawn prior to announcement of the sentence, in which event the proceedings shall continue as though the accused had pleaded not guilty. [1991 c 43 s 7; 1989 c 48 s 44; 1963 c 220 s 47.]

RCW 38.38.408 [Art. 46] Opportunity to obtain witnesses and other evidence. (1) The trial counsel, the defense counsel, and the court-martial shall have equal opportunity to obtain witnesses and other evidence in accordance with such regulations as the governor may prescribe.

(2) The president of a special court-martial, military judge, military magistrate, or a summary court officer may:

(a) Issue a warrant for the arrest of any accused person who, having been served with a warrant and a copy of the charges, disobeys a written order by the convening authority to appear before the court;

(b) Issue subpoenas duces tecum and other subpoenas;

(c) Enforce by attachment the attendance of witnesses and the production of books and papers; and

(d) Sentence for refusal to be sworn or to answer, as provided in actions before civil courts of the state.

(3) Process issued in court-martial cases to compel witnesses to appear and testify and to compel the production of other evidence shall run to any part of the state and shall be executed by civil officers as prescribed by the laws of the state. [2009 c 378 s 20; 1989 c 48 s 45; 1963 c 220 s 48.]

RCW 38.38.412 [Art. 47] Refusal to appear or testify—Penalty.

(1) Any person not subject to this code who:

(a) Has been duly subpoenaed to appear as a witness or to produce books and records before a court-martial, military commission, court of inquiry, or any other military court or board, or before any military or civil officer designated to take a deposition to be read in evidence before such a court, commission, or board;

(b) Has been duly paid or tendered the fees and mileage of a witness at the rates allowed to witnesses attending the superior court of the state; and

(c) Willfully neglects or refuses to appear, or refuses to qualify as a witness or to testify or to produce any evidence which that person may have been legally subpoenaed to produce; is guilty of an offense against the state.

(2) Any person who commits an offense named in subsection (1) of this section shall be tried before the superior court of this state having jurisdiction and jurisdiction is conferred upon those courts for that purpose. Upon conviction, such a person shall be punished by a fine of not more than five hundred dollars, or imprisonment for not more than six months, or both.

(3) The prosecuting attorney in any such court, upon the certification of the facts by the military court, commission, court of inquiry, or board, shall prosecute any person violating this section. [2009 c 378 s 21; 1989 c 48 s 46; 1963 c 220 s 49.]

RCW 38.38.416 [Art. 48] Contempts. A military court may punish for contempt any person who uses any menacing word, sign, or gesture in its presence, or who disturbs its proceedings by any riot or disorder. The punishment may not exceed confinement for thirty days or a fine of one hundred dollars, or both. [1963 c 220 s 50.]

RCW 38.38.420 [Art. 49] Depositions. (1) At any time after charges have been signed, as provided in RCW 38.38.308, any party may take oral or written depositions unless a military judge or court-martial without a military judge hearing the case, or if the case is not being heard, an authority competent to convene a court-martial for the trial of those charges forbids it for good cause. If a deposition is to be taken before charges are referred for trial, such an authority may designate commissioned officers to represent the prosecution and the defense and may authorize those officers to take the deposition of any witness.

(2) The party at whose instance a deposition is to be taken shall give to every other party reasonable written notice of the time and place for taking the deposition.

(3) Depositions may be taken before and authenticated by any military or civil officer authorized by the laws of the state or by the laws of the place where the deposition is taken to administer oaths.

(4) A duly authenticated deposition taken upon reasonable notice to the other parties, so far as otherwise admissible under the rules of evidence, may be read in evidence or, in the case of audiotape, videotape, or similar material, may be played in evidence before any court-martial or in any proceeding before a court of inquiry, if it appears:

(a) That the witness resides or is beyond the state in which the court-martial or court of inquiry is ordered to sit, or beyond the distance of one hundred miles from the place of trial or hearing;

(b) That the witness by reason of death, age, sickness, bodily infirmity, imprisonment, military necessity, nonamenability to process, or other reasonable cause, is unable or refuses to appear and testify in person at the place of trial or hearing; or

(c) That the present whereabouts of the witness is unknown. [1989 c 48 s 47; 1963 c 220 s 51.]

RCW 38.38.424 [Art. 50] Admissibility of records of courts of inquiry. (1) In any case not extending to the dismissal of a commissioned officer, the sworn testimony, contained in the duly authenticated record of proceedings of a court of inquiry, of a person whose oral testimony cannot be obtained, may, if otherwise admissible under the rules of evidence, be read in evidence by any party before a court martial if the accused was a party before the court of inquiry and if the same issue was involved or if the accused consents to the introduction of such evidence.

(2) Such testimony may be read in evidence only by the defense in cases extending to the dismissal of a commissioned officer.

(3) Such testimony may also be read in evidence before a court of inquiry or a military board. [1963 c 220 s 52.]

RCW 38.38.428 [Art. 51] Voting, rulings, instructions. (1) Voting by members of a general or special court-martial on the findings and on the sentence, and by members of a court-martial without a military judge upon questions of challenge, shall be by secret written ballot. The junior member of the court shall count the votes. The count shall be checked by the president, who shall forthwith announce the result of the ballot to the members of the court.

(2) The military judge and, except for questions of challenge, the president of a court-martial without a military judge shall rule upon all questions of law and all interlocutory questions arising during the proceedings. Any such ruling made by the military judge upon any question of law or any interlocutory question other than the factual issue of mental responsibility of the accused, or by the president of a court-martial without a military judge upon any question of law other than a motion for a finding of not guilty, is final and constitutes the ruling of the court. However, the military judge or the president of a court-martial without a military judge may change a ruling at any time during the trial. Unless the ruling is final, if any member objects thereto, the court shall be cleared and closed and the question decided by a vote as provided in RCW 38.38.432, beginning with the junior in rank.

(3) Before a vote is taken on the findings, the military judge or the president of a court-martial without a military judge shall, in the presence of the accused and counsel, instruct the members of the court as to the elements of the offense and charge them:

(a) That the accused must be presumed to be innocent until guilt is established by legal and competent evidence beyond reasonable doubt;

(b) That in the case being considered, if there is reasonable doubt as to the guilt of the accused, the doubt must be resolved in favor of the accused and the accused must be acquitted;

(c) That, if there is a reasonable doubt as to the degree of guilt, the finding must be in a lower degree to which there is no reasonable doubt; and

(d) That the burden of proof to establish the guilt of the accused beyond reasonable doubt is upon the state.

(4) Subsections (1), (2), and (3) of this section do not apply to a court-martial composed of a military judge only. The military judge of such a court-martial shall determine all questions of law and fact arising during the proceedings and, if the accused is convicted, adjudge an appropriate sentence. The military judge of such a court-

martial shall make a general finding and shall in addition on request find the facts specially. If an opinion or memorandum of decision is filed, it will be sufficient if the findings of fact appear therein. [1989 c 48 s 48; 1963 c 220 s 53.]

RCW 38.38.432 [Art. 52] Number of votes required. (1) No person may be convicted of an offense, except as provided in RCW 38.38.404(2) or by the concurrence of two-thirds of the members present at the time the vote is taken.

(2) All sentences shall be determined by the concurrence of two-thirds of the members present at the time that the vote is taken.

(3) All other questions to be decided by the members of a general or special court-martial shall be determined by a majority vote, but a determination to reconsider a finding of guilty, or to reconsider a sentence with a view towards decreasing it, may be made by any lesser vote which indicates that the reconsideration is not opposed by the number of votes required for that finding or sentence. A tie vote on a challenge disqualifies the member challenged. A tie vote on a motion for a finding of not guilty or on a motion relating to the question of the accused's sanity is a determination against the accused. A tie vote on any other question is a determination in favor of the accused. [1989 c 48 s 49; 1963 c 220 s 54.]

RCW 38.38.436 [Art. 53] Court to announce action. A court martial shall announce its findings and sentence to the parties as soon as determined. [1963 c 220 s 55.]

RCW 38.38.440 [Art. 54] Record of trial. (1) Each general court-martial shall keep a separate record of the proceedings in each case brought before it, and the record shall be authenticated by the signature of the military judge. If the record cannot be authenticated by the military judge by reason of death, disability, or absence, it shall be authenticated by the signature of the trial counsel or by that of a member if the trial counsel is unable to authenticate it by reason of death, disability, or absence. In a court-martial consisting of only a military judge, the record shall be authenticated by the court reporter under the same conditions which would impose such a duty on a member under this subsection.

(2) Each special and summary court-martial shall keep a separate record of the proceedings in each case, and the record shall be authenticated in the manner required by such regulations as the governor may prescribe.

(3) (a) A complete record of the proceedings and testimony shall be prepared:

(i) In each general court-martial case in which the sentence adjudged includes a dismissal, a discharge, or, if the sentence adjudged does not include a discharge, any other punishment which exceeds that which may otherwise be adjudged by a special court-martial; and

(ii) In each special court-martial case in which the sentence adjudged includes a dishonorable discharge.

(b) In all other court-martial cases, the record shall contain such matters as may be prescribed by regulations of the governor.

(4) A copy of the record of the proceedings of each general and special court-martial shall be given to the accused as soon as it is authenticated. [1989 c 48 s 50; 1963 c 220 s 56.]

PART VIII—SENTENCES

RCW 38.38.480 [Art. 55] Cruel and unusual punishments prohibited. Punishment by flogging, or by branding, marking or tattooing on the body, or any other cruel or unusual punishment, may not be adjudged by any court martial or inflicted upon any person subject to this code. The use of irons, single or double, except for the purpose of safe custody, is prohibited. [1963 c 220 s 57.]

RCW 38.38.484 [Art. 56] Maximum limits—Reduction in pay grade.

(1) The punishment which a court-martial may direct for an offense may not exceed limits prescribed by this code.

(2) Unless otherwise provided in regulations to be prescribed by the governor, a court-martial sentence of an enlisted member in a pay grade above E-1, as approved by the convening authority, that includes a dishonorable discharge reduces that member to pay grade E-1, effective on the date of that approval.

(3) If the sentence of a member who is reduced in pay grade under subsection (2) of this section is set aside or disapproved, or, as finally approved, does not include any punishment named in subsection (2) of this section, the rights and privileges of which the member was deprived because of that reduction shall be restored and the member is entitled to the pay and allowances to which the member would have been entitled for the period the reduction was in effect, had he or she not been so reduced. [1989 c 48 s 51; 1963 c 220 s 58.]

RCW 38.38.488 [Art. 57] Effective date of sentences. (1) No forfeiture may extend to any pay or allowances accrued before the date on which the sentence is approved by the person acting under RCW 38.38.536.

(2) Any period of confinement included in a sentence of a court-martial begins to run from the date the sentence is ordered to be executed by the convening authority, but periods during which the sentence to confinement is suspended or deferred shall be excluded in computing the service of the term of confinement. Regulations prescribed by the governor may provide that sentences of confinement may not be executed until approved by designated officers.

(3) All other sentences of courts-martial are effective on the date ordered executed.

(4) On application by an accused who is under sentence to confinement that has not been ordered executed, the convening authority or, if the accused is no longer under his or her jurisdiction, the officer exercising general court-martial jurisdiction over the command to which the accused is currently assigned, may, in his or her sole discretion, defer service of the sentence to confinement. The deferment shall terminate when the sentence is ordered executed. The deferment may be rescinded at any time by the officer who granted it or, if the accused is no longer

under his or her jurisdiction, by the officer exercising general court-martial jurisdiction over the command to which the accused is currently assigned. [1989 c 48 s 52; 1963 c 220 s 59.]

RCW 38.38.492 [Art. 58] Execution of confinement. (1) A sentence of confinement adjudged by a military court, whether or not the sentence includes discharge or dismissal, and whether or not the discharge or dismissal has been executed, may be carried into execution by confinement in any place of confinement under the control of any of the forces of the organized militia or in any jail, penitentiary, or prison designated for that purpose. Persons so confined in a jail, penitentiary, or prison are subject to the same discipline and treatment as persons confined or committed to the jail, penitentiary, or prison by the courts of the state or of any political subdivision thereof.

(2) The omission of the words "hard labor" from any sentence or punishment of a court-martial adjudging confinement does not deprive the authority executing that sentence or punishment of the power to require hard labor as a part of the punishment.

(3) The keepers, officers, and wardens of city or county jails and of other jails, penitentiaries, or prisons designated by the governor, or by such person as the governor may authorize to act under RCW 38.38.080, shall receive persons ordered into confinement before trial and persons committed to confinement by a military court and shall confine them according to law. No such keeper, officer, or warden may require payment of any fee or charge for so receiving or confining a person. [1989 c 48 s 53; 1963 c 220 s 60.]

PART IX—REVIEW OF COURTS-MARTIAL

RCW 38.38.532 [Art. 59] Execution of sentence—Suspension of sentence. Except as provided in RCW 38.38.196 and 38.38.556, a court-martial sentence, unless suspended, may be ordered executed by the convening authority when approved by him or her. The convening authority shall approve the sentence or such part, amount, or commuted form of the sentence as he or she sees fit, and may suspend the execution of the sentence as approved by him or her. [1989 c 48 s 54; 1963 c 220 s 61.]

RCW 38.38.536 [Art. 60] Initial action on the record. After a trial by court martial the record shall be forwarded to the convening authority, as reviewing authority, and action thereon may be taken by the person who convened the court, a commissioned officer commanding for the time being, a successor in command, or by the governor. [1963 c 220 s 62.]

RCW 38.38.540 [Art. 61] Initial action on the record—General court-martial records. The convening authority shall refer the record of each general court-martial to the staff judge advocate, who shall submit a written opinion thereon to the convening authority. If the final action of the court has resulted in an acquittal of all charges

and specifications, the opinion shall be limited to questions of jurisdiction. [1989 c 48 s 55; 1963 c 220 s 63.]

RCW 38.38.544 [Art. 62] Reconsideration and revision. (1) If a specification before a court martial has been dismissed on motion and the ruling does not amount to a finding of not guilty, the convening authority may return the record to the court for reconsideration of the ruling and any further appropriate action.

(2) Where there is an apparent error or omission in the record or where the record shows improper or inconsistent action by a court martial with respect to a finding or sentence which can be rectified without material prejudice to the substantial rights of the accused, the convening authority may return the record to the court for appropriate action. In no case, however, may the record be returned:

(a) For reconsideration of a finding of not guilty, or a ruling which amounts to a finding of not guilty;

(b) For reconsideration of a finding of not guilty of any charge, unless the record shows a finding of guilty under a specification laid under that charge, which sufficiently alleges a violation of some section of this code; or

(c) For increasing the severity of the sentence unless the sentence prescribed for the offense is mandatory. [1963 c 220 s 64.]

RCW 38.38.548 [Art. 63] Rehearings. (1) If the convening authority disapproves the findings and sentence of a court martial he or she may, except where there is lack of sufficient evidence in the record to support the findings, order a rehearing. In such a case he or she shall state the reasons for disapproval. If he or she disapproves the findings and sentence and does not order a rehearing, he or she shall dismiss the charges.

(2) Each rehearing shall take place before a court martial composed of members not members of the court martial which first heard the case. Upon a rehearing the accused may not be tried for any offense of which he or she was found not guilty by the first court martial, and no sentence in excess of or more severe than the original sentence may be imposed, unless the sentence is based upon a finding of guilty of an offense not considered upon the merits in the original proceedings, or unless the sentence prescribed for the offense is mandatory. [2011 c 336 s 770; 1963 c 220 s 65.]

RCW 38.38.552 [Art. 64] Approval by the convening authority. In acting on the findings and sentence of a court martial, the convening authority may approve only such findings of guilty, and the sentence or such part or amount of the sentence, as he or she finds correct in law and fact and as he or she in his or her discretion determines should be approved. Unless he or she indicates otherwise, approval of the sentence is approval of the findings and sentence. [2011 c 336 s 771; 1963 c 220 s 66.]

RCW 38.38.556 [Art. 65] Review of records—Disposition. (1) If the convening authority is the governor, the governor's action on the review of any record of trial is final.

(2) In all other cases not covered by subsection (1) of this section, if the sentence of a special court-martial as approved by the convening authority includes a dishonorable discharge, whether or not suspended, the entire record shall be sent to the appropriate staff judge advocate of the state force concerned to be reviewed in the same manner as a record of trial by general court-martial. The record and the opinion of the staff judge advocate shall then be sent to the state judge advocate for review.

(3) All other special and summary court-martial records shall be sent to the judge advocate of the appropriate force of the organized militia and shall be acted upon, transmitted, and disposed of as may be prescribed by regulations of the governor.

(4) The state judge advocate shall review the record of trial in each case sent for review as provided under subsection (2) of this section. If the final action of the court-martial has resulted in an acquittal of all charges and specifications, the opinion of the state judge advocate is limited to questions of jurisdiction.

(5) The state judge advocate shall take final action in any case reviewable by the state judge advocate.

(6) In a case reviewable by the state judge advocate under this section, the state judge advocate may act only with respect to the findings and sentence as approved by the convening authority. The state judge advocate may affirm only such findings of guilty, and the sentence or such part or amount of the sentence, as the state judge advocate finds correct in law and fact and determines, on the basis of the entire record, should be approved. In considering the record, the state judge advocate may weigh the evidence, judge the credibility of witnesses, and determine controverted questions of fact, recognizing that the trial court saw and heard the witnesses. If the state judge advocate sets aside the findings and sentence, the state judge advocate may, except where the setting aside is based on lack of sufficient evidence in the record to support the findings, order a rehearing. If the state judge advocate sets aside the findings and sentence and does not order a rehearing, he or she shall order that the charges be dismissed.

(7) In a case reviewable by the state judge advocate under this section, the state judge advocate shall instruct the convening authority to act in accordance with the state judge advocate's decision on the review. If the state judge advocate has ordered a rehearing but the convening authority finds a rehearing impracticable, the state judge advocate may dismiss the charges.

(8) The state judge advocate may order one or more boards of review each composed of not less than three commissioned officers of the organized militia, each of whom must be a member of the bar of the highest court of the state. Each board of review shall review the record of any trial by special court-martial, including a sentence to a dishonorable discharge, referred to it by the state judge advocate. Boards of review have the same authority on review as the state judge advocate has under this section. [2011 c 336 s 772; 1989 c 48 s 56; 1963 c 220 s 67.]

RCW 38.38.564 [Art. 67] Review counsel. (1) Upon the final review of a sentence of a general court-martial, the accused has the right to be represented by counsel before the reviewing authority, before the staff judge advocate, and before the state judge advocate.

The probationer shall be represented at the hearing by counsel if the probationer so desires.

(2) The record of the hearing and the recommendation of the officer having special court-martial jurisdiction shall be sent for action to the governor in cases involving a general court-martial sentence and to the commanding officer of the force of the organized militia of which the probationer is a member in all other cases covered by subsection (1) of this section. If the governor or commanding officer vacates the suspension, any unexecuted part of the sentence except a dismissal shall be executed.

(1) Under such regulations as the governor may prescribe, all rights, privileges, and property affected by an executed part of a court-martial sentence which has been set aside or disapproved, except an executed dismissal or discharge, shall be restored unless a new trial or rehearing is ordered and such executed part is included in a sentence imposed upon a new trial or rehearing.

(2) If a previously executed sentence of dishonorable discharge is not imposed on a new trial, the governor shall substitute therefor a form of discharge authorized for administrative issuance unless the accused is to serve out the remainder of his or her enlistment.

(3) If a previously executed sentence of dismissal is not imposed on a new trial, the governor shall substitute therefor a form of discharge authorized for administrative issue, and the commissioned officer dismissed by that sentence may be reappointed by the governor alone to such commissioned grade and with such rank as in the opinion of the governor that former officer would have attained had he or she not been dismissed. The reappointment of such a former officer may be made if a position vacancy is available under applicable tables of organization. All time between the dismissal and reappointment shall be considered as service for all purposes. [2011 c 336 s 773; 1989 c 48 s 60; 1963 c 220 s 73.]

When a suit or proceeding shall be commenced in any court by any person against any officer or enlisted person of the militia for any act done by such officer or enlisted person in his or her official capacity or in the discharge of any duty, or against any person acting under the authority or order of such officer or by virtue of any warrant issued pursuant to law, the defendant may require the person prosecuting or instituting the proceeding to give security for the payment of all costs that may be awarded to the defendant, and the defendant in all cases may make a general denial and, under such general denial, give all other or any special defense matter in evidence. In case the plaintiff shall be nonsuited or the verdict or judgment be in favor of the defendant, treble costs shall be assessed against the plaintiff. The defendant in such action shall be defended by the attorney general at the expense of the state, but private counsel may also be employed by the defendant. RCW 38.40.020 Not liable for exercise of judgment. The commanding officer of any of the military forces of the state of

Washington engaged under the order of proper authority in the suppression of insurrection, the dispersion of a mob, the protection of life or property, or the enforcement of the laws, shall exercise discretion as to the propriety of the means to be used in controlling or dispersing of any mob or other unlawful assembly and, if he or she exercises his or her honest judgment thereon, he or she shall not be liable in either a civil or criminal action for any act done in line of duty. [1989 c 19 s 46; 1943 c 130 s 14; Rem. Supp. 1943 s 8603-14. Cf. 1909 c 134 s 25, part; 1895 c 108 s 173, part.]

RCW 38.40.025 Liability of state for federal activities.

Neither the state of Washington, its officers, employees, or agents, nor any member of the militia may be held liable in any civil action for damages arising out of any of the activities of the military forces of the state of Washington while engaged in activities during which the officers, employees, agents, or members are considered employees of the federal government under the federal tort claims act, *26 U.S.C. Sec. 2671 et seq. [1987 c 26 s 2.]

***Reviser's note:** The reference to 26 U.S.C. appears to be incorrect. Reference to 28 U.S.C. was apparently intended.

Legislative declaration—1987 c 26: "The legislature recognizes that Congress has established comprehensive administrative programs to compensate members of the military forces for injuries they may incur while performing training for national defense." [1987 c 26 s 1.]

Severability—1987 c 26: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1987 c 26 s 3.]

If any member of the organized militia is injured, incapacitated, or otherwise disabled while in active state service or inactive duty as a member of the organized militia, he or she shall receive from the state of Washington just and reasonable relief in the amount to be determined as provided in this section, including necessary medical care. If the member dies from disease contracted or injury received or is killed while in active state service or inactive duty under order of the governor, then the dependents of the deceased shall receive such compensation as may be allowed as provided in this section. If the United States or any agent thereof, in accordance with any federal statute or regulation, furnishes monetary assistance, benefits, or other temporary or permanent relief to militia members or to their dependents for injuries arising out of and occurring in the course of their activities as militia members, but not including Social Security benefits, then the amount of compensation which any militia member or his or her dependents are otherwise entitled to receive from the state of Washington as provided in this section shall be reduced by the amount of monetary assistance, benefits, or other temporary or permanent relief the militia member or his or her dependents have received and will receive from the United States or any agent thereof as a result of his or her injury. All claims arising under this section shall be inquired into by a board of three officers, at least

one being a medical officer, to be appointed by the adjutant general. The board has the same power to take evidence, administer oaths, issue subpoenas, compel witnesses to attend and testify and produce books and papers, and punish their failure to do so as is possessed by a general court martial. The amount of compensation or benefits payable shall conform as nearly as possible to the general schedule of payments and awards provided under the workers' compensation law in effect in the state of Washington at the time the disability or death occurred. The findings of the board shall be reviewed by the adjutant general for final approval. The adjutant general may return the proceedings for revision or for the taking of further testimony. The action of the board when finally approved by the adjutant general is final and conclusive and constitutes the fixed award for the injury or loss and is a debt of the state of Washington. Upon the dissolution or disbandment of any such unit which shall not have incorporated, and which shall at the time of such dissolution or disbandment possess any funds or property, the title to such funds or property shall immediately vest in the state of Washington, and the adjutant general shall take possession thereof and dispose of the same to the best interest of the organized militia of Washington. RCW 38.42.010 Definitions. The definitions in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Attorney general" means the attorney general of the state of Washington or any person designated by the attorney general to carry out a responsibility of the attorney general under this chapter.

(2) "Business loan" means a loan or extension of credit granted to a business entity that: (a) Is owned and operated by a service member, in which the service member is either (i) a sole proprietor, or (ii) the owner of at least fifty percent of the entity; and (b) experiences a material reduction in revenue due to the service member's military service.

(3) "Dependent" means:

(a) The service member's spouse;

(b) The service member's minor child; or

(c) An individual for whom the service member provided more than one-half of the individual's support for one hundred eighty days immediately preceding an application for relief under this chapter.

(4) "Financial institution" means an institution as defined in RCW 30A.22.041.

(5) "Judgment" does not include temporary orders as issued by a judicial court or administrative tribunal in domestic relations cases under Title 26 RCW, including but not limited to establishment of a

temporary child support obligation, creation of a temporary parenting plan, or entry of a temporary protective or restraining order.

(6) "Military service" means a service member:

(a) Under a call to active service authorized by the president of the United States or the secretary of defense for a period of more than thirty consecutive days; or

(b) Under a call to active service authorized by the governor under RCW 38.08.040 for a period of more than thirty consecutive days.

(7) "National guard" has the meaning in RCW 38.04.010.

(8) "Service member" means an active member of the United States armed forces, a member of a military reserve component, or a member of the national guard who is either stationed in or a resident of Washington state. [2018 c 197 s 1; 2014 c 65 s 1; 2012 c 24 s 1; 2006 c 253 s 1; 2005 c 254 s 1.]

RCW 38.42.020 Applicability of chapter. (1) Any service member who is ordered to report for military service and his or her dependents are entitled to the rights and protections of this chapter during the period beginning on the date on which the service member receives the order and ending one hundred eighty days after termination of or release from military service.

(2) This chapter applies to any judicial or administrative proceeding commenced in any court or agency in Washington state in which a service member or his or her dependent is a party. This chapter does not apply to criminal proceedings.

(3) This chapter shall be construed liberally so as to provide fairness and do substantial justice to service members and their dependents. [2014 c 65 s 2; 2005 c 254 s 2.]

RCW 38.42.030 Protection of persons secondarily liable. (1) Whenever pursuant to this chapter a court stays, postpones, or suspends (a) the enforcement of an obligation or liability, (b) the prosecution of a suit or proceeding, (c) the entry or enforcement of an order, writ, judgment, or decree, or (d) the performance of any other act, the court may likewise grant such a stay, postponement, or suspension to a surety, guarantor, endorser, accommodation maker, comaker, or other person who is or may be primarily or secondarily subject to the obligation or liability the performance or enforcement of which is stayed, postponed, or suspended.

(2) When a judgment or decree is vacated or set aside, in whole or in part, pursuant to this chapter, the court may also set aside or vacate, as the case may be, the judgment or decree as to a surety, guarantor, endorser, accommodation maker, comaker, or other person who is or may be primarily or secondarily liable on the contract or liability for the enforcement of the judgment decree. [2005 c 254 s 3.]

RCW 38.42.040 Waiver of rights pursuant to written agreement. (1) A service member may waive any of the rights and protections provided by this chapter. In the case of a waiver that permits an action described in subsection (2) of this section, the waiver is effective only if made pursuant to a written agreement of the parties that is executed during or after the service member's period of military service. The written agreement shall specify the legal

instrument to which the waiver applies and, if the service member is not party to that instrument, the service member concerned.

(2) The requirement in subsection (1) of this section for a written waiver applies to the following: (a) The modification, termination, or cancellation of a contract, lease, or bailment; or an obligation secured by a mortgage, trust, deed, lien, or other security in the nature of a mortgage; and (b) the repossession, retention, foreclosure, sale, forfeiture, or taking possession of property that is security for any obligation or was purchased or received under a contract, lease, or bailment. [2005 c 254 s 4.]

RCW 38.42.050 Protection of service members and their dependents against default judgments.

(1) This section applies to any civil action or proceeding in which a service member or his or her dependent is a defendant and does not make an appearance under applicable court rules or by law.

(2) In any action or proceeding covered by this section, the court, before entering judgment for the plaintiff, shall require the plaintiff to file with the court an affidavit:

(a) Stating whether the defendant is in military service, or is a dependent of a service member in military service, and showing necessary facts to support the affidavit; or

(b) If the plaintiff is unable to determine whether the defendant is in military service or is a dependent of a service member in military service, stating that the plaintiff is unable to determine whether the defendant is in military service or is a dependent of a service member in military service.

(3) (a) To determine whether or not a defendant is a dependent of a service member in the military service under this chapter, the plaintiff may serve on or mail via first-class mail to the defendant a written notice in substantially the following form:

"NOTICE: State and federal law provide protections to defendants who are in the military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or an individual for whom the service member provided more than one-half of the individual's support for one hundred eighty days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the plaintiff or the plaintiff's attorneys in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and

proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the plaintiff or plaintiff's attorneys about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights."

(b) If the notice is either served on the defendant twenty or more days prior to an application for an order of default or a default judgment, or mailed to the defendant more than twenty-three days prior to such application, and the defendant fails to timely respond, then for purposes of entry of an order of default or default judgment, the court or administrative tribunal may presume that the defendant is not a dependent of a service member in the military service under this chapter.

(c) Nothing prohibits the plaintiff from allowing a defendant more than twenty days to respond to the notice, or from amending the notice to so provide.

(4) If in an action covered by this section it appears that the defendant is in military service or is a dependent of a service member in military service, the court may not enter a judgment until after the court appoints an attorney to represent the defendant. If an attorney appointed under this section to represent a service member or his or her dependent cannot locate the service member or dependent, actions by the attorney in the case do not waive any defense of the service member or dependent or otherwise bind the service member or dependent.

(5) In an action covered by this section in which the defendant is in military service or is a dependent of a service member in military service, the court shall grant a stay of proceedings until one hundred eighty days after termination of or release from military service, upon application of defense counsel, or on the court's own motion, if the court determines that:

(a) There may be a defense to the action and a defense cannot be presented without presence of the defendant; or

(b) After due diligence, counsel has been unable to contact the defendant or otherwise determine if a meritorious defense exists. The defendant's failure to communicate or cooperate with counsel after having been contacted is not grounds to find that counsel has been unable to contact the defendant or that counsel has been unable to determine if a meritorious defense exists.

(6) No bar to entry of judgment under subsection (4) of this section or requirement for grant of stay under subsection (5) of this section precludes the entry of temporary orders in domestic relations cases. If a court or administrative tribunal enters a temporary order as allowed under this subsection, it shall include a finding that failure to act, despite the absence of the service member, would result in manifest injustice to the other interested parties. Temporary orders issued without the service member's participation shall not set any precedent for the final disposition of the matters addressed therein.

(7) If a service member or dependent who is a defendant in an action covered by this section receives actual notice of the action, the service member or dependent may request a stay of proceedings pursuant to RCW 38.42.060.

(8) A person who makes or uses an affidavit permitted under this section knowing it to be false, is guilty of a class C felony.

(9) If a default judgment is entered in an action covered by this section against a service member or his or her dependent during the service member's period of military service or within one hundred eighty days after termination of or release from military service, the court entering the judgment shall, upon application by or on behalf of the service member or his or her dependent, reopen the judgment for the purpose of allowing the service member or his or her dependent to defend the action if it appears that:

(a) The service member or dependent was materially affected by reason of that military service in making a defense to the action; and

(b) The service member or dependent has a meritorious or legal defense to the action or some part of it.

(10) If a court vacates, sets aside, or reverses a default judgment against a service member or his or her dependent and the vacating, setting aside, or reversing is because of a provision of this chapter, that action does not impair a right or title acquired by a bona fide purchaser for value. [2012 c 24 s 2; 2006 c 80 s 1; 2005 c 254 s 5.]

RCW 38.42.060 Stay of proceedings when service member has

notice. (1) This section applies to any civil action or proceeding in which a defendant at the time of filing an application under this section:

(a)(i) Is in military service, or it is within one hundred eighty days after termination of or release from military service; or

(ii) Is a dependent of a service member in military service; and

(b) Has received actual notice of the action or proceeding.

(2) At any stage before final judgment in a civil action or proceeding in which a service member or his or her dependent described in subsection (1) of this section is a party, the court may on its own motion and shall, upon application by the service member or his or her dependent, stay the action until one hundred eighty days after termination of or release from military service, if the conditions in subsection (3) of this section are met.

(3) An application for a stay under subsection (2) of this section shall include the following:

(a) A letter or other communication setting forth facts stating the manner in which current military duty requirements materially affect the service member's or dependent's ability to appear and stating a date when the service member or dependent will be available to appear; and

(b) A letter or other communication from the service member's commanding officer stating that the service member's current military duty prevents either the service member's or dependent's appearance and that military leave is not authorized for the service member at the time of the letter.

(4) An application for a stay under this section does not constitute an appearance for jurisdictional purposes and does not constitute a waiver of any substantive or procedural defense, including a defense relating to lack of personal jurisdiction.

(5) A service member or dependent who is granted a stay of a civil action or proceeding under subsection (2) of this section may apply for an additional stay based on the continuing material affect of military duty on the service member's or dependent's ability to appear. Such application may be made by the service member or his or her dependent at the time of the initial application under subsection

(2) of this section or when it appears that the service member or his or her dependent is unable to prosecute or defend the action. The same information required under subsection (3) of this subsection shall be included in an application under this subsection.

(6) If the court refuses to grant an additional stay of proceedings under subsection (2) of this section, the court shall appoint counsel to represent the service member or his or her dependent in the action or proceeding.

(7) A service member or dependent who applies for a stay under this section and is unsuccessful may not seek the protections afforded by RCW 38.42.050. [2005 c 254 s 6.]

RCW 38.42.070 Fines and penalties under contracts. (1) If an action for compliance with the terms of a contract is stayed pursuant to this chapter, a penalty shall not accrue for failure to comply with the terms of the contract during the period of the stay.

(2) If a service member or his or her dependent fails to perform an obligation arising under a contract and a penalty is incurred arising from that nonperformance, a court may reduce or waive the fine or penalty if:

(a) (i) The service member was in military service at the time the fine or penalty was incurred; or

(ii) The action is against a dependent of the service member and the service member was in military service at the time the fine or penalty was incurred; and

(b) The ability of the service member or dependent to perform the obligation was materially affected by the military service. [2005 c 254 s 7.]

RCW 38.42.080 Codefendants. If the service member or his or her dependent is a codefendant with others who are not in military service and who are not entitled to the relief and protections provided under this chapter, the plaintiff may proceed against those other defendants with the approval of the court. [2005 c 254 s 8.]

RCW 38.42.090 Computation of statutes of limitation. (1) The period of a service member's military service may not be included in computing any period limited by law, rule, or order, for the bringing of any action or proceeding in a court, or in any board bureau, commission, department, or other agency of a state, or political subdivision of a state, or the United States by or against the service member or the service member's dependents, heirs, executors, administrators, or assigns.

(2) A period of military service may not be included in computing any period provided by law for the redemption of real property sold or forfeited to enforce an obligation, tax, or assessment.

(3) This section does not apply to any period of limitation prescribed by or under the internal revenue laws of the United States. [2005 c 254 s 9.]

RCW 38.42.100 Inappropriate use of chapter. If a court determines, in any proceeding to enforce a civil right, that any interest, property, or contract has been transferred or acquired with

the intent to delay the just enforcement of such right by taking advantage of this chapter, the court shall enter such judgment or make such order as might lawfully be entered or made concerning such transfer or acquisition. [2005 c 254 s 10.]

RCW 38.42.110 Restructure of business loan interest rate. (1) Upon the request of a service member with a qualifying business loan, the financial institution must restructure the interest rate of the loan to the equivalent provisions in the federal servicemembers civil relief act (50 U.S.C. App. 501 et seq.). The service member must notify the institution at least five days prior to the beginning of military service and submit official documentation that substantiates their eligibility for the protections of this chapter.

(2) This section applies only to loans with an outstanding balance of less than one hundred thousand dollars at the time the service member is called to military service.

(3) This section applies only to business loans executed on or after January 1, 2007. [2006 c 253 s 2.]

RCW 38.42.120 Federal servicemembers civil relief act—Applicability. (1) The federal servicemembers civil relief act of 2003, P.L. 108-189, as amended, is specifically declared to apply in proper cases in all the courts of this state.

(2) A violation of the federal servicemembers civil relief act of 2003 is a violation of this chapter. [2014 c 65 s 3.]

RCW 38.42.130 Civil action—Person aggrieved. (1) Any person aggrieved by a violation of this chapter may in a civil action:

(a) Obtain any appropriate equitable or declaratory relief with respect to the violation; and

(b) Recover all other appropriate relief, including monetary damages.

(2) The court may award to a person aggrieved by a violation of this chapter who prevails in an action brought under this section the costs of the action, including reasonable attorneys' fees. [2018 c 197 s 2; 2014 c 65 s 4.]

RCW 38.42.140 Civil action—Attorney general. (1) Civil proceedings to enforce this chapter may be brought by the attorney general against any person that:

(a) Engages in a pattern or practice of violating this chapter; or

(b) Engages in a violation of this chapter that raises an issue of significant public importance.

(2) In a civil action commenced under this section, the court may:

(a) Grant any appropriate equitable or declaratory relief, including costs and reasonable attorneys' fees, with respect to the violation of this chapter;

(b) Award all other appropriate relief, including monetary damages, to any person aggrieved by the violation; and

(c) To vindicate the public interest, assess a civil penalty:

(i) In an amount not exceeding fifty-five thousand dollars for a first violation; and

(ii) In an amount not exceeding one hundred ten thousand dollars for any subsequent violation.

(3) Upon timely application, a person aggrieved by a violation of this chapter with respect to which the civil action is commenced may intervene in such an action and may obtain appropriate relief as the person could obtain in a civil action under RCW 38.42.130 with respect to that violation, along with costs and reasonable attorneys' fees. [2018 c 197 s 3; 2014 c 65 s 5.]

RCW 38.42.150 Civil investigative demands—Standards—Limitations

—Enforcement. (1) Whenever the attorney general believes that any person may: (a) Be in possession, custody, or control of any original or copy of any book, record, report, memorandum, paper, communication, tabulation, map, chart, photograph, mechanical transcription, or other tangible document or recording, wherever situated, which he or she believes to be relevant to the subject matter of an investigation of a possible violation of this chapter, or federal statutes dealing with the same or similar matters that the attorney general is authorized to enforce; or (b) have knowledge of any information that the attorney general believes relevant to the subject matter of such an investigation, he or she may, prior to the institution of a civil proceeding thereon, execute in writing and cause to be served upon such a person, a civil investigative demand requiring such a person to produce the documentary material and permit inspection and copying, to answer in writing written interrogatories, to give oral testimony, or any combination of these demands pertaining to the documentary material or information. Documents and information obtained under this section are not admissible in criminal prosecutions.

(2) Each demand must:

(a) State the statute and section or sections thereof, the alleged violation of which is under investigation, and the general subject matter of the investigation;

(b) If the demand is for the production of documentary material, describe the class or classes of documentary material to be produced thereunder with reasonable specificity so as fairly to indicate the material demanded;

(c) Prescribe a return date within which the documentary material is to be produced, the answers to written interrogatories are to be made, or a date, time, and place at which oral testimony is to be taken; and

(d) Identify the members of the attorney general's staff to whom the documentary material is to be made available for inspection and copying, to whom answers to written interrogatories are to be made, or who are to conduct the examination for oral testimony.

(3) No demand may:

(a) Contain any requirement that would be unreasonable or improper if contained in a subpoena duces tecum, a request for answers to written interrogatories, or a request for deposition upon oral examination issued by a court of this state; or

(b) Require the disclosure of any documentary material that would be privileged or which for any other reason would not be required by a subpoena duces tecum issued by a court of this state.

(4) Service of such a demand may be made by:

(a) Delivering a duly executed copy thereof to the person to be served, or, if such a person is not a natural person, to any officer or managing agent of the person to be served;

(b) Delivering a duly executed copy thereof to the principal place of business in this state of the person to be served; or

(c) Mailing by registered or certified mail a duly executed copy thereof addressed to the person to be served at the principal place of business in this state, or, if the person has no place of business in this state, to his or her principal office or place of business.

(b) Written interrogatories in a demand served under this section must be answered in the same manner as provided in the civil rules for superior court.

(c) The oral testimony of any person obtained pursuant to a demand served under this section must be taken in the same manner as provided in the civil rules for superior court for the taking of depositions. In the course of the deposition, the assistant attorney general conducting the examination may exclude from the place where the examination is held all persons other than the person being examined, the person's counsel, and the officer before whom the testimony is to be taken.

(d) Any person compelled to appear pursuant to a demand for oral testimony under this section may be accompanied by counsel.

(e) The oral testimony of any person obtained pursuant to a demand served under this section must be taken in the county within which the person resides, is found, or transacts business, or in another place as may be agreed upon between the person served and the attorney general.

(6) If, after prior court approval, a civil investigative demand specifically prohibits disclosure of the existence or content of the demand, unless otherwise ordered by a superior court for good cause shown, it is a misdemeanor for any person if not a bank, trust company, mutual savings bank, credit union, or savings and loan association organized under the laws of the United States or of any one of the states to disclose to any other person the existence or content of the demand, except for disclosure to counsel for the recipient of the demand or unless otherwise required by law.

(7) No documentary material, answers to written interrogatories, or transcripts of oral testimony produced pursuant to a demand, or copies thereof, shall, unless otherwise ordered by a superior court for good cause shown, be produced for inspection or copying by, nor may the contents thereof be disclosed to, other than an authorized employee of the attorney general, without the consent of the person who produced the material, answered written interrogatories, or gave oral testimony, except as otherwise provided in this section:
PROVIDED, That:

The court has jurisdiction to impose such sanctions as are provided for in the civil rules for superior court with respect to discovery motions.

(9) Whenever any person fails to comply with any civil investigative demand for documentary material, answers to written interrogatories, or oral testimony duly served upon him or her under this section, or whenever satisfactory copying or reproduction of any such material cannot be done and the person refuses to surrender the material, the attorney general may file, in the trial court of general jurisdiction of the county in which the person resides, is found, or transacts business, and serve upon the person a petition for an order of the court for the enforcement of this section, except that if the person transacts business in more than one county the petition must be filed in the county in which the person maintains his or her principal place of business, or in another county as may be agreed upon by the parties to the petition. RCW 38.52.010 Definitions. As used in this chapter:

(1) "911 emergency communications system" means a public 911 communications system consisting of a network, database, and on-premises equipment that is accessed by dialing or accessing 911 and that enables reporting police, fire, medical, or other emergency situations to a public safety answering point. The system includes the capability to selectively route incoming 911 voice and data to the appropriate public safety answering point that operates in a defined 911 service area and the capability to automatically display the name, location, and telephone number of incoming 911 voice and data at the appropriate public safety answering point.

(2) "Automatic location identification" means information about a caller's location that is part of or associated with an enhanced or next generation 911 emergency communications system as defined in this section and RCW 82.14B.020 and intended for the purpose of display at a public safety answering point with incoming 911 voice or data, or both.

(3) "Automatic number identification" means a method for uniquely associating a communication device that has accessed 911 with the incoming 911 voice or data, or both, and intended for the purpose of display at a public safety answering point.

(4) "Baseline level of 911 service" means access to 911 dialing from all communication devices with service from a telecommunications provider within a county's jurisdiction so that incoming 911 voice and data communication is answered, received, and displayed on 911 equipment at a public safety answering point designated by the county.

(b) "Catastrophic incident" does not include an event resulting from individuals exercising their rights, under the first amendment, of freedom of speech, and of the people to peaceably assemble.

(7) "Communication plan," as used in RCW 38.52.070, means a section in a local comprehensive emergency management plan that addresses emergency notification of life safety information.

(8) "Continuity of government planning" means the internal effort of all levels and branches of government to provide that the capability exists to continue essential functions and services following a catastrophic incident. These efforts include, but are not limited to, providing for: (a) Orderly succession and appropriate changes of leadership whether appointed or elected; (b) filling vacancies; (c) interoperability communications; and (d) processes and procedures to reconvene government following periods of disruption that may be caused by a catastrophic incident. Continuity of government planning is intended to preserve the constitutional and statutory authority of elected officials at the state and local level and provide for the continued performance of essential functions and services by each level and branch of government.

(9) "Continuity of operations planning" means the internal effort of an organization to provide that the capability exists to continue essential functions and services in response to a comprehensive array of potential emergencies or disasters.

(10) "Department" means the state military department.

However, "emergency management" or "comprehensive emergency management" does not mean preparation for emergency evacuation or relocation of residents in anticipation of nuclear attack.

(13)(a) "Emergency or disaster" as used in all sections of this chapter except RCW 38.52.430 means an event or set of circumstances which: (i) Demands immediate action to preserve public health, protect life, protect public property, or to provide relief to any stricken community overtaken by such occurrences; or (ii) reaches such a dimension or degree of destructiveness as to warrant the governor proclaiming a state of emergency pursuant to RCW 43.06.010.

(b) "Emergency" as used in RCW 38.52.430 means an incident that requires a normal police, coroner, fire, rescue, emergency medical services, or utility response as a result of a violation of one of the statutes enumerated in RCW 38.52.430.

Finding—Intent—2024 c 60: "The legislature finds that the state is experiencing disasters with greater frequency and longer duration, causing damage to public infrastructure that is beyond the capacity of local government and tribal government response. Furthermore, these impacts to public infrastructure result in disruption of essential services critical to the safety and well-being of Washingtonians. Therefore, the legislature intends to provide supplementary state assistance to county governments and federally recognized tribal governments, within existing appropriations, for the cost of disaster-related response to address public infrastructure damage when authorized under governor emergency proclamation." Modernization of statewide 911 emergency communications system—2022 c 203: "The ongoing modernization of the statewide 911 emergency communications system is essential to public safety. Implementing new technologies with the modernization to next generation 911 requires clarifying changes to update requirements and definitions currently in statute." [2022 c 203 s 1.]

Finding—Intent—2019 c 471: "The legislature finds that the ability of government to fulfill its constitutional and statutory responsibilities by continuing to conduct essential functions and services during the periods of significant disruption that follow catastrophic incidents requires both continuity of operations planning by individual agencies and continuity of government planning by state and local government. It is the intent of the legislature that all levels and branches of government, both state and local, take appropriate action to cooperatively conduct appropriate planning and preparation for continuity of operations and government to assist in fulfilling these responsibilities." (2) In performing his or her duties under this chapter, the governor is authorized to cooperate with the federal government, with other states, and with private agencies in all matters pertaining to the emergency management of this state and of the nation.

(3) In performing his or her duties under this chapter and to effect its policy and purpose, the governor is further authorized and empowered:

(a) To make, amend, and rescind the necessary orders, rules, and regulations to carry out the provisions of this chapter within the limits of the authority conferred upon him [or her] herein, with due consideration of the plans of the federal government;

(b) On behalf of this state, to enter into mutual aid arrangements with other states and territories, or provinces of the Dominion of Canada and to coordinate mutual aid interlocal agreements between political subdivisions of this state;

RCW 38.52.070 Local organizations and joint local organizations authorized—Establishment, operation—Emergency powers, procedures—Communication plans. (1) Each political subdivision of this state is hereby authorized and directed to establish a local organization or to be a member of a joint local organization for emergency management in accordance with the state comprehensive emergency management plan and program: PROVIDED, That a political subdivision proposing such establishment shall submit its plan and program for emergency management to the state director and secure his or her recommendations thereon, and verification of consistency with the state comprehensive emergency management plan, in order that the plan of the local organization for emergency management may be coordinated with the plan and program of the state. Local comprehensive emergency management plans must specify the use of the incident command system for multiagency/multijurisdiction operations. No political subdivision may be required to include in its plan provisions for the emergency evacuation or relocation of residents in anticipation of nuclear attack. If the director's recommendations are adverse to the plan as submitted, and, if the local organization does not agree to the

director's recommendations for modification to the proposal, the matter shall be referred to the council for final action. The director may authorize two or more political subdivisions to join in the establishment and operation of a joint local organization for emergency management as circumstances may warrant, in which case each political subdivision shall contribute to the cost of emergency management upon such fair and equitable basis as may be determined upon by the executive heads of the constituent subdivisions. If in any case the executive heads cannot agree upon the proper division of cost the matter shall be referred to the council for arbitration and its decision shall be final. When two or more political subdivisions join in the establishment and operation of a joint local organization for emergency management each shall pay its share of the cost into a special pooled fund to be administered by the treasurer of the most populous subdivision, which fund shall be known as the emergency management fund. Each local organization or joint local organization for emergency management shall have a director who shall be appointed by the executive head of the political subdivision, and who shall have direct responsibility for the organization, administration, and operation of such local organization for emergency management, subject to the direction and control of such executive officer or officers. In the case of a joint local organization for emergency management, the director shall be appointed by the joint action of the executive heads of the constituent political subdivisions. Each local organization or joint local organization for emergency management shall perform emergency management functions within the territorial limits of the political subdivision within which it is organized, and, in addition, shall conduct such functions outside of such territorial limits as may be required pursuant to the provisions of this chapter.

(2) In carrying out the provisions of this chapter each political subdivision, in which any disaster as described in RCW 38.52.020 occurs, shall have the power to enter into contracts and incur obligations necessary to combat such disaster, protecting the health and safety of persons and property, and providing emergency assistance to the victims of such disaster. Each political subdivision is authorized to exercise the powers vested under this section in the light of the exigencies of an extreme emergency situation without regard to time-consuming procedures and formalities prescribed by law (excepting mandatory constitutional requirements), including, but not limited to, budget law limitations, requirements of competitive bidding and publication of notices, provisions pertaining to the performance of public work, entering into contracts, the incurring of obligations, the employment of temporary workers, the rental of equipment, the purchase of supplies and materials, the levying of taxes, and the appropriation and expenditures of public funds.

(3) (a) (i) Each local organization or joint local organization for emergency management that produces a local comprehensive emergency management plan must include a communication plan for notifying significant population segments of life safety information during an emergency. Local organizations and joint local organizations are encouraged to consult with affected community organizations in the development of the communication plans. Communication plans must include an expeditious notification of citizens who can reasonably be determined to be at risk during a hazardous material spill or release pursuant to RCW 70.136.080.

(ii) In developing communication plans, local organizations and joint organizations should consider, as part of their determination of the extent of the obligation to provide emergency notification to significant population segments, the following factors: The number or proportion of the limited English proficiency persons eligible to be served or likely to be encountered; the frequency with which limited English proficiency individuals come in contact with the emergency notification; the nature and importance of the emergency notification, service, or program to people's lives; and the resources available to the political subdivision to provide emergency notifications.

(iii) "Significant population segment" means, for the purposes of this subsection (3), each limited English proficiency language group that constitutes five percent or one thousand residents, whichever is less, of the population of persons eligible to be served or likely to be affected within a city, town, or county. The office of financial management forecasting division's limited English proficiency population estimates are the demographic data set for determining eligible limited English proficiency language groups.

(b) Local organizations and joint local organizations must submit the plans produced under (a) of this subsection to the Washington military department emergency management division, and must implement those plans. An initial communication plan must be submitted with the local organization or joint local organization's next local emergency management plan update following July 23, 2017, and subsequent plans must be reviewed in accordance with the director's schedule.

(4) When conducting emergency or disaster after-action reviews, local organizations and joint local organizations must evaluate the effectiveness of communication of life safety information and must inform the emergency management division of the Washington military department of technological challenges which limited communications efforts, along with identifying recommendations and resources needed to address those challenges. [2024 c 331 s 1; 2017 c 312 s 4; 1997 c 49 s 4; 1986 c 266 s 28; 1984 c 38 s 7; 1974 ex.s. c 171 s 9; 1951 c 178 s 8.]

(2) The emergency management division of the Washington military department must provide the legislature an annual report on instances of emergency or disaster in which communication of life safety information was technologically infeasible, as reported to the department pursuant to RCW 38.52.070(4). When potential technology solutions exist, the report must include recommendations and an estimate of resources required to remedy the infeasibility. The first annual report is due December 1, 2019. (2) The political subdivision in which any equipment is used pursuant to this section shall be liable for any loss or damage thereto and shall pay any expense incurred in the operation and maintenance thereof. No claim for such loss, damage, or expense shall be allowed unless, within sixty days after the same is sustained or incurred, an itemized notice of such claim under oath is served by mail or otherwise upon the executive head of such political subdivision where the equipment was used. The term "employee" as used in this section shall mean, and the provisions of this section shall apply with equal effect to, volunteer auxiliary employees, and emergency workers.

RCW 38.52.430 Emergency response caused by person's intoxication—Recovery of costs from convicted person. A person whose intoxication causes an incident resulting in an appropriate emergency response, and who, in connection with the incident, has been found guilty of or has had their prosecution deferred for (1) driving while under the influence of intoxicating liquor or any drug, RCW 46.61.502; (2) physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, RCW 46.61.504; (3) operating an aircraft under the influence of intoxicants or drugs, RCW 47.68.220; (4) use of a vessel while under the influence of alcohol or drugs, RCW 79A.60.040; (5) vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a); or (6) vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), is liable for the expense of an emergency response by a public agency to the incident.

The expense of an emergency response is a charge against the person liable for expenses under this section. The charge constitutes a debt of that person and is collectible by the public agency incurring those costs in the same manner as in the case of an obligation under a contract, expressed or implied. Following a conviction of an offense listed in this section, and prior to

sentencing, the prosecution may present to the court information setting forth the expenses incurred by the public agency for its emergency response to the incident. Upon a finding by the court that the expenses are reasonable, the court shall order the defendant to reimburse the public agency. The cost reimbursement shall be included in the sentencing order as an additional monetary obligation of the defendant and may not be substituted for any other fine or cost required or allowed by statute. The court may establish a payment schedule for the payment of the cost reimbursement, separate from any payment schedule imposed for other fines and costs. All payments for the cost reimbursement must be remitted directly to the public agency or agencies that incurred the cost associated with the emergency response.

In no event shall a person's liability under this section for the expense of an emergency response exceed two thousand five hundred dollars for a particular incident.

If more than one public agency makes a claim for payment from an individual for an emergency response to a single incident under the provisions of this section, and the sum of the claims exceeds the amount recovered, the division of the amount recovered shall be determined by an interlocal agreement consistent with the requirements of chapter 39.34 RCW. [2020 c 330 s 4; 2012 c 183 s 6; 1993 c 251 s 2.]

Effective date—2012 c 183: See note following RCW 9.94A.475.

Finding—Intent—1993 c 251: "The legislature finds that a public agency incurs expenses in an emergency response. It is the intent of the legislature to allow a public agency to recover the expenses of an emergency response to an incident involving persons who operate a motor vehicle, boat or vessel, or a civil aircraft while under the influence of an alcoholic beverage or a drug, or the combined influence of an alcoholic beverage and a drug. It is the intent of the legislature that the recovery of expenses of an emergency response under this act shall supplement and shall not supplant other provisions of law relating to the recovery of those expenses." RCW 38.52.440 Assistance for persons with disabilities present at scene of emergency—Assessment and report—Definitions. (1) Subject to the availability of amounts appropriated for this specific purpose, the director, through the state 911 coordinator, and in collaboration with the department of health, the department of social and health services, the Washington state patrol, the Washington association of sheriffs and police chiefs, the Washington council of police and sheriffs, the state fire marshal's office, a representative of a first responder organization with experience in addressing the needs of a person with a disability, and other individuals and entities at the discretion of the director, must assess, and report back to the appropriate committees of the legislature by December 1, 2018, regarding:

(a) The resources, capabilities, techniques, protocols, and procedures available or required in order to include as part of the enhanced 911 emergency service the ability to allow an immediate display on the screen indicating that a person with a disability may

be present at the scene of an emergency, the caller's identification, location, phone number, address, and if made available, additional information on the person with a disability that would assist the first responder in the emergency response;

(b) How best to acquire, implement, and safeguard a secure website and the information in the system provided by a person with a disability, or a parent, guardian, or caretaker of a person with a disability in order to make such information directly available to first responders at the scene of an emergency or on the way to the scene of an emergency;

(c) What information provided by a person must remain confidential under state or federal law, or otherwise should remain confidential without written permission to release it for purposes of chapter 295, Laws of 2017 or the information is otherwise releasable or available under other provisions of law; and

(d) The need to provide various agencies and employees that are first responders and emergency personnel immunity from civil liability for acts or omissions in the performance of their duties, and what standard should apply, such as if the act or omission is the result of simple negligence, gross negligence, or willful misconduct.

(2) For purposes of this section:

(a) Both "accident" and "emergency" mean an unforeseen combination of circumstances or a resulting situation that results in a need for assistance or relief and calls for immediate action; and

(b) "Person with a disability" means an individual who has been diagnosed medically to have a physical, mental, emotional, intellectual, behavioral, developmental, or sensory disability. [2022 c 203 s 4; 2017 c 295 s 3.]

RCW 38.52.500 Statewide 911 telephone service—Finding. The legislature finds that a statewide emergency communications network of 911 telephone service, which allows an immediate display of a caller's identification and location, would serve to further the safety, health, and welfare of the state's citizens, and would save lives. The legislature, after reviewing the study outlined in section 1, chapter 260, Laws of 1990, further finds that statewide implementation of 911 telephone service is feasible and should be accomplished as soon as practicable. RCW 38.52.501 Statewide 911 emergency communications service—
Findings. The legislature finds that statewide 911 emergency communications service has proven to be a lifesaving service and that routing a 911 call to the appropriate public safety answering point

with a display of the caller's identification and location should be available for all users of telecommunications services, regardless of the technology used to make and transmit the 911 call. The legislature also finds that it is in the best public interest to ensure that there is adequate ongoing funding to support necessary 911 system upgrades as technology evolves to next generation 911 technology and beyond for 911 emergency communications baseline service statewide that supports emerging communications devices. RCW 38.52.505 Statewide 911 emergency service—Automatic location identification—Rules. The adjutant general shall establish rules on minimum information requirements of automatic location identification for the purposes of 911 emergency service. Such rules shall permit the chief of a local fire department or a chief fire protection officer or such other person as may be designated by the governing body of a city or county to take into consideration local circumstances when approving the accuracy of location information generated when calls are made to 911 from facilities within his or her service area. Modernization of statewide 911 emergency communications system—2022 c 203: See note following RCW 38.52.010.

Findings—1999 c 24: "The legislature finds that the citizens of the state increasingly rely on the dependability of enhanced 911, a system that allows the person answering an emergency call to determine the location of the emergency immediately without the caller needing to speak. The legislature further finds that the degree of accuracy of the displayed information must be adequate to permit rapid location of the caller while taking into consideration variables specific to local conditions. The legislature further finds that it is appropriate that rules permitting local fire agencies to evaluate and approve the accuracy of location information relating to their service areas be adopted." [1999 c 24 s 1.]

RCW 38.52.510 Statewide 911 communications systems—Funding by counties—State patrol public safety answering point. (1) Each county, singly or in combination with one or more counties, must provide or participate in countywide or multicounty-wide 911 emergency communications systems so that 911 is available throughout the state. The county must provide funding for the 911 communications system in the county in an amount equal to the amount the maximum tax under RCW 82.14B.030(1) would generate in the county less any applicable

administrative fee charged by the department of revenue or the amount necessary to provide full funding of the system in the county. The state 911 coordination office established by RCW 38.52.520 must assist and facilitate 911 implementation throughout the state.

(2) A county may request a Washington state patrol public safety answering point to become a primary public safety answering point and receive 911 calls from a specific geographical area and may cancel that designation at any time. [2022 c 203 s 8; 2010 1st sp.s. c 19 s 14; 1991 c 54 s 3.]

(c) Specify statewide 911 emergency communications system and service standards, consistent with applicable state and federal law. The authority given to the state 911 coordinator in this section is limited to setting standards as set forth in this section and does not constitute authority to regulate radio communications service companies or interconnected voice over internet protocol service companies; and

(9) Annually providing a complete report to the 911 advisory committee on:

Modernization of statewide 911 emergency communications system—
2022 c 203: See note following RCW 38.52.010.

RCW 38.52.577 Information from automatic number identification, automatic location identification database, or voluntarily submitted for inclusion in emergency notification system—Exemption from public inspection and copying. Information obtained from an automatic number identification or automatic location identification database or voluntarily submitted to a local agency for inclusion in an emergency notification system is exempt from public inspection and copying under chapter 42.56 RCW. This section shall not be interpreted to prohibit:

- (1) Making outgoing calls to telephone numbers to provide notification of a community emergency event;
- (2) Maintenance of the database by a local agency; or
- (3) Inspection or copying by the subject of the information or an authorized representative. [2015 c 224 s 7.]

RCW 38.52.580 State agency communication plan for emergencies and disasters—Copy to legislature—Report. Beginning December 1, 2019, a state agency that provides life safety information in an emergency or disaster must provide, to the relevant committees of the legislature, a copy of its current communication plan for notifying significant population segments of such information, including the agency's point of contact. The state agency must also submit an annual report to the relevant committees of the legislature identifying those instances of emergency or disaster in the preceding year in which life safety information was provided and what public messaging strategies and means were used to notify citizens with limited English proficiency. [2017 c 312 s 2.]

Finding—Intent—2017 c 312: "The legislature finds that, as a matter of human dignity, all persons should be informed of emergency notifications in a manner in which they can understand. It is the intent of the legislature that all persons who may be in harm's way in an emergency are informed of their peril, and informed of appropriate actions they should take to protect themselves and their families." [2017 c 312 s 1.]

RCW 38.52.590 Disaster resilience program. (1) Subject to the availability of amounts appropriated for this specific purpose, the emergency management division within the department shall develop and administer a disaster resilience program. The program should include:

- (a) Methods for ensuring ongoing coordination of state and local disaster resilience and response activities, including:

- (i) Coordinating funding to maximize federal, state, local, and private investments;
- (ii) Serving as a public and private disaster resilience resource center;
- (iii) Enhancing interagency collaboration, education, and outreach programs; and
- (iv) Identifying and leveraging respective roles, authorities, and expertise of agencies;
- (b) Strategies for addressing the impacts of all hazards, both natural and human-caused, such as border closures, including:
 - (i) Developing, coordinating, and communicating disaster resilience initiatives and projects across state agencies and local governments on hazards and issues where there is not another lead agency for coordinating resilience activities, including projects that give special consideration to exclave communities;
 - (ii) Conducting policy research and recommendations related to enhancing disaster resilience;
 - (iii) Coordinating research, data collection, and analysis;
 - (iv) Researching economic tools to address disaster resilience;
- and
- (v) Recommending investments to mitigate disaster risks from all threats and hazards; and
- (c) Participating and collaborating in interagency efforts to advance statewide climate resilience activities under chapter 70A.05 RCW, including collaborating on the development of a statewide strategy and identifying opportunities to leverage funding to advance solutions that improve the resilience of communities, infrastructure, and ecosystems.

(2) For purposes of this section:

- (a) "Resilience" means the ability to prepare, mitigate, plan for, withstand, recover from, and more successfully adapt to adverse events and changing conditions, and reorganize in an equitable manner that results in a new and better condition; and
- (b) "Disaster resilience" means resilience within the critical infrastructure sectors of emergency services; communications; critical government facilities; transportation; critical manufacturing; commercial facilities; chemical manufacturing and distribution; water and wastewater treatment; and dams, excluding power generation. [2023 c 157 s 2.]

Findings—Intent—2023 c 157: "Washington state residents have been increasingly impacted by disasters such as floods, landslides, wildfires, earthquakes, and the COVID-19 pandemic and they continue to be at risk from emergency threats and other disasters, with communities of color and vulnerable populations disproportionately impacted. Residents are also negatively impacted by certain responses to disasters, including border closures. The legislature finds that it is critical to better prepare Washington for disasters and to mitigate the impacts with coordinated resilience strategies. The legislature further finds a resilient Washington increases quality of life for Washingtonians while every one dollar spent on mitigation saves six dollars spent on recovery. To address this critical need, the legislature intends to implement a disaster resilience program for the benefit of all Washingtonians while conserving expenditures by both public and private sectors." [2023 c 157 s 1.]

RCW 38.52.595 State interoperability executive committee—

Composition—Responsibilities. (1) The director shall appoint a state interoperability executive committee, the membership of which must include, but not be limited to, representatives of the military department, the Washington state patrol, the department of transportation, Washington technology solutions, the department of natural resources, the department of fish and wildlife, the department of health, the department of corrections, city and county governments, state and local fire chiefs, police chiefs, and sheriffs, state and local emergency management directors, tribal nations, and public safety answering points, commonly known as 911 call centers. The chair and legislative members of the board will serve as nonvoting ex officio members of the committee. Voting membership may not exceed twenty-two members.

(2) The director shall appoint the chair of the committee from among the voting members of the committee.

(3) The state interoperability executive committee has the following responsibilities:

(a) Develop policies and make recommendations for technical standards for state wireless radio communications systems, including emergency communications systems. The standards must address, among other things, the interoperability of systems, taking into account both existing and future systems and technologies;

(b) Coordinate and manage on behalf of the department the licensing and use of state-designated and state-licensed radio frequencies, including the spectrum used for public safety and emergency communications, and serve as the point of contact with the federal communications commission and the first responders network authority on matters relating to allocation, use, and licensing of radio spectrum;

(c) Coordinate the purchasing of all state wireless radio communications system equipment to ensure that:

(i) Any new trunked radio system shall be, at a minimum, project-25; and

(ii) Any new land-mobile radio system that requires advanced digital features shall be, at a minimum, project-25;

(d) Seek support, including possible federal or other funding, for state-sponsored wireless communications systems;

(e) Develop recommendations for legislation that may be required to promote interoperability of state wireless communications systems;

(f) Foster cooperation and coordination among public safety and emergency response organizations;

(g) Work with wireless communications groups and associations to ensure interoperability among all public safety and emergency response wireless communications systems; and

(h) Perform such other duties as may be assigned by the director to promote interoperability of wireless communications systems.

(4) The department shall provide administrative support to the committee. [2024 c 54 s 20; 2017 c 92 s 1; 2015 3rd sp.s. c 1 s 213; 2011 1st sp.s. c 43 s 717. Formerly RCW 43.105.331, 43.41A.080.]

RCW 38.52.600 Extreme weather response grant program. (1)

Subject to the availability of amounts appropriated for this specific purpose, the department shall develop and implement an extreme weather response grant program for the purpose of assisting political subdivisions and federally recognized tribes, in geographic areas where vulnerable populations face combined, multiple environmental harms and health impacts as determined by the department, with the costs of responding to community needs during periods of extremely hot or cold weather or in situations of severe poor air quality from wildfire smoke. The department may adopt rules to administer the extreme weather response grant program.

(2) (a) The department may award grants to political subdivisions and federally recognized tribes, in geographic areas where vulnerable populations face combined, multiple environmental harms and health impacts as determined by the department, for reimbursement of costs in accordance with subsection (3) of this section if the costs were incurred by communities that have demonstrated a lack of local resources to address community needs and were incurred for the benefit of vulnerable populations. For the purposes of this section, vulnerability refers to the resilience of communities when confronted by external stresses on human health, such as natural or human-caused disasters. Vulnerable populations include, but are not limited to, individuals with disabilities, individuals without vehicles, older adults, individuals with low incomes or experiencing homelessness, and individuals with limited English proficiency.

(b) The department may utilize grant dollars to purchase temporary, movable shelters, which shall remain in the custody of the department to be loaned out to political subdivisions when requested by the executive head to assist with emergency response to extreme weather events.

(3) The costs associated with the following activities are eligible for reimbursement under the extreme weather response grant program:

(a) Establishing and operating warming and cooling centers, including rental of equipment, purchase of supplies and water, staffing, and other associated costs;

(b) Transporting individuals and their pets to warming and cooling centers;

(c) Purchasing fans or other supplies needed for cooling of congregate living settings;

(d) Providing emergency temporary housing such as rental of a hotel or convention center;

(e) Retrofitting or establishing facilities within warming and cooling centers that are pet friendly in order to permit individuals to evacuate with their pets; and

(f) Other related activities necessary for life safety during a period of extremely hot or cold weather or in situations of severe poor air quality from wildfire smoke as determined by the department.

(4) The department shall, upon request, provide information to political subdivisions and federally recognized tribes regarding the establishment and operation of warming and cooling centers.

(5) Grant funding awarded under this section must be used to supplement, not supplant, other federal, state, and local funding for emergency response.

(6) For purposes of this section, "political subdivision" means any county, city, or town that has established a local organization

for emergency management or any joint local organization for emergency management established pursuant to RCW 38.52.070. [2024 c 172 s 3.]

Short title—2024 c 172: "This act may be known and cited as the extreme weather protection act." [2024 c 172 s 1.]

Findings—2024 c 172: "(1) The legislature finds that cold storm patterns in the winter months, dangerous heat waves in the summer, and other major weather events present severe public health challenges for individuals and families in Washington.

(2) Moreover, the legislature finds that these challenges are not experienced equally across the population. The elderly, people with disabilities, people with low incomes, farmworkers, people experiencing homelessness, and people who historically were zoned to areas that faced increased environmental impacts during weather events are the most at risk for losing their life or being severely impacted by weather-related ailments.

(3) The legislature finds that pets are particularly vulnerable to extreme weather conditions, including increased risk of heatstroke-related illness and death, and the inability for pet owners to find pet friendly accommodations is a major barrier to accessing heating and cooling centers and other resources and prevents individuals from evacuating to safety.

(4) The legislature finds that during the record heatwave of 2021, the deadliest weather-related disaster in Washington on record, over 100 people in Washington and nearly 800 people in the northwest region lost their lives as a result of inability to access cooling centers or resources and hundreds more visited emergency rooms with heat-related illnesses.

(5) The legislature acknowledges that according to scientists at the Pacific Northwest national laboratory, it is predicted that these severe weather events will happen more frequently because of the changing climate.

(6) The legislature finds that the cost to local governments to provide heating and cooling centers are sometimes insurmountable and intends to provide supplemental resources to local jurisdictions and tribal partners where local resources are not available during extreme weather events." PUBLIC SAFETY TELECOMMUNICATORS

Sections

38.60.010	Findings.
38.60.020	Definitions.
38.60.030	Certification board.
38.60.040	Certification board—Duties.
38.60.050	Certification board—Representation.
38.60.060	Limitation of liability.

RCW 38.60.010 Findings. (1) The legislature acknowledges that a primary responsibility of government is to ensure public safety and that almost always an emergency response begins with a request to 911 for assistance. Requests to 911 and subsequent emergency response communications are managed by public safety telecommunicator professionals. These first responders are essential workers who continue public service throughout the pandemic, who are essential to triage requests for emergency responses and provide lifesaving instructions and guidance to those who call 911, ensuring the appropriate response for the situation; law enforcement, behavioral health, fire, and emergency medical. The public safety telecommunicator also dispatches, tracks, processes, and transmits information from the public and continually communicates with responders providing an additional layer of safety. The legislature takes special note of the contributions made by public safety telecommunicators whose tasks are arduous and whose working conditions may be contributing to the high and often critical turnover among the principal cadre of professionals who receive and process requests from the public for emergency response and provide emergency communications with public safety responders.

(2) The legislature also recognizes that public safety telecommunicators are the only public safety professionals who are not required to be certified and do not have standard initial training requirements to perform their critical public safety function. Further, employers of public safety telecommunicators face challenges in attracting suitable candidates, training, and retaining of staff due to the high demand and high stress environment of this critical public safety profession.

(3) The legislature finds and declares that:

(a) Public safety telecommunicators must have a formal system of training, and certification and recertification standards, to ensure a standardized response is given when the public seeks assistance during an emergency and that standardized communications are in place to support public safety responders within Washington state.

(b) The quality of emergency response in most cases begins with the competence of public safety telecommunicators. To ensure the availability and quality of trained public safety telecommunicators, the legislature recognizes the need to adopt and implement standardized training programs and certification and recertification requirements. [2022 c 286 s 1.]

RCW 38.60.020 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Certification board" means the voluntary public safety telecommunicator certification board.

(2) "Public safety answering point" includes primary public safety answering points that receive 911 calls directly from the public and secondary public safety answering points that receive 911 calls only on a transfer or relay basis from the primary public safety answering point.

(3) "Public safety telecommunicator" means a first responder working in a primary public safety answering point, regardless of title, who has successfully completed the training, certification, or recertification standards established in the state of Washington. This includes an employee of the state, a local public agency, or an independent governmental agency whose primary responsibility is to receive, process, transmit, or dispatch 911 emergency and nonemergency calls for law enforcement, fire, emergency medical, and other public safety services by telephone, radio, or other communication devices and includes an individual who promoted from this position and supervises individuals who perform these functions.

(4) "State-approved training program" means a public safety telecommunicator certified training program approved by the certification board to meet the requirements of a state-approved public safety telecommunicator training, certification, and recertification standards. For community colleges, vocational-technical institutes, skill centers, and secondary schools as described in chapter 28B.50 RCW, public safety telecommunicator certified training programs shall be approved by the certification board in cooperation with the board for community and technical colleges or the superintendent of public instruction. [2022 c 286 s 2.]

(3) Reviewing and approving state-approved training programs biennially. State-approved training programs should be consistent with industry standards;

(4) Setting all public safety telecommunicator certification, registration, and renewal fees, and to collect and deposit all such fees in the 911 account established under RCW 38.52.540; and

(5) Establishing recertification requirements. [2022 c 286 s 4.]

RCW 38.60.050 Certification board—Representation. The certification board shall represent diverse stakeholders of the 911 system and shall consist of the following volunteer members:

- (1) The chair or vice chair of the 911 advisory committee;
- (2) Two public safety answering point directors or 911 coordinators, one from the eastside and one from the westside of the Cascade mountains appointed by the 911 advisory committee;

- (4) One representative appointed by the Washington association of sheriffs and police chiefs;
- (5) One representative appointed by the Washington state fire chiefs association;
- (6) One representative from the Washington state association of counties appointed by the Washington state association of counties; and
- (7) Two public safety telecommunicators from a public safety answering point, one from the eastside and one from the westside of the Cascade mountains appointed by the 911 advisory committee. [2022 c 286 s 5.]

RCW 38.60.060 Limitation of liability. (1) No act or omission of any certified public safety telecommunicator or crisis call center staff or designated 988 contact hub staff related to the transfer of calls from the 911 line to the 988 crisis hotline or from the 988 crisis hotline to the 911 line, done or omitted in good faith, within the scope of the certified public safety telecommunicator's employment responsibilities with the public safety answering point and the crisis call center or designated 988 contact hub and in accordance with call system transfer protocols adopted by both the department of health and the emergency management division shall impose liability upon:

- (a) The certified public safety telecommunicator or the certified public safety telecommunicator's supervisor;
- (b) The public safety answering point or its officers, staff, or employees;
- (c) The clinical staff of the crisis call center or designated 988 contact hub or their clinical supervisors;
- (d) The crisis call center or designated 988 contact hub or its officers, staff, or employees; or
- (e) Any member of a mobile rapid response crisis team or community-based crisis team endorsed under RCW 71.24.903.

(2) This section shall not apply to any act or omission which constitutes either gross negligence or willful or wanton misconduct. [2023 c 454 s 14.]
